

INSURE AGAINST SICKNESS!

Every man and woman in his or her daily routine work may be attacked by Typhoid, Typhus or Scarlet Fever, Small Pox, Chicken Pox, Measles, Diphtheria, Erysipelas, Appendicitis, Meningitis, Diabetes, Pneumonia, Sunstroke, etc., etc., etc.

All persons between the ages of 18 and 60, male or female, can secure this Insurance.
Can you afford to be without it when it costs so little each year?
\$ 2.00 a year pays for \$ 5.00 per week.
4.00 " " " " 10.00 " " " "
10.00 " " " " 20.00 " " " "
20.00 " " " " 50.00 " " " "

But, perhaps you want ACCIDENT INSURANCE. If so, get the BEST. I represent the AETNA, of Hartford, Conn., the largest

LIFE INSURANCE COMPANY

in the world writing ACCIDENT INSURANCE. Perhaps while you are seeing about it you have decided that you will take Life Insurance. If so, do you want a very cheap, yet safe form of insurance, written in a North Carolina Company? Then you want to insure in the Carolina Benevolent Association, Hon. S. B. Alexander, of Charlotte, N. C., President. This is something worthy your consideration.

Do you want your life insured in a good Southern Company, offered by Southerners of well known business ability, and integrity. A regular stipulated Premium Plan? Then you want to insure in the BANKERS LIFE ASSOCIATION of Atlanta, Ga., Hon. W. A. Hemphill, of the Atlanta Constitution, President. This company is now endorsed by numbers of the leading business men of North Carolina.

But you say that you will only insure in an.....

OLD LINE COMPANY

Then if so, I represent one among the very best. The PHOENIX MUTUAL, of Hartford, Conn. Established in 1851, distributes its dividends annually. And while the PREMIUMS are the LOWEST, the DIVIDENDS are only equalled by three other companies doing business in North Carolina. (Two of these have now withdrawn from the State.)

Perhaps you want FIRE INSURANCE. I represent a first-class North Carolina Company, a good Virginia Company, a good company of New Orleans, one of the strongest Northern Companies and an English Company.

Certainly you are interested in some of the different forms of INSURANCE referred to above.

Then write me or call to see me at office, and oblige.

Yours to serve,

John A. Sims,
Agent.

WINE OF CARDUI

A LITTLE DOES MUCH.

BROWN, Iowa, Dec. 14.
No tongue can tell what I have endured in the past ten years with my monthly sickness. While suffering untold agony, a friend called and recommended Wine of Cardui. I sent for a bottle, and Oh! what relief! After the first dose I began to feel better and have had no pain since.
MRS. GRACE LAMPHERE.

Wine of Cardui

Wine of Cardui not only cures but it acts AT ONCE. Here is a case of ten years' standing, and yet one single dose made the sufferer feel better, and stopped the pain. The Wine goes straight to the seat of the trouble. It acts directly upon the menstrual and genital organs. Its action is not violent, and it does not force a result. It simply gives Nature that little assistance that the sufferer's system lacks. A single disorder in the feminine organs spreads many disorders all over the body, and when the Wine cures the source, all the other ills vanish as a matter of course. A woman can be her own physician and cure herself at home. Local examinations are largely things of the past—the obnoxious custom is no longer necessary. Wine of Cardui is the only perfectly safe and sure vegetable Wine made to-day for the cure of "female troubles".

What a Lemon Will Do.
Do you want to know the name of the best all-round household doctor, and certainly the cheapest, that can be found in any country?

It is Dr. Lemon. Yes, an ordinary, sour, yellow lemon, which you can buy at any grocery for a few cents.

Here are some of the things Dr. Lemon will do for you if you give him a chance:

If you have a dark hair and it seems to be falling out, cut off a slice of the doctor and rub him on your scalp. He will stop that little trouble promptly.

Squeeze him in a quart of milk and he will give you a mixture to rub on your face night and morning and get you a complexion like a princess.

If you have a bad headache, cut Dr. Lemon into slices and rub these along your temples. The pain will not be long in disappearing—or at least growing easier to bear.

If a bee or insect stings you, clap a few drops of the doctor on the spot and you will find yourself better for it.

If you have a troublesome corn, the doctor can again be put to good account by rubbing him on your toe after you have taken a hot bath and cut away as much as possible of the troublesome intruder.

Besides all this the doctor is always ready to sacrifice himself in the cause of Russian tea—slice him in without sugar, or in the preparation of old fashioned lemonade, than which no drink is more wholesome.

Squeeze him in a glass of water every morning and drink him with very little sugar. He will keep your stomach in the best of order, and never let Mr. Dyspepsia, whom he hates cordially, get into it.

Altogether Dr. Lemon is an individual few people can afford to get along without.—New York Herald.
