A genuine ghost-story has yet to be attested; but not so a genuine blood-purifier. Over and over again it has been proved that Ayer's Sarsaparilla stands alone among medicines as the most reliable tonic-alterative in pharmacy. It stood alone at the World's Fair.

Signs of Christmas festivities and annual merriment was conspicuous in town today. Everybody has Christmas in their bones. The usual big Saturday trade was felt to be some less this year than previous ones, due to the threatening morning.

Henry Setzer, colored, was arrested yesterday for cursing and fighting on the street and was put in the lock up. Pretty soon fire was discovered. The door was opened to put out the fire and the prisoner jumped out and ran. He was soon caught and locked up again and again attempted to burn the building. He was taken to jail at Salisbury.—China Grove Correspondent to Herald.

**Tiger in Jail.**  
Chief Boger re-arrested whiskey seller Henry Morrison this (Saturday) morning, and holds him on two charges—one for selling whiskey, and the other for delivering it. Under the town ordinance prohibiting the delivery of liquor, Henry, the peddler, was fined \$20, and was required to give a \$100 justified bond for his appearance at court, in default of which he was placed in jail. Other arrests are likely to be made at any time, for the same offense.

**Gave it to the Poor.**

The firemen's festival was held for the purpose of raising funds to purchase uniforms for the company in order that they might attend the annual meeting of the State Firemen's Association next year, equipped as is every other company in the State, but they "fell down" for the lack of public spirit and patronage. The company has twenty-two members, and the proceeds from the recent outlay in the Litaker building will buy one uniform, and to get enough to go around it will be necessary to hold twenty-one more such feasts.

The company desires to specially thank the ladies of the town for their liberal donations and assistance, for had it not been for the good women they would have not been so successful as they were. Also do they wish to thank Mr. Litaker for tendering them the use of his store room gratis.

Quite a large quantity of "stuff" was left on hands, which was divided up and sent to the suffering poor of the town, which was very thoughtful in the firemen.

**The Pig Weighed 330.**

On Monday, December 16, we published the following item: "Mrs. B. M. Johnson killed two 7-months old pigs this morning that weighed 230 and 240 pounds net, respectfully."

The butchering account of these pigs was written up for THE STANDARD by Master Tom Johnson. Instead of 230, Tommy had 330. Believing that he had made a mistake in figures, as it seemed to us impossible and certainly is unprecedented in the history of hogology for a 7-months old pig to weigh net 330 pounds we made it 230.

THE STANDARD has been urged and urged time and time again to put in the weights as furnished us at first, which was, "two 7-months old pigs weighing respectively 330 and 240."
