MAJOR GUTHRIE'S RINGING ADDRESS.

Calls Upon Populists to Be Patriots—Warns Them Against Being Deceived and Slaughtered—Stand Up for Principle Instead of Pie.

To the People's Party Voters of North Carolina:

Will you now on the eve of the election desert your party flag and the principles you profess to love? Will you be allured into the camp of Mark Hanna and politically slaughtered? I refuse to believe it, and will not be convinced to the contrary until your votes shall be counted and returned. Will you take the earnest advice and listen to this last appeal of him whom you honored with your confidence at our last State convention by nominating me as your choice for the office of Governor? Will you fail to vote for each and every elector on the Bryan Presidential ticket? Will you vote for a gold bug to represent you in the next Congress of the United States? Will you throw away your votes for Congressman upon Populist "decoys" in the 5th and 9th Congressional Districts, and thereby help to elect gold bugs instead of free silver Congressman? Will you vote for members of the General Assembly pledged to support Senator Pritchard or any other

gold bug Republican for a seat in the Senate of the United States? These are questions of vital importance to us as a political party which you can only answer with your ballot and your personal influence.

I beg, I beseech, I implore you, as you love your party and the principles you confess, and which we have taught the people are based upon the sound principles of patriotic constitutional government stand in this crisis by the principles and teachings of the People's Party, or else prepare yourselves to see your party go to pieces and become a by-word and a reproach among men.

Have you forgotten so soon the principle laid down at our State Convention only two years ago relating to a non-partisan judiciary? Are you mindful of the fact that if you vote for Col. Douglas for a Supreme Court Judge you will do so in direct violation of that principle and give to the Republican Party three members out of five of the Supreme Court Justices? Will you do it? If by your votes you elect Col. Douglas, a Republican, instead of Hon. A. C. Avery, the sitting member of the Supreme Court, then, let every People's Party man in North Carolina hang his head in shame and never again advocate a non-partisan Judiciary?

There is only one Superior Court Judge to be voted for at this election, and that is to fill a vacancy in the Fifth Judicial District where I myself reside. No People's Party lawyer has been nominated for that office. I know Mr. Manning to be a learned lawyer of many years practice, and a gentleman of integrity and high personal character. His opponent is the Republican Clerk of Caswell County. Unless you are prepared to renounce the wholesome principle of a non-partisan Judiciary, I ask you to vote for Mr. Manning and see to it that his name is on your ticket, or if not, scratch Mr. Spencer Adams and put it there. Let me caution you to be careful to read the names on your tickets before they are put into the ballot boxes.

My Peoples' Party friends, think on these things, and before it is too late to ask yourselves the question what is the right thing for me to do? Then knowing what is right, have the manhood to go to the polls next Tuesday and do the right thing honestly and fearlessly. I beg to assure you that as to my personal candidacy for Governor, it gives me little concern what the result as to my own election or defeat may be; but the future status of the Peoples' Party in North Carolina, and the right decision of the vital questions of governmental policy, State and National, involved in this political contest cause me the deepest anxiety. As you love your country, your neighbors, your families and your dearest interests, and would restore prosperity and happiness to the whole people, show yourselves as patriotic at the polls next Tuesday as all true Populists have heretofore professed to be. Let us show to the world that we are not a gang of professional office seekers, but a band of political patriots moved by action, by love of country and a proper conception of the duties and responsibilities as well as the privileges of American citizenship. Holy writ and human experience, both alike, teach us that "A tree is known by its fruits," and, "A man's acts speak louder than words." Let us prove our political faith by our political acts.

WILLIAM A. GUTHRIE.
Durham, N. C., Oct. 27th, '96.

For Over Fifty Years

Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Sold by druggists in every part of the world, Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

Dr. Miles' Pain-Expeller is guaranteed to cure Headache in 20 minutes. "One cent a dose."

It is more than probable if not quite apparent to Maj. Guthrie as to every candid thinker that the gubernatorial race is between Mr. C. B. Watson and Mr. Daniel Russell. For reasons satisfactory to himself and polite enough in the interests of the party, he does not withdraw from the campaign but appeals most eloquently for all adherents to the free coinage of silver to cast their ballots for men committed to the cause and those only. It is not hard to read between the lines that Mr. Guthrie would gladly see Populists vote for Mr. Watson rather than take great risks for the election of Mr. Russell.

Fifty Years Ago.

This is the stamp that the letter bore which carried the story far and wide, of certain cure for the loathsome sore that bubbled up from the tainted tide of the blood below. And 'twas Ayer's name and his sarsaparilla, that all now know, that was just beginning its fight of fame with its cures of 50 years ago.

Ayer's Sarsaparilla

is the original sarsaparilla. It has behind it a record for cures unequalled by any blood purifying compound. It is the only sarsaparilla honored by a medal at the World's Fair of 1893. Others imitate the remedy; they can't imitate the record:

50 Years of Cures.
