A good recommendation for Simmons Liver Regulator is, that it is purely vegetable and strongly tonic. Then too, it is better than pills because easier to take in liquid or powder and with no griping, while the relief from Constipation, Biliousness, Sick Headache and Dyspepsia is quick and sure. "I find Simmons' Liver Regulator a very safe and valuable family medicine."
 —Rev. J. M. Rollins, Fairfield, Va.

The remarkable number of cures of gout and rheumatism which have followed the use of Ayer's Sarsaparilla, point conclusively to the fact that this remedy comes nearer being the specific for complaints of this nature than any other medicine in pharmacy.

In conversation with parties from Fayetteville. THE STANDARD learns that Mr. J. Richard Boyd, son of Mr. W. C. Boyd of this city, is one of the most popular in that section of the State. A man who knows "Dick," and who recently visited Fayetteville said: "If a vote was taken for the most popular young man in that town, Dick Boyd would certainly win the distinction. Everybody likes him." That goes to show that "Dick" is as popular there as he is here at his old home.

NOT LIKE OTHERS

There is a difference between medi-
 cines and medicines.
 Those of to-day, as a rule, differ from
 those of the past in many respects.
 Fully as great is the difference be-
 tween Dr. King's

ROYAL GERMETUER

and the ordinary medicines of to-day.
 It is unlike them in

THESE FIVE THINGS:

1. It does not taste like a medi-
 cine. It is as pleasant to take as
 lemonade and makes a most refreshing
 drink.
2. It never nauseates the most
 delicate stomach.
3. It does not swap off one d's-
 ease for another. It does not set up
 one form of disease in order to relieve
 another as is so often the case.
4. It contains no alcohol or
 opium in any form and is always
 harmless even when given to a babe
 one day old.
5. It does not patch simply, it
 cures. It reaches as nothing else
 does to the hidden sources of disease
 in the blood and removes the cause. It
 does this with an ease and power that
 have never been equaled.

For all troubles of the Blood, Stomach,
 Bowels, Kidneys and Nerves, and for all forms
 of MALARIAL POISON it stands pre-eminent—
 without a rival or a peer.
