A Notice for the Public.

It is the duty of every citizen to see to it that the health of the town is protected. The attention of the public is directed to the following ordinance which has been a law for many years in Concord, viz:

Ordinance No. 20: Any owner, leaser or renter of any premises or lot upon which there is a privy or hog pen within the corporate limits of said town, suffering said privy or hog pen to become offensive in smell shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined \$20 or imprisoned for ten days.

The ordinance will be enforced and the policemen are instructed to report all such places not kept in a sanitary condition. These places should be cleaned and covered with dry dirt at least twice every week.

Respectfully,
J. L. CROWELL, Mayor.

One Hundred and Eleven.
Mr. J R Biggers, of No. 9 township, informs us that he has two black Minorcas which he purchased about the middle of February, and since that time until now the two together have laid 111 eggs.

WINE OF CARDUI
For Mothers!
THE discomforts and dangers of child-birth can be almost entirely avoided. Wine of Cardui relieves expectant mothers. It gives to the genital organs, and puts them in condition to do their work perfectly. That makes pregnancy less painful, shortens labor and hastens recovery after child-birth. It helps a woman bear strong healthy children.

M. ELREE'S Wine of Cardui
has also brought happiness to thousands of homes barren for years. A few doses often brings joy to loving hearts that long for a darling baby. No woman should neglect to try it for this trouble. It cures nine cases out of ten. All druggists sell Wine of Cardui. \$1.00 per bottle.

For advice in cases requiring special directions, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

Mrs. LOUISA HALL, of Jefferson, Ga., says: "When I first took Wine of Cardui we had been married three years, but could not have any children. Nine months later I had a fine girl baby."

AN OPEN LETTER TO MOTHERS.

WE ARE ASSERTING IN THE COURTS OUR RIGHT TO THE EXCLUSIVE USE OF THE WORD "CASTORIA," AND "PITCHER'S CASTORIA," AS OUR TRADE MARK.

I, DR. SAMUEL PITCHER, of Hyannis, Massachusetts, was the originator of "CASTORIA," the same that has borne and does now bear *Chas. H. Fletcher* on every the fac-simile signature of *Chas. H. Fletcher* wrapper. This is the original "CASTORIA" which has been used in the homes of the Mothers of America for over thirty years.
LOOK CAREFULLY at the wrapper and see that it is the kind you have always bought and has the signature of *Chas. H. Fletcher* wrapper. No one has authority from me to use my name except The Centaur Company, of which Chas. H. Fletcher is President. March 24, 1898.

The GRAPHOPHONE
The most fascinating invention of the age. Always ready to entertain. It requires no skill to operate it and reproduces the music of bands, orchestras, vocalists or instrumental soloists. There is nothing like it for an evening's entertainment at home or in the social gathering. You can sing or talk to it and it will reproduce immediately and as often as desired, your song or words.

Other so-called talking machines reproduce only records of cut and dried subjects, specially prepared in a laboratory; but the Graphophone is not limited to such performances. On the Graphophone you can easily make and instantly reproduce records of the voice, or any sound. Thus it constantly awakens new interest and its charm is ever fresh. The reproductions are clear and brilliant.

Graphophones are sold for \$10 and up
Manufactured under the patents of Bell, Tainter, Edison and Macdonald. Our establishment is headquarters of the world for Talking Machines and Talking Machine Supplies. Write for catalogue.
