## AN HISTORIC RELIC.

Brought Out by Dr. Blacknall on the Occasion of Mr. Bryan's Visit.

When Mr. Bryan was in Raleigh, just before returning to the train, a waiter was observed moving towards the Union depot with a long slender bottle, three feet in length and filled with liquid. Accompanying it was a very elongated tumbler, at least a foot in height and with a possible capacity of two quarts.

A closer inspection revealed the fact that it was the four gallon George Washington bottle owned by our good friend, Dr. G. W. Blacknall.

The Press-Visitor ran across this letter which explains what followed: Col. J. S. Carr.—

MY DEAR SIR: I beg that you present with my compliments and best wishes this bottle of native Concord wine to the Hon. William J. Bryan, our next President. Both bottle and tumbler are unique old family relics and have not been used on a State occasion since the visit of Sir Walter Raleigh to the city years ago, as nothing before was thought of sufficient importance to call them out.

With my good wishes both for the President and yourself, believe me, Very truly,  
G. W. BLACKNALL,

## Capt Patterson's Narrow Escape.

Wednesday afternoon while Capt. Ed M. Patterson was doing some shifting at the Odell Mills he met with an accident that came near resulting in a fatality. He was on the top of a box car, and while watching some person in the street, his head came in contact with an electric light wire that crossed the road. The wire struck Mr. Patterson just above the left eye, cutting a severe gash and at the same time tripping him, knocking him unconscious for a few moments. Dr. Robert S. Young was called and it was not long until restoratives were applied that brought him to. After being patched up he was alright and went his way rejoicing that the accident was not near so bad as it might have been. He is doing very well today, we learn.

## Sheriff Sims Declines.

Sheriff John A. Sims on Wednesday sent to the Executive committee of the Populist party of Cabarrus county a formal declination of the nomination for State Senator from Cabarrus and Stanly counties, which was tendered him on Saturday last. Sheriff Sims did not state what his future course would be, but reasons known best to himself were sufficient to justify him in this action.

The object of the meeting was to organize the Democracy into clubs throughout the county and the following was adopted:

## The Discovery Saved His Life.

Mr. G. Cailoutte, Druggist, at Beaverville, Ill., says: To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or horse without it. Get a free trial at Fetzer's Drug Store.
