## SOFT NOTES WERE HEARD.

The recent marriage at Coddle Creek which united Miss Alice Nesbit to Mr. John L. Neikirk a Virginian.

While the soft notes of the organ were heard in the parlor, with the keys under the touch of Miss Julia Stirewalt, the bride and groom were gathered in, preceded by her maids of honor, the Misses Loula Mellon, Francis Smith, Bessie Grierson and Jennie Neel, the bride and groom took their place under the floral veil. The bride in addition to rare personal attraction was stylishly dressed and held in her hand a beautiful bouquet of Malmaison roses and maiden ferns.

The Rev. W Y Love, her pastor, assisted by Rev. Dr. Pressly, in beautiful, appropriate and impressive words expressed the character and mutual duties of each of them, and imposed the obligations which made them husband and wife. The bridal presents were numerous, nice and useful.

The ceremonies over, the bride and groom, his brother and a friend left for Mooresville and took the train for Taylorsville, where the groom left his vehicles. The next morning they proceeded their way for 60 miles through the grand scenery of the mountains and spent a second night. In the morning before noon they were met by a number of ladies and gentlemen from the vicinity of their home in Grayson county, Va., at the mouth of Wilson creek only 16 miles from the North Carolina line. There Mrs. Alice Neikirk met with a cordial and hearty reception.

## A Statement Corrected.

Last week THE STANDARD clipped a Burlington special to the Raleigh News and Observer, declaring that the Messrs. Holt, of Alamance, would support Bryan, and in turn Mr. W R Odell sent Mr. Holt a copy of our paper and a letter, asking if the statement was correct. The following is a reply:

Burlington, N. C., Oct. 16, '96  
MR. W. R. ODELL, Concord, N. C.

DEAR SIR: Yours of the 16th to hand. I am not going to vote for Mr. Bryan, neither is my father. I have always been a Democrat and will vote all the ticket they have left me to vote in the State and my county ticket, but no fusion part; and will vote the National Democratic ticket for Palmer and Buckner. This is the only straight Democratic ticket I find in the State to vote and that is the one I am going to vote. Please have your local paper to correct the statement. After the speech made here a few nights ago by Buck Kitchen advocating the destruction of railroad property if the government did not confiscate them, I am more determined to act as above stated.

Yours truly,  
E. C. HOLT."

## Made the Furr Fly.

Sunday afternoon two little boys giving their names as Furr, who lives some distance above town, were walking through a thicket on their father's place and unexpectedly brushed up against a large hornets' nest. The boys were badly stung. It is needless to say that the hornets' made the Furr fly.

## DIED AT SCHOOL.

A Young Cabarrusite Died Saturday at Trinity High School—Remains Interred Sunday at Cold Springs.

Just four weeks ago Mr. A L Sawyer, a bright young man of this county, who lived with his grandmother, Mrs. Margaret Heglar, in No. 9 township, left for Trinity High School, where he entered as a student, full of that ambition that generally accompanies a young man to the school room—determined for an education. His happy anticipations of acquirement of knowledge in this world were blighted. He was there only a few days until he fell a victim to typhoid fever, and on Saturday last his spirit fled and his body was left still and cold in death. His brother, Mr. Henry Sawyer, of New London, was with him at the time of his death. His remains were brought to the home of Dr. B L Griffin in this city Saturday night and on Sunday they were conveyed to Cold Springs (Methodist) church, where they were interred, Rev. M D Giles conducting the funeral.

Mr. Sawyer was just 21 years of age and was a good, earnest, Christian. Messrs. Marsh and Craven, two fellow students, accompanied the corpse to its last resting place.

## Klutz Saturday Night.

Hon. Theo. F Klutz spoke at the court house Saturday night to a large and enthusiastic audience of attentive listeners. He handled the issues so smoothly and was so eloquent that his bitterest enemy could not help but praise him. He is a magnetic speaker and his arguments fell with force upon the ears of his hearers. Among many other things Mr. Klutz said that we couldn't get everything we want in this world and the best thing for all to do was to vote the Democratic ticket straight through and not to scratch unless we wanted to elect McKinley as our president and Daniel Russell as our governor. And no worse calamity could befall us than to elect the latter gentleman.

