ONE ROAD ORDERED.

Petitioners from Different Parts of the county Hover Around the Commissioners to Get Their Roads Started—Action Taken in Only One Case.

Monday was a busy day in the commissioner's room, not only because of the paupers awaiting their monthly "hand-out" but on account of the crowds wishing for better roads in their part of the county.

Several different crowds of petitioners were present. It was ordered that the bridge at Black's mill and Rocky River road be postponed until the June meeting.

As the petitioners themselves have changed their plans in regard to the proposed road from Flowe's store to Bethel the matter was postponed until the next meeting.

It was ordered by the Board that a jury be summoned to lay off a road from Cedar Grove church on the Concord and Camden road to Furr's store to run as straight as practical between said terminal and to lay off a road from said Cedar Grove church to Heglar's bridge on Rocky river, but to use the Furr's store road to some point on the Allen Boger lands and as straight as practical from said Furr's road at said intersection to said bridge. It was further ordered that the petitioners shall pay all costs of laying off and opening said roads which they agree to put in good condition before being accepted by the commissioners as a public road.

The proceeds will go towards paying the debt on the school building.

White Duck Uniforms.

At a meeting of the band Monday night it was decided that for the summer the band adopt white duck uniforms—coats, pants and cap. The band will be out on May 10th—Memorial Day—to take part in the exercises at the court house. They are now practicing music suitable for the occasion.

AN EPIDEMIC OF WHOOPING COUGH.

Last winter during an epidemic of whooping cough my children contracted the disease, having severe coughing spells. We had used Chamberlain's Cough Remedy very successfully for croup and naturally turned to it at that time and found it relieved the cough and effected a complete cure.—John L Clifford, Proprietor Norwood House, Norwood N. Y. This remedy is for sale by M. L. Marsh & Co.

ELECTION DAY.

No Excitement This Year as There Was Two Years Ago—No Opposition Ticket—Everything Passed Off Smoothly and Without a Jar.

Election day came and more than the matter of voting, which is the duty of ever good citizen, one would not have known that this is a day which comes every two years.

Two years ago things were quite different and it was the talk of the town and the whole day was bestowed by numbers in getting the voters to the polls, but not so this year. Regardless of the number of votes cast, the ticket made at the convention last Thursday night would be the result as there was no opposition.

All was quite and no remarks of dissatisfaction were heard. The following is the ticket as elected.

Not a large number are voting this year. About 2 o'clock the votes at the different precincts were as follows: Ward 1, 62; Ward 2, 28; Ward 3, 16; Ward 4, 19.

Mayor's Election at Mt. Pleasant.

Twenty-seven votes were cast at Mt. Pleasant Monday for the election of a mayor for the coming year. As at other places almost throughout the State scarcely any interest was taken in the election.

This time the mayoralty glides from the hands of Dr. A W Moose to Capt. Jonas Cook. Their town commissioners are Messrs. A M Allman and A M Nussman, Rev. Paul Barringer, Prof. H T J Ludwig, and Dr. C H Barnhardt.

Capt. Rockfeller Probably Captured.

A dispatch from Gen. Otis of May 1st says that Capt. Rockfeller of the Ninth Infantry has been missing since the 28th of April. Some of his private papers were found on the 29th and it is greatly feared that he has been captured by the enemy.

INTERESTING MEETING.

Presbyterian Women's Foreign Missionary Society Makes a Good Collection.

The Woman's Foreign Missionary Society of the First Presbyterian church held its session for the month of May on Monday at the home of Mrs. N D Fetzer. Present, 15 members. The meeting was called to order by Mrs. D B Morrison, president.

After the Scripture lesson and prayer the minutes of last meeting were read and approved and the treasurer, Miss Leha King, called the roll and collected \$10 in monthly dues.

The sum of \$2.80 was deposited with Mrs. Annie Herring, as the nucleus of a fund for a special object of important missionary work. Whole collection, \$12.80. Envelopes for the collection for foreign missions, to be taken at next Sabbath's morning services, were placed in the hands of the executive committee for distribution. The society listened with pleasure to an interesting article, read by Mrs. Annie Herring, giving a description of the home for child-widows at Kedgaum, India, kept by a converted Hindu woman, Pandita Ramabai.

Self denial was the subject of free conversation. The meeting was unusually pleasant and made doubly interesting by the items of missionary news gathered from the wide earth and given by those present. On motion the meeting adjourned with the doxology to Monday, June 5th, home of Mrs. D D Johnston. Mrs. R S Harris, Secretary.

Returns to North Carolina.

Mr. J Wesley Walter, who left Cabarrus when a young man, has returned to this county from Terrell, Tex., where he last lived. It will be remembered that Mr. Walter's children arrived here some months ago to go to school at Enochville. Mr. Walter will, very probably, to make this county his home hereafter and will not return to the Lone Star State. Mr. Walter is a son of Mr. Abner Walter, of our county.

Denunciation Resented.

The Rev. L G Broughton, Baptist minister in Atlanta, Ga., took occasion to denounce the terrible Hose lynching at Newnan, only 40 miles from there. He received some threatening letters and being of a rather combative temperament he uttered some acrimonious defiance. It was resented by breaking into his church, desecrating it terribly, turning the water into the church and otherwise injuring it. The parson also received bits of the roasted body of Hose with threats of injury. Thus one outrage follows another with little tendency to soften or improve.

No Entertainment Tonight.

The troupes that announced last night a play and certain performances in the Caton hall, will not appear tonight. The affair was a pretty nearly all-round failure, and of course it would have been useless to attempt an entertainment tonight. Two went North and two went South.
