FELL TO THE BOTTOM.

The Ladder Comes Apart and Mr. Adcock Gets a Bad Fall—Several Persons Shocked by Lightning—Mosquitoes Taking the Town.

Written for The Standard:

BRIEF, Sept. 9.—Mr. Baxter Long has chills.

Cotton picking is in lively progress.

H M Faulk, formerly of this place, was on the Kansas City, which sailed from New York to Savannah, passing through the Porto Rico hurricane.

Messrs. J C Long & Co. have their saw-mill plant on foot at the old stand in the southern part of the village. The cotton ginning plant has been rearranged, and is about turned up to service.

One of our elderly bachelors went to Concord one Saturday, and swapped "hawes" four times. He did not get a woman to boot, though.

A Mr. Adcock, while working in a well for Mr. J W B Long, experienced a painful accident. The ladder on which he descended and ascended, came apart while he was on it, and with both bare feet he fell to the bottom on loose, sharp stones. His feet were painfully lacerated, and his side bruised. Nevertheless, after the accident, he soon rode homeward, after being helped to mount his horse.

Several persons, members of the family of Mr. Aaron Little, of Goose Creek township, were more or less injured by lightning Thursday evening. Under a tree in front of their dwelling, and walking toward the house with a baby in her arms, Mrs. Little was prostrated by a stroke of lightning, which struck the tree. Both were stunned; but the mother soon recovered, while the little one remained apparently dead for some time. Two other children who were farther from the tree were knocked down, but not so strongly shocked.

At times, of late, mosquitoes have been quite demonstrative and unreservedly persistent in presenting their bills. A progressive scientist, it is said, has satisfactorily demonstrated that these insects cause malaria. This is quite a responsibility to be saddled on so small a member of the animal kingdom. But it is rather poor comfort to him who is kept awake until midnight by being repeatedly punctured by myriad, merciless mosquito proboscides.

Messrs. Oscar Ferguson and Juddie McManus are attending school at Big Lick academy. Mr. Thos Clountz is taking a course at Unionville institute. We trust that our school-boys will succeed in adding much gray matter to their intellectual departments.

A LIFE AND DEATH FIGHT.

Mr. W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5.00 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure Throat, Chest and Lung troubles." Regular size 50c and \$1.00 Trial bottles free at Fetzler's Drug Store.

GLORIOUS NEWS

Comes from Dr. D. B. Cargile, of Washita, I T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows that thousands have proved that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, help digestion, builds up the strength. Only 50 cents. Sold at Fetzler's Drug Store.

Grip makes one sick, weary and restless. Dr. Miles' Restorative Nerve brings rest.
