Infant Victim of Religious Frenzy.
The colored people have been carrying on a big revival at Deep Creek Church, Gullidge township. Last Saturday they reached the climax of religious fervor, and so wrought up did the wife of John Huntley become that she leaped to her feet and threw the infant, which she held in her arms, high in the air. The child's head struck a bench in its descent, inflicting injuries from which it died Saturday night. Sunday it was buried in the presence of a large crowd of negroes. —Wadesboro Messenger.

I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5.00 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure Throat, Chest and Lung troubles."
