### OUT OF DANGER.

A. C. Avery, Jr., is Improving To-  
 day.

Latest accounts from Morganton  
 say that young Avery, who was so  
 dangerously cut by negroes last  
 Thursday night, is much better,  
 and that the principal danger now  
 is from peritonitis. Mr. Avery is  
 bright and cheerful, and is in a  
 hopeful frame of mind. His assail-  
 ants have been captured and are in  
 jail at Charlotte, where they were  
 sent for safe-keeping, till the spring  
 term of court. The people of Mor-  
 ganton are justly indignant, and  
 there would probably have been a  
 lynching if the negroes had not been  
 hurried off to Charlotte.

Why is it that one man is old  
 and decrepit at 45 and another  
 hale and hearty at 80? It depends  
 on the care he takes of himself.  
 Often a man's body gets out of re-  
 pair—the trouble grows until it lays  
 him out in bed. Whenever a man  
 feels that he is not as well as he  
 ought to be, whenever he is listless,  
 without energy and without vital-  
 ity, whenever he finds that he is  
 losing weight and that his ordinary  
 work gives him undue fatigue, he  
 needs Dr. Pierce's Golden Medical  
 Discovery. If he keeps on working  
 with his liver inactive and his  
 blood impure—he keeps his nerves  
 and his body under a constant ner-  
 vous strain. He will not be hearty  
 when he is old. The "Golden Medi-  
 cal Discovery" cures many so called  
 diseases because nearly all illness  
 springs from the same thing—bad  
 digestion and consequent impure  
 blood. The "Discovery" makes the  
 appetite good, the digestion strong,  
 assimilation easy, and the blood  
 rich and pure.

#### A Disappointed McKinleyite.

A negro farmer was selling his  
 cotton on the wharf this week  
 when the following conversation en-  
 sued:

"Say, boss, I've got a bale of cot-  
 ton out here, what you gimme for  
 it?"

"Is it good cotton, Jake?"

"Yes boss, nice cotton, no trash  
 in it."

"Well, we will give 7-1-8 for it  
 today."

"Look here, boss, I thought yo's  
 gwine to give me 10 cents for cotton  
 if we lected Mr. Kinley."

"Well, Mr. McKinley has not  
 taken charge yet."

"Well, boss, yo's gwine to gim me  
 gold, ain't yer?"

"No, Jake, we will have to pay  
 you in goods or silver."

"Why, look here boss, I thought  
 you was gwine to give us gold for  
 cotton of we lected Mr. Kinley."

"That is so, but remember Mr.  
 McKinley is not in power yet."

"Well boss, what you ax fer flour  
 today?"

"Well, flour is rising very rapidly,  
 but we sell it at \$3 today."

"Jerusalem! boss, fore we lected  
 Mistah Kinley we could buy flour  
 for \$2, and git 8 cents fer cotton."

"Well, the cause of that is there  
 is a heavy demand for our wheat in  
 Europe, and most of the American  
 mills have a supply of cotton off  
 hand."

"Well, I don't keer nothin' about  
 dat, boss, but ef dat is de boss Mr.  
 Kinley can do, next time I shall  
 vote fer Mistah Brine."

#### Marvelous Results.

From a letter written by Rev. J.  
 Gunderman, of Diamonddale, Mich.,  
 we are permitted to make this ex-  
 tract: I have no hesitation in re-  
 commending Dr. King's New Dis-  
 covery, as the results were almost  
 marvelous in the case of my wife.  
 While I was pastor of the Baptist  
 church at Rives Junction she was  
 brought down with pneumonia  
 succeeding La Grippe. Terrible  
 paroxysms of coughing would last  
 hours with little interruption and it  
 seemed as if she could not survive  
 them. A friend recommended Dr.  
 King's New Discovery; it was quick  
 in its work and highly satisfactory  
 in results. Trial bottles free at  
 Fetzer's Drug Store. Regular size  
 50c and \$1.00.

### THE WORD OF GOD

As Preached at the Several Churches  
 Sunday.

The condition of the streets kept  
 some away from the public places  
 of worship Sunday, but most of  
 them had good congregations.

At the First Presbyterian church  
 Prof. Henry Lewis Smith occupied  
 the pulpit. In the morning he  
 talked on Christian Education.  
 Prof. Smith occupies the chair of  
 Physics at Davidson College, and is  
 making a tour of North and South  
 Carolina and Georgia in the inter-  
 est of that institution. He is a  
 fluent speaker, and was listened to  
 with the closest attention.

At Central M. E. church, Rev.  
 Mr. Thompson preached to his con-  
 gregation for the first time. He is  
 an eloquent, earnest speaker and  
 has a splendid delivery. His peo-  
 ple are highly pleased with him.

Rev. J. D. Arnold preached for the  
 first time Sunday at Forest Hill  
 Methodist church. Mr. Arnold has  
 the reputation of being one of the  
 strongest preachers in the confer-  
 ence and he fully sustained him-  
 self in the two sermons preached  
 Sunday. His sermons are strong,  
 practical and spiritual. His peo-  
 ple were delighted with his preach-  
 ing and feel that no mistake has been  
 made in sending him to the charge.

The regular pastors preached at  
 all the other churches to good con-  
 gregations, who enjoyed the ser-  
 mons and joined in singing praises  
 to the Great Creator.

 blets. All druggists refund the  
 money if it fails to cure. 25c.

#### Tax Payers Take Notice—Positively the Last Call.

My duties as Sheriff of Cabarrus  
 county, having this day ceased  
 (which duties I have tried faithfully  
 and honestly to perform) there re-  
 mains nothing else for me to do, no  
 public duties for me, except to col-  
 lect the balance of the taxes for  
 1896. The taxes for 1895 were  
 probably more nearly all collected  
 than usual. Still there were more  
 insolvents than should be, hence I  
 propose, if possible, to reduce the  
 list for 1896. As I am compelled  
 to work for a support for my family  
 and expect to leave Concord the first  
 of January, 1897. I most earnestly  
 request every tax payer to come at  
 once and settle same, otherwise I am  
 compelled to come or send a deputy  
 collector, who will most positively  
 attach cost to your taxes. If you  
 can pay your taxes with additional  
 cost, most assuredly you can pay  
 the tax without the cost and I cer-  
 tainly prefer your keeping the cost.  
 I take this method of again giving  
 you public notice that the law has  
 been changed. Your taxes are due  
 before the close of the year and I  
 propose, as fast as possible, to en-  
 force the law. A word to the wise  
 is sufficient.

Yours most respectfully,

JOHN A. SIMS,

Tax Collector.
