Marvelous Results.

From a letter written by Rev. J. Gunderman, of Diamonddale, Mich., we are permitted to make this extract: I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results. Trial bottles free at Fetzer's Drug Store. Regular size 50c and \$1.00.

In curing consumption there's nothing like taking Time by the forelock. Doctors say consumption can't be cured; they have arguments to prove it. But when they see it cured right under their face and eyes by Dr. Pierce's Golden Medical Discovery, they admit that there's something wrong about their arguments and something wonderful about the "Discovery." It isn't miraculous. It won't cure every case; but it cures a surprisingly large percentage of cases, even when the patient is pretty far gone with a bad cough, and bleeding from the lungs, and reduced almost to a shadow. Consumption is a blood disease. The lungs want a fresh supply of pure rich blood and plenty of it; that is what the "Golden Medical Discovery" gives them. It is a blood-maker. It gives the blood-making functions power to produce a large quantity of the nourishing red corpuscles which make healthy life-giving blood. This stops the wasting; drives out the impurities; heals the ulceration and begins a rapid building-up process, of solid, substantial flesh and vital energy.

It isn't only consumptives who need the "Discovery." It cures every form of chronic blood-disease and all scrofulous and eruptive affections.

MR. ISAAC E. DOWNS, of Spring Valley, Rockland County, N. Y., writes: "For three years I had suffered from that terrible disease, consumption, and heart-disease. Before taking Doctor Pierce's Golden Medical Discovery I had wasted away to a skeleton; could not sleep nor rest, and I was to a skeleton; wished to die to be out of my misery. Many times I wished to die to be out of my misery. Step by step, but surely developed themselves health slowly but surely developed themselves while taking the "Discovery." Today I tip the scales at one hundred and eighty-seven, and am well and strong. The Golden Medical Discovery has also cured my daughter of a very bad ulcer located on the thigh. After trying almost everything without success we purchased three bottles of your "Discovery" which healed her perfectly."
