### THE SOUTHERN SHAKES UP.

The Changes Bid Fair to Extend Over More Territory Than That Already Invaded.

As noted in Tuesday's World, Capt. C W Lee, who has been master mechanic here for several years, is succeeded by Mr. W H Hudson, of Atlanta, Ga., and Mr. Addacer, also of Atlanta, is made general yardmaster at this place.

A notice was posted at the shops yesterday that Mr. Hudson would take charge of the new shops at Spencer and the local shops tomorrow morning. Said a railroad man last night, who generally knows what he is talking about:

"This means that the shops here will be done away with, and I haven't any idea that they will be running two months from now." And it looks very much this way to us.

The master mechanic at Asheville has also been succeeded by a new man, a Mexican, we understand, who went on duty this week, and if what we hear is true there will be some more shaking done before the game is ended.

It is stated that Superintendent Wells is at the bottom of the business. It would be a severe blow to Salisbury to lose the shops now located here as a number of the employees would probably remove to Spencer should their work call them there.—Salisbury World.

### Mont Amena Oper.

The '96-97 session of Mont Amena Seminary opened today with a large and flattering attendance, and after a four month's vacation and rest, the young ladies will get down to hard study. The following delegation passed through Wednesday night, in which South Carolina was represented by a very large majority: Misses Maggie Muller, Hattie Boozer, Margarite Hunter, Julia Hentz, Cornelia Hentz, Zenith Layton, Jessie Layton, Ruth Copeland, Addie Jenny, Bessie Jenny, Mary Jane Hallman, Minnie Fellers, Elise Voss, Lola Haltiwanger, of South Carolina; Miss Belle Penland; Miss Minnie Kluttz, of Salisbury; Miss Hattie Goodman, of Mill Hill. Misses Ella Blume, Ida Blume, Ella Walter, Addie Patterson and Ola Deal, of this city, will leave Monday for that institution.

### A Card.

We wish to express to the members and friends of St. James church, our sincere appreciation of the warm and hearty reception given us in the lecture room last evening, and also for the many substantial evidences of their good will sent to the parsonage.

We prize these things for their value, but above all for the kindly sentiments they express. May God bless our union as pastor and people, make us mutually helpful and fruitful in faithful labors.

Very truly,  
CHAS. B. MILLER AND FAMILY.

### Concord Flour and Feed Store.

"Fenix Mill" flour, millfeed, bran, meal and chicken feed, kept at Lore building on West depot street and for sale by  
G G RICHMOND.

### Art School.

Mrs. Jennie Kluttz's Art School will open on September 14. Recommendations, etc., are in the hands of the principal of the graded schools.

### One White, Two Black.

Populists and Republicans are manipulating the political strings in a quiet but effective way. Canvases are held at some place within the city limits nightly. One white man, a Populist, and two negro Republicans held a secret midnight session during the first part of the week in a dilapidated house on West Depot street, half way between the square and the depot, but the success of the Populist in arranging matters for his own glory is not definitely known. It is believed, however, that the Populist's plans were treated with contempt, as indications are that fusion between the two parties is not probable. It is said that the Populist is heart-sick and sore, but will be in the race.

### Marvelous Results.

From a letter written by Rev. J. Gunderman, of Diamondale, Mich., we are permitted to make this extract: I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results. Trial bottles free at Fetzner's Drug Store. Regular size 50c and \$1.00.

### Cotton Outlook Worse Than Ever.

The outlook for the cotton crop is no more encouraging than it has been for the past several weeks. Reports from various sections of the cotton belt show that there has been little saving rain, and that even if the rain had come it would have done little good, for the sun had already done its fearful work. The crop of 1896 is fearfully short, and it is reported that the cotton will be but little more than the average crop.

The bears and future dealers are becoming alarmed, and it is predicted that the staple will bring 10 cents by November.

A slight advance is reported today, the price paid being 7.85.

ASK the recovered dyspeptics, bilious sufferers, victims of fever and ague, the mercurial diseased patient, how they recovered health, cheerful spirits and good appetite; they will tell you by taking SIMMONS' LIVER REGULATOR.

The Cheapest, Purest and Best Family Medicine in the World!

For DYSPEPSIA, CONSTIPATION, Jaundice, Bilious attacks, SICK HEADACHE, Colic, Depression of Spirits, SOUR STOMACH, Heartburn, etc. This unrivaled remedy is warranted not to contain a single particle of MERCURY, or any mineral substance, but is

PURELY VEGETABLE, containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

The SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately constipated and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits; a thick, yellow appearance of the Skin and Eyes; a dry Cough, often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the LIVER, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

The following highly-esteemed persons attest to the virtues of SIMMONS' LIVER REGULATOR: Gen. W. S. Holt, Pres. Ga. S. W. R. Co.; Rev. J. R. Felder, Perry Ga.; Col. E. K. Sparks, Albany, Ga.; C. Master son, Esq., Sheriff Bibb Co., Ga.; J. A. Butts, Bainbridge, Ga.; Rev. J. W. Burke, Macon, Ga.; Virgil Powers, Supt. Ga. S. W. R. Co.; Hon. Alexander H. Stephens. We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, and none of them gave us more than temporary relief; the Regulator not only relieved, but cured us.—ED. TELEGRAPH AND MESSENGER, MACON, GA.

MANUFACTURED ONLY BY  
J. C. SIMMONS & CO., Philadelphia, Pa.

Headache and Nervousness cured by Dr. Miles' Pain Pills. "One cent a dose."

### The Zouaves.

The Anthony Drum Corps of the Fourth North Carolina Regiment, left Wednesday evening for Statesville, from where the companies of the Regiment will march to Charlotte.

The boys were dressed in the Zouave costume and gave a fancy drill on the square before leaving.

As the boys were forming in line to march to the depot, the clever druggist, Dr. M L Marsh treated them to iced drinks and Mr. R O Montgomery paid his respects with a round of cigars.

The following young men compose the corps: R L Kessler, Q E Smith, G B Caldwell, Ed Moss, W W Morris, Jay Sims, Hope Barrier, George Murr, Ed Murr, Kiah Murr, Joe Hill, Richmond Reed, and Y C Caldwell. Three servants accompanied the boys.

Parties coming in from Salisbury say the Zouaves gave a fancy drill on the square in that place Wednesday night.
