SHORT LOCALS.

How heavy was the frost this morning?

The forecast calls for clear and warmer weather.

It is said that the chestnut crop is short this year.

The next thing to do is to vote, now that registration is through with.

Mr. J P Query is clerking at G W Patterson's while Treasurer G Ed. Kestler is stumping the county.

Two weeks from tomorrow until we will know how large Bryan's majority will be over McKinley.

Rev. H A McCullough is quite sick at the home of Mr. MC Walter, on West Depot street. Mrs. Walter, who is also sick, is somewhat better.

On Saturday last Mrs. Ed. Fisher received a check for \$2,000, the life insurance of her husband, who was a member of the Knights of Honor.

Sell Brothers' circus will be in Charlotte on Saturday, October 21. A bill-poster was here today placing lithographs in many of the store windows.

Mr. R A Dodd, the horse drover, arrived in the city today with a big drove of horses and mules that will be sold at auction at Corl's stables on Wednesday.

Tomorrow is the wedding day of Mr. Robert Erwin, of Charlotte, to Miss Eunice Caldwell, daughter of Mr. J Elam Caldwell, of Harrisburg. It will be a quiet affair.

The young man Sides, whose skull was crushed by a horse kicking him, and who was brought to town and thought to be improving, is not doing so well today. His condition is critical.

Sunday at Centre Grove Lutheran church the regular fall communion service was held at 11 o'clock a. m. The pastor, Rev. J Q Wertz, was assisted by Rev. M G G Scherer, president of North Carolina College. In the afternoon Children's Day exercises were held and a collection taken for the cause of missionary work in foreign fields. Several were in attendance from this city.

Look at K L Craven's coal ad.

Lowe & Dick are selling underwear and shoes at remarkably low prices. See their advertisement.

At his home Saturday night, Rev. J R Mose united in matrimony Mr. John R Gourley and Miss Lillie Crowell, both of Cannonville.

The candidates began the regular county canvass today at Rocky River, in No. 1 township. Tomorrow they will go to Poplar Tent. Lively times will be had for the next two weeks, while on their rounds.

A farmer told a STANDARD reporter it was as hard work to keep the colored laborer at work now as it would be to do the work himself. He has suspended work on his farm until after the election.

Rev. W M Robbins, who has been spending several weeks in this city, preached a powerful sermon at Forest Hill Methodist church Sunday night. We have heard many complimentary things said about it.

Between disease and the many cheap preparations which are palmed off under the name of blood purifiers, take your chances with disease, until you can procure Ayer's Sarsaparilla—the only reliable blood purifier. Sold by all druggists and dealers in medicine.

A missionary festival was held at St. John's Evangelical Lutheran church Sunday night under the auspices of the Woman's Home and Foreign Missionary Society. The members rendered an interesting programme and a collection was taken for the cause.

The remarkable number of cures of gout and rheumatism which have followed the use of Ayer's Sarsaparilla, point conclusively to the fact that this remedy comes nearer being the specific for complaints of this nature than any other medicine in pharmacy.

There is no telling what the little cigarette can do when it gets a fair show. A Williamsport, Pa., boy has just been sent to the penitentiary for rifling letters, his stealing propensity being caused by excessive indulgence in cigarette smoking.

There are 100 day pupils at the Newell High School, and 56 boarders. A new dormitory is to be built, as more room is needed. A military company will be organized this week amongst the students. The school is prospering beyond the greatest expectations of the Newellites.—Charlotte Observer.

It is common for schools to advertise for more pupils, but somewhat unusual to advertise that no more are desired. However Mr. Thompson informs us that the Concord High School is full, and that no more can be received unless under exceptional circumstances.

Mr. Henry Græber and daughter, Miss Lottie Græber, were among the many from Rowan county that were in the city today. Mr. Græber told a STANDARD reporter that some thought Rowan would go Republican this year, but that he did not think that way. He also expressed hope and good wishes for Cabarrus.

The Passing Hour.

Many an individual who pulls through a severe illness owes more to the nurse than to the doctor, save in the point of money.

Voice culture is the fad of society women, who realize that in speaking they lose much of the charm that they otherwise possess.

It may be news to flower-lovers that they can protect plants from frost by means of a piece of mosquito netting thrown over them.

Dr. Miles' Pills are guaranteed to cure Headache in 20 minutes. One cent a dose.

R & G

The Best Corset on the Market, Sold by
OLD MERCANTILE CO.

Eighteen months ago we placed in our store the line of R. & G. Corsets and advertised them. The consequence was we sold them because they were the best. The R. & G. has been on the market for a number of years, and there has been a number of merchants in Concord for several years, but they did not and would not handle the R. & G. Corset today but for the fact that they try to imitate our line of goods, and the profit on this line of goods is smaller than on other lines of corsets. We would not mention the above if it was not a grand advertisement for us. They acknowledge that we are the leaders in the best goods on the market, and hope the public will fully appreciate the facts set forth and buy our line of corsets in preference to the people who were forced to handle them.

We Have in Stock now the

R & G at 50c., 75c., \$1 and \$1.50, prices guaranteed.

Please remember that we are striving to give the public the best service we possibly can. We do not imitate anybody, and if there is anything good to be had on the market we furnish it to the trade. We do not try to sell the good people of this town an inferior article because there is more money in it if we give the best.

NOT LIKE OTHERS

There is a difference between medicines and medicines. Those of to-day, as a rule, differ from those of the past in many respects. Fully as great is the difference between Dr. King's

ROYAL GERMETUER

and the ordinary medicines of to-day. It is unlike them in

THESE FIVE THINGS:

1. It does not taste like a medicine. It is as pleasant to take as lemonade and makes a most refreshing drink.
2. It never nauseates the most delicate stomach.
3. It does not swap off one disease for another. It does not set up one form of disease in order to relieve another as is so often the case.
4. It contains no alcohol or opium in any form and is always harmless even when given to a babe one day old.
5. It does not patch simply, it cures. It reaches as nothing else does to the hidden sources of disease in the blood and removes the cause. It does this with an ease and power that have never been equaled.

For all troubles of the Blood, Stomach, Bowels, Kidneys and Nerves, and for all forms of MALARIAL POISON it stands pre-eminent—without a rival or a peer.
