ANOTHER GOLD FIND.

Struck a Rich Vein in No. 6 Township—Formerly Worked But Not to a Paying Advantage.

Some time ago a syndicate, consisting of Messrs. M. M. Ritchie, George G. Ritchie and Calvin Basinger was founded and purchased a tract of land that is known as the Goodman mining property in No. 6 township. The mine had not been operated for several years until the recent purchase, and for several weeks the new company had worked without profit, until Monday, when a rich vein was struck. The ore is said to be the richest ever produced from a Cabarrus mine and that nuggets as large as ordinary marbles were found in great numbers. The find has created a little sensation and excitement in gold mining circles. Several thousand dollars worth of ore has been taken out within the past twenty-four hours with prospects for an enormous supply yet imbedded in the vein.

Heilig and South Rowan News.

Chills and fever are plentiful in this neighborhood.

Mr. Lawson Brown, who moved to Cannons cotton mills last April, is back to his old home.

Mr. Weeley Brady, a young man of this neighborhood, who has been confined to his bed for ten weeks with typhoid fever, is improving now.

Miss Mattie Fisher, of Heilig, and Miss Mattie Lippard, of Rimmer, started for Catawba College last week, where they will enter school.

Rev. Paul Barringer, pastor of East Rowan charge, gave in his resignation last Saturday. It is quite likely that Mr. Barringer will take the Mt. Pleasant charge, consisting of New Gilead and the new church at Mt. Pleasant.

A large number of our young people went on the excursion last week.

The eleventh annual Sunday school convention of Gold Hill township, Rowan county, met at Grace Reformed church Wednesday, August 5, at 10 a. m. It was largely attended and it is hoped that everybody present derived some good information therefrom.

While Miss Lillie Nussman was gone on the excursion last week, the school at Oak Grove was under the care of Miss Blanche D. Fisher.

Contract Signed Up.

Concord's progressive march is identified with all the business cities as among the most prosperous in North Carolina or the South. Every day some new building is started up and accordingly the city is rapidly striding forward. The new banking company signed up the contract with Capt. William Propst on Monday evening for the new bank building on the lot that Capt. Propst has just had cleared for the purpose. It is only a matter of a few days now until the masons will make the mud fly.

A Household Treasure.

D. W. Fuller, of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman, Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free at Fetzner's Drug store. Regular size 50c. and \$1.00.

Misses Alexander and McCannless Gone to Paris.

Miss Bettie V. Alexander, the accomplished artist who for several years has conducted the Marion Art school in this city, left Monday night for New York. She was joined at Salisbury by Miss Carrie McCannless and the two will sail for Paris tomorrow at 10 a. m. They will remain there for at least one year as pupils of the Julian Academy, one of the finest art institutions in the world. Miss Alexander's natural gifts and energy insure for her success in every department of her profession. Her numerous friends in this city wish for her a pleasant journey and sojourn across the deep and a safe return when her course is complete. Only a few of her most intimate friends know that she contemplated the trip and the announcement will doubtless be a great surprise to many.

The party of North Carolinians that will board the "St. Louis" tomorrow for the shores on the other side of the Atlantic consists of Miss Alexander, Miss McCannless and the Hon. Charles Price and wife, of Salisbury. Secretary Herbert, son and daughter will sail on the "St. Louis" also.

containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

The SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately constipated and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits; a thick, yellow appearance of the Skin and Eyes; a dry Cough, often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the LIVER, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

The following highly-esteemed persons attest to the virtues of SIMMONS' LIVER REGULATOR: Gen. W. S. Holt, Pres. Ga. S. W. R. R. Co.; Rev. J. R. Felder, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. Master-son, Esq., Sheriff Bibb Co., Ga.; J. A. Butts, Bainbridge, Ga.; Rev. J. W. Burke, Macon, Ga.; Virgil Powers, Supt. Ga. S. W. R. R.; Hon. Alexander H. Stephens.

We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, and none of them gave us more than temporary relief; the Regulator not only relieved, but cured us."—ED. Respectfully,
THOMAS EVANS.

Is there any reason for dodging and ignoring a great and vital fact simply because a few prejudiced, misguided people have antiquated ideas of what constitutes morality and modesty? Reason and honesty say—certainly not. Men and women are attracted to each other because they are men and women and because it is right and necessary that they should be so attracted. The things that make a man attractive are the characteristics caused by his inherent manliness—by the strength which makes him a perfect man. The same is true of woman. There is strong attractiveness in perfect health. There is fascination and magnetism in it. A woman cannot be entirely womanly—she cannot be a perfect woman—if she is not in perfect health. In just so much as her

sickness affects the organs that make her a woman, in just so much she loses attractiveness. This is the vital part of her health. If anything is wrong there, it may result in all manner of ills all over the body. Careless, or too busy, physicians frequently treat the symptoms of this kind of disorder as separate and distinct ailments. The symptoms are many and varied, so much so that when a woman is sick in any way, the first thought should be given to the organs distinctly feminine. About 9 times in 10 the cause of the trouble will be found there. Dr. Pierce's Favorite Prescription cures all disorders of this kind. There is no guesswork about it. There is no chance about it. It is a fact that has been demonstrated in 30 solid years of extensive practice. Thousands of women have written grateful letters, who have wished the whole world of women to know the wonderful things the "Prescription" has done for them.