## Mr. Mack Stafford Paralyzed.

Sunday about 12 o'clock Mr. S. Mack Stafford, at Harrisburg, suffered a stroke of paralysis, affecting his entire right side. Mr. Stafford and his wife were at home, enjoying the rest that the Sabbath brings, while the children were attending service at Rocky River Church. Mrs. Stafford was sitting on a chair and Mr. Stafford occupied a position on the floor at her feet, and when he attempted to rise he toppled over. It was some time before a physician could reach him, and it was several hours after Dr. Grier had arrived before Mr. Stafford was able to talk. Mr. Stafford's condition is considered quite critical, but it is believed that he will recover.

## They Say He Must Come Down.

The Republicans say that about Mr. Stricker, who claimed the nomination and declared his intention to run on the Republican ticket for sheriff of Cabarrus county. A conference among the Republican party leaders was held today, and it is thought that matters will be admirably fixed up, which will bring the Stricker and Buchanan factions together. Mr. Stricker told a STANDARD reporter that if the opposing faction would come to his terms (his he didn't care to make public) he would withdraw from the race and throw his influence to the support of Buchanan.

## The Ideal Panacea.

James L. Francis, Alderman, Chicago says: I regard Dr. King's New Discovery as an Ideal Panacea for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physicians' prescriptions or other preparations.

Rev. John Burgess, Keokuk, Iowa, writes: I have been a minister of the Methodist Episcopal church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery. Try this Ideal Cough Remedy now. Trial Bottles free at Feszer's Drug Store.

## Listen at Jacob.

Says the Davie Times:

"John Rendlemen, of Salisbury, a recent flopper from the Democratic party to the Republican party, made one of the usual stereotyped misrepresenting and misleading Republican speeches here on last Monday at the close of Col. Boyd's speech in which he said that 'old Rowan would be found in the Republican column this year.' This shows that Mr. Rendlemen is a false prophet and that he is preaching false doctrine."

The Salisbury World has been authorized to offer bets of two to one in any amounts from \$50 to \$2,500 that Rowan will go Democratic.

## It May Do as Much for You.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called kidney cures but without any good result. About a year ago he began use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure all kidney and liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00 at Fetzler's Drug Store.

## Gone Home to Recuperate.

For some time past Rev. A K Pool was been unwell, and last week it was necessary for him to cease his labors for awhile—until he is fully able to carry on his ministerial work, his throat being badly affected. Mr. Pool has gone to his home in Moore county where he will remain until he is better.

Dr. Miles' Pain Pills cure Neuralgia.

When two Chinese men meet, their way of saying "How do you do?" is "How are your bowels?" It amounts to the same thing. If the bowels are in good condition the rest of the system is pretty sure to be all right. But when they are constipated, it has a half paralyzing effect on the rest of the body—and the mind too. Headaches, dyspepsia, biliousness, nervousness, poor sleep, weakness, heart palpitation and gloomy spirits, all come from constipation. And that isn't the worst of it: It lays your system open to all sorts of serious and dangerous illness.

It isn't safe to neglect constipation and it isn't safe to use dangerous wrenching cathartics, to overcome it, either. They leave you worse off than before. What is needed is a mild natural laxative like Dr. Pierce's Pleasant Pellets. They act surely but without any violence. They regulate and strengthen the intestines to do their own work. When the "Pleasant Pellets" cure you, you are cured. You don't become a slave to their use. Take care the druggist doesn't give you something else he calls "just as good." It may be for him, but how about you?

You might learn a thousand valuable lessons about preserving your health by reading Dr. Pierce's Common Sense Medical Adviser. It is a grand book and the present edition is absolutely free to all who send 21 one-cent stamps to cover cost of mailing only. It contains 1000 pages and over 300 engravings. 680,000 cloth-bound copies have been sold at \$1.50 each. This free edition is in strong manilla paper covers, otherwise it is just the same. Address World's Dispensary Medical Association, Buffalo, N. Y.

## The Morgan & Wright Guarantee

The guarantee of the "good tires" is broad enough to cover almost any kind of ailments and to satisfy the most exacting rider, but the line must be drawn somewhere, and Morgan & Wright are trying to make it known to riders everywhere that the guarantee does not cover damages resulting from the carrying of anti-leak preparations inside the tire. By having as much air as possible in the M. & W. quick-repair tire before putting the tool into the puncture, and following the few other simple instructions in the catalogue, a permanent repair can be made in two minutes, at the roadside, without removing the tire from the rim.

Dr. Miles' Pain Pills are guaranteed to stop Headache in 20 minutes. "One cent a dose."
