## HIGH WATER MARK.

Five Hundred and Four Students in All Departments at the University.

CHAPEL HILL, N. C., Sept. 11.—The high water mark of attendance has been reached this week at the University. The first week closes with a total attendance of 504 in all departments. These are distributed as follows: Collegiate department 280, law 45, medicine 26, summer school 153. This means, if the experience of the past is carried out, a total enrollment of 600. The Freshman class numbers thus far one hundred men.

The week has been an interesting one at Chapel Hill. Dr. Alderman made his formal opening address to the students on Tuesday in the presence of a large gathering, outlining the policy of the University and his own policy to the young men. The speech was received with great enthusiasm by the young men and partly as a result of it all the old classes of the University have voluntarily adopted resolutions prohibiting hazing, thus co-operating with the faculty in the first principles of self government. The new administration starts off with all the departments in thorough harmony. All the student organizations are forming and the great school is thoroughly started on its year's work. Commons Hall with arrangements for boarding one hundred or more opens with tea next Monday night. It is one of the best equipped dining rooms in the State. Both this and the kitchen are due to the beneficence of Mrs. Frederick Baker, of New York. It is a great boon to all students. Five new men of talent in their departments have been added to the teaching force, an instructor each in Latin, modern languages, English, history and scientific physical culture. While the last does not count on a course yet Mr. Mechling comes to the State thoroughly equipped to make intelligent physical culture practical, pleasant and profitable. The Young Men's Christian Association gives its annual reception to the new students with refreshments and short talks, music, etc., on Friday night in Commons Hall.

## TO HEAR BRYAN.

A Special Train Will Probably Be Run From This Point to Charlotte Thursday Next.

THE STANDARD learns on reliable authority that the Southern Railway Company will probably run a special train from this point to Charlotte on Thursday next, when Candidate William Jennings Bryan will speak there. If Concord and Cabarrus will furnish 200 passengers the railroad company will accommodate them. One first class fare, 70 cents, will be charged for the round trip. The special will leave the station early in the morning in time to land them in Charlotte for the speaking.

## Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness yields to Electric Bitters. 50c and \$1.00 per bottle at Fetzler's Drug Store.

## WATSON AND GUTHRIE HERE

The gubernatorial candidates are discussing the issues jointly—A Good Attendance—Watson Will Speak Tonight.

According to date previously announced, Hon. Cyrus B Watson and Major Wm. Guthrie are here discussing jointly the issues of the day. The hour of speaking being so late, we are unable to give a synopsis today, but will furnish it to our readers in Monday's daily. There are several hundred countrymen in attendance. Many of the farmers are hindered from turning out on account of the busy season. Mr. Watson, the Democratic nominee, will speak at the court house at 8 o'clock tonight. Everybody is respectfully invited to hear him.

containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels. The SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Howels alternately costive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits; a thick, yellow appearance of the Skin and Eyes; a dry Cough, often mistaken for Consumption. Sometimes many of these symptoms attend the disease, at others very few; but the LIVER, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

The following highly-esteemed persons attest to the virtues of SIMMONS' LIVER REGULATOR: Gen. W. S. Holt, Pres. Ga. S. W. R. R. Co.; Rev. J. R. Felder, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. Masterson, Esq., Sheriff Bibb Co., Ga.; J. A. Burns, Bainbridge, Ga.; Rev. J. W. Burke, Macon, Ga.; Virgil Powers, Supt. Ga. S. W. R. R.; Hon. Alexander H. Stephens. We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, and none of them gave us more than temporary relief; the Regulator not only relieved, but cured us.—Ed.
