A BRUTAL ASSAULT.

Saturday Afternoon's Affair in the Northern Section of the City—The Negro Escapes.

About half past 5 o'clock Saturday afternoon Mrs. T. N. Brown, who lives in the Groyeton suburb, was brutally assaulted by an unknown negro. The assault occurred near the ice factory, and a telephone message to the police office was responded to by several officers. News of the affair spread quickly and a large crowd of people flocked to the scene to aid in the search for the negro.

Mrs. Brown is a young married woman. She was going to her home by a path that led through a field of corn. While going through this field, she was borne to the ground by a negro who sprang upon her back and clutched her throat. He choked her so that she could make no outcry, but in the fall his grasp around her throat was momentarily released, and she uttered a piercing shriek. Two men passing near ran in the direction and seeing a negro jump up and run off, they divined the situation and gave chase. They ran him for half a mile, but lost him near the Chinquepin Hill gold mine. Later the police and a large posse of men searched the neighborhood thoroughly, but could find no trace of the negro.

Mrs. Brown suffered greatly from nervous prostration, as well as from the wounds on her throat. The brutal hands of the negro left a mass of black bruises on her throat and shoulders. She says that she can identify the negro. He is about 20 years old, black, and was barefooted at the time of the assault.—Charlotte News.

BRYAN TO BE HERE.

He Will Speak from the Car Platform for Three Minutes.

Candidate William Jennings Bryan, in the race for the Presidency of these United States, is booked in the official itinerary of the speeches he will make in North Carolina, for a three minutes talk in Concord on Thursday morning, September 17th. He will arrive here from Charlotte about 10 o'clock.

Cabarrus will give him a great ovation. There is no doubt but that he will be here.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Diamonddale, Mich., we are permitted to make this extract: I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results. Trial bottles free at Fetzner's Drug Store. Regular size 50c and \$1.00.

Mining Property Sold.

Sheriff Sims sold at public auction Monday all that tract of mining property known as the Biggers mining tract, in No. 9 township, recently operated by the Nugget Gold Mining Company, consisting of 238 acres of land, a large quantity of personal and mining property for the sum of \$500, M. H. Caldwell doing the bidding. The execution was bought by Richard Eames, Jr.

BRYAN TO SPEAK.

Thousands of People Will Hear Him at Vance Park at 9 O'clock on the Morning of the 17th in Charlotte—Excursions From All Near-By Points.

Bryan is coming to Charlotte beyond a doubt.

The fact was definitely settled last night.

Maj. T. R. Robertson, chairman of the county Democratic executive committee, received a telegram from Chairman Manly which said: "Bryan will arrive in Charlotte at 11:30 on the night of the 16th, and will speak at 9 o'clock on the morning of the 17th."

Maj. Robertson, who, as chairman of the Democratic committee, is always on the alert, will begin this morning getting out posters and making arrangements for the great day—for great it will be. Thousands of visitors are expected here on the morning of the 17th. Excursion trains will be run from Greenville, and Columbia, S. C., Rutherfordton, Wadesboro and other points in a radius of 100 miles of Charlotte.

It will be such a day as will be remembered for years to come. The speaking will take place in Vance Park.

The band stand is to be moved and placed directly over the fountain, so that all may hear the famous orator—the man of presidential destiny.

Bryan is traveling in a special train and has the right of way over the broad land, whithersoever he chooses to go.

The details of entertainment have not been arranged yet, but as Maj. Robertson has the matter in hand nothing will be wanting to make Bryan's visit complete.

During his stay in the city, the future President will be the guest of Messrs. Eccles & Bryan, of the Buford Hotel. The bridal chamber and rooms en suite will be placed at his disposal.

The Fourth Regiment will be encamped at Dilworth at the time and Maj. Robertson will invite them to act as escort to the distinguished visitor. It is possible that Governor Carr will be here also on the 17th.

Charlotte will not have seen such a day since the centennial of '75.—Charlotte Observer.

A Welcome Visitor.

Rev. Jesse Page, so near and dear to our citizens, is in the city, the guest of Mr. and Mrs. W. G. Boshamer. He will remain for several days. He is now located at Aberdeen and enjoys the greatest of all blessings—splendid health. He looks well and says that he feels younger than he did many years ago.

Rev. Rose's Resignation Not Accepted.

A joint council meeting of St. Paul's and Bethel Lutheran churches, of the county, which charges are supplied by Rev. C. A. Rose, met here Saturday afternoon to consider Rev. Rose's resignation. The councils unanimously refused to accept the resignation and extended inducements for Rev. Rose to remain, pledging him an increased salary and leaving the whole matter in his hands. Rev. Rose has not yet decided whether he would accept the call to Virginia or remain here.—Salisbury World.

containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

The SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately constipated and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits; a thick, yellow appearance of the Skin and Eyes; a dry Cough, often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the LIVER, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

The following highly-esteemed persons attest to the virtues of SIMMONS' LIVER REGULATOR: Gen. W. S. Holt, Pres. Ga. S. W. R. Co.; Rev. J. R. Felder, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. Master, Esq., Sheriff Bibb Co., Ga.; J. A. Butts, Bainbridge, Ga.; Rev. J. W. Burke, Macon, Ga.; Virgil Powers, Supt. Ga. S. W. R. Co.; Hon. Alexander H. Stephens.

We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, and none of them gave us more than temporary relief; the Regulator not only relieved, but cured us.—ED. Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alternative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness yields to Electric Bitters. 50c and \$1.00 per bottle at Fetzner's Drug Store.

Dr. Miles' Pain Expeller is also warranted to stop Headache in 20 minutes. "One out a dose."
