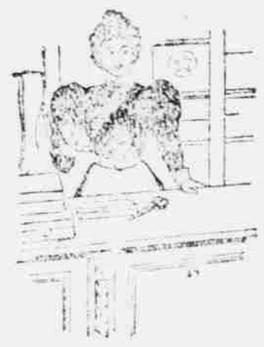
WINE OF CARDUI

WOMEN WHO WORK.



St. Louis, Mo., Aug. 12.

Though only 21 years old, I suffered from pain and female troubles two years. Last spring I grew worse. I had to quit work. I had to support myself and attend a high-priced school. Part of the time, Wine of Cardui and that made me feel better. Have now used several bottles and am well. My mother used Wine for Change of Life and was greatly relieved.

A LIFE AND DEATH FIGHT.

Mr. W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost $5.00 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure Throat, Chest and Lung troubles." Great Salt Lake Drying Up.

Now it is being observed that Great Salk Lake is destined to be no lake in time. Thirty years ago, it is said, it was 80 miles long, now it is but 70. It has decreased in width from 40 to 25 miles within the last 20 years. The waning away is probably due entirely to drawing away of the waters from tributary streams for purposes of irrigation.

A Mistake in Labor Day.

Monday was recognized as "Labor Day," over the land but the statutes of North Carolina really designate Thursday as Labor Day. It is regarded as a mere clerical mistake, however. Monday was evidently intended and the statute will be apt to be made to read accordingly at the next session of the General Assembly.

NO CURE. NO PAY.

That is the way all druggists sell Grove's Tasteless Chill Tonic for chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults refer it to bitter, nauseating Tonics Price. 50c.

Lightning Strikes Like A Bullet.

Another singular effect of lightning is reported from near Raleigh on Tuesday. The bolt killed a negro man in a wagon of cotton. It took effect in the forehead and made a wound like a bullet. It stunned another negro and killed the mule to the wagon besides setting the cotton on fire.

The Kearsage On Trial.

The great Battleship Kearsage sailed under her own steam on Tuesday at Newport News. The vessel delighted the officials with her splendid movements, making 17¼ knots per hour and turning with gracefulness and ease.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor, of Wind Ridge, Greene county, Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by M. L. Marsh & Co., Druggist
