

INSURE AGAINST SICKNESS!

Every man and woman in his or her daily routine work may be attacked by Typhoid, Typhus or Scarlet Fever, Small Pox, Chicken Pox, Measles, Diphtheria, Erysipelas, Appendicitis, Meningitis, Diabetes, Pneumonia, Sunstroke, etc., etc., etc.

All persons between the ages of 18 and 60, male or female, can secure this Insurance.

Can you afford to be without it when it costs so little each year?

\$ 2.00 a year	pays for \$ 5.00 per week.
4.00 " " "	10.00 " "
10.00 " " "	20.00 " "
20.00 " " "	50.00 " "

But, perhaps you want ACCIDENT INSURANCE. If so, get the BEST. I represent the AETNA, of Hartford, Conn., the largest

LIFE INSURANCE COMPANY

in the world writing ACCIDENT INSURANCE.

Perhaps while you are seeing about it you have decided that you will take Life Insurance. If so, do you want a very cheap, yet safe form of insurance, written in a North Carolina Company? Then you want to insure in the Carolina Benevolent Association, Hon. S. B. Alexander, of Charlotte, N. C., President. This is something worthy your consideration.

Do you want your life insured in a good Southern Company, offered by Southerners of well known business ability, and integrity. A regular stipulated Premium Plan? Then you want to insure in the BANKERS LIFE ASSOCIATION of Atlanta, Ga., Hon. W. A. Hemphill, of the Atlanta Constitution, President. This company is now endorsed by numbers of the leading business men of North Carolina.

But you say that you will only insure in an.....

OLD LINE COMPANY

Then if so, I represent one among the very best. The PHOENIX MUTUAL, of Hartford, Conn. Established in 1851, distributes its dividends annually. And while the PREMIUMS are the LOWEST, the DIVIDENDS are only equalled by three other companies doing business in North Carolina. (Two of these have now withdrawn from the State.)

Perhaps you want FIRE INSURANCE. I represent a first-class North Carolina Company, a good Virginia Company, a good company of New Orleans, one of the strongest Northern Companies and an English Company.

Certainly you are interested in some of the different forms of INSURANCE referred to above.

Then write me or call to see me at office, and oblige.

Yours to serve,

John A. Sims,
Agent.

A MOTHER TELLS HOW SHE SAVED DAUGHTERS LIFE.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering. Yours truly, Mrs. Geo. F. Burdick, Liberty, R. I. For Sale by M. L. Marsh & Co., Druggist.

Against the Royal Arcanum.

Mrs. Sarah M. Starns has brought suit in the Superior court against the the supreme council of the Royal Arcanum for \$3,000, the amount of insurance carried in that order by her late husband, T. C. Starns. A controversy has arisen over the question whether the money should be paid to Mrs. Starns or to her son, Thomas Montgomery Starnes. The Royal Arcanum is and has been ready to pay the amount of Mr. Starnes' certificate, but it awaits the adjudication of the question as to whom it should be paid.—Asheville Citizen.

We don't think that the Americans should discount the sincerity of the mutual admiration society that has been formed between John Bull and Uncle Sam. There is no telling what would have happened as an outcome of the Spanish-American war had not England lent her moral support to the position this country took in the matter of Cuban liberation. The rest of the world did not dare to move out of its tracks, confronted as it was by a practical Anglo-American alliance.—Norfolk Ledger.

Preachers, like most men, do not complain at a reasonable amount of attention, but the Washington minister who at Bath Harbor, Maine, received so much attention from the police that he was arrested by mistake for a thief, decidedly objected to it.—Ex.

Conductor—"See that little insignificant fellow over there at the pie counter?" Passenger—"Yes; what of him?" Conductor—"He's more important than the president of the road. What he says goes." Passenger—"Indeed! Who is he?" Conductor—"He's the train dispatcher."—Chicago News.
