GRADED SCHOOLS START.

The Enrollment at the Central Building Numbered 318—Forest Hill Will Begin Wednesday.

The city graded school opened up this morning with a most favorable start.

The enrollment at the central building, which includes those coming up from Cannonville and the heart of the city, numbers 318, which is more than the total enrollment at the opening last fall, including Forest Hill.

Superintendent Sainn is very much encouraged by the presence of so many pupils this morning, and he will endeavor to make the school one of the most profitable and successful ones ever taught in this city. The Forest Hill school will not open till Wednesday morning.

The day was taken up in the grading and classifying the pupils. Work will begin in earnest tomorrow morning.

The Henry Kendall School.

Miss Laura Parish, of this city, who left several weeks ago for Muskogee, Indian Territory, to teach in the Henry Kendall College, has charge of the primary department of that institution. There is a corps of twelve teachers, and the college is second to none in the territory. A short history of the institution is clipped from the Daily News, of Muskogee:

"The college bears the name of Henry Kendall in honor of the grand old hero of home missions, Henry Kendall, D. D. Dr. Kendall was of English origin, which, with the rigorous discipline of a farm life, gave him the stalwart manhood that carried him on so firmly through nearly a half century of continuous and exhaustive labor.

"In 1840 he graduated from Hamilton College and from Auburn Theological Seminary in 1844. For a number of years he labored successfully in the pastorate. During the fall of 1861 Dr. Kendall entered upon the duties as secretary of the Board of Home Missions, which position he filled for thirty years in a masterly manner. Until his death Dr. Kendall manifested a lively interest in Indian Territory, and it is a fitting tribute to his memory that this first Presbyterian College should bear the name of Henry Kendall."

Our Next Congressman Here.

Hon. Samuel J. Pemberton, of Albemarle, the Democratic nominee for Congress from this district, was in the city, his visit here being purely business. He told a STANDARD reporter that the outlook for his success was quite satisfactory and that while the race might be close, he feels sure of his election over Congressman Shuford. Arrangements have not yet been completed for his canvassing tour over the district, but he will be around in good time.

Sam Pemberton should be our next Congressman, and Cabarrus will unquestionably do her part towards sending him to Washington.

DR. PRESTON DEAD.

A Good and Much Beloved Minister Dies While Away from His Home.

Rev. Dr. John A. Preston, pastor of the First Presbyterian church of Charlotte and one of the most able divines in the Presbyterian church, died at 6 o'clock Sunday evening at Blacksburg, Va.

Several months ago this congregation, one of the largest in this whole section, gave Dr. Preston a leave of absence for a month's vacation. He went to Virginia and was taken with typhoid fever, from the effects of which his precious and useful life rapidly wore away until now he is cold in death.

Dr. Preston has a number of close friends in this city and county who will learn with sorrow and sadness of this dispensation of Him who doeth all things well.

Col. Carr to Be in Charge.

Col. Julian S. Carr will have the control and direction of President Bryan during his itinerary through North Carolina, meeting Mr. Bryan at Knoxville, Tenn. Mr. Clement Manly, recalling the very successful "whirl" which Mr. Carr gave Vice President Stevenson on the occasion of his tour through North Carolina some four years ago, has prevailed upon him to undertake a like duty in behalf of our next President, so that our worthy townsman will be master of ceremonies on the greatest occasion North Carolina has seen since the war. Look out boys! He'll do it big.—Durham Sun.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Diamondale, Mich., we are permitted to make this extract: I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results. Trial bottles free at Fetzler's Drug Store. Regular size 50c and \$1.00.

Congregation Extends a Call.

At a congregational meeting of Holy Trinity Evangelical Lutheran church at Mt. Pleasant Sunday afternoon, Rev. Dr. L. A. Maun, of Mercersburg, Penn., was unanimously called to take charge of the pastorate of the Mt. Pleasant, Albemarle and Prosperity churches. The meeting was harmonious and there was not a dissenting vote. Dr. Maun is said to be an able divine.

Mr. Rendleman Takes the Stump.

Mr. Jno. L. Rendleman, who recently joined the Republican party, will take the stump. He has received an invitation to speak in Davie county and has accepted the invitation. It is also probable that he will make several speeches in Rowan.—Salisbury World.

My! My! Jno. L., who'd a "thank" it?

Arm Torn Up in a Cotton Gin.

Bob Biggers, a young white man of No. 10 township, who was employed at Dulin's cotton gin, in Mecklenburg county, met with a serious accident Saturday while feeding the gin. In some way his left arm was caught in the machinery and badly lacerated, and the fingers on his right hand were all broken. Dr. Black says it is doubtful if the arm can be saved, and if it is, Mr. Biggers will be disqualified for life.
