SCHOOLS PROSPEROUS.

The College Has a Good Enrollment and the Seminary Opens Well--Social Functions--Personals.

Written for The Standard.

Mt. Pleasant, Sept. 13—Messrs. John and Ed. Fullenwider, of Monroe, have been visiting friends here for a few days. They have returned to Monroe.

Miss Ina Barringer has been very sick, the result of taking a wrong dose of medicine.

Mr. George Moose, son of John F Moose, has accepted a position as clerk in Moose's drug store.

Mr. James Peck, who has been quite sick, is again able to be out. He has not as yet resumed his duties in the company store.

Mr. John McAllister is confined to his room with a slight attack of malarial fever.

New students are arriving daily at the College. About fifty are now enrolled. What would have been the result had we enjoyed the hearty co-operation of our Lutheran brethren, instead of their indifference and even the antagonism of some. The above number with those of the Lutheran element that will attend Roanoke college, and at other institutions in this State, would place North Carolina college on a paying and highly respectable basis, without moving it anywhere.

Arrangements are being made for a cake walk at the home of Mr. L J Foil next Saturday night. So 'stop your talking, and go to walking for a great big chocolate cake.'

Last Friday night being the time set apart for a reception in honor of the college boys, our town's people, old and young, were seen wending their way up the college hill to the president's house. By 8 o'clock all were present. The first feature of the evening was the students drawing their partners for the night. The ladies were upstairs and each had the end of a string which led down stairs. The young men would select some string and pull. As several married ladies, and even some gentlemen, were up there, the matches were sometimes laughable. After the drawing was finished, each couple repaired to the Philalæthian hall where refreshments were served. As one young man was heard to remark, they were then told to "do as they pleased" for the rest of the evening.

School opened at Mont Aména Seminary Tuesday at 2 o'clock, with a large enrollment. Dr. Miller informs us that applications from boarding pupils have been made sufficient to fill the seminary.

Rev. Bobt. L Patterson and wife arrived here today from Union Bridge, Md.

Miss Venora Blackwelder has returned home after visiting her sister, Mrs. R L Patterson, in Maryland.

The soothing and healing properties of Chamberlain's Cough Remedy, its pleasant taste and prompt and permanent cures have made it a great favorite with the people everywhere. For sale by M. L. Marsh & Co., Druggists.

Miss Carrie Gillon, of this place, is visiting in Concord this week.

T A Rogers had a long letter from Dr. Cruser McCree, of Alabama. He is seventy-one years old. He is a native of this county and practiced medicine here in the fifties. He would be glad to hear from any of his old friends in Cabarrus.

S W Winecoff has received a letter from Thomas Poteat, one of our boys who is now in Cuba. He is having fine health.

Mr. Wm. H Hammon, of New York, the famous dog trainer, is stopping at W D Gillon's.

Returns to Washington to School.

Mr. Will H Chambers, the deaf mute, whose home is here at Cannonville with his grandfather, Mr. P W Furr, has gone to Morganton, to which place he escorted a number of pupils to the asylum. From there he returns to Washington to school where he is studying for a teacher of the deaf and dumb. For the last two months, during his vacation from his school work in Washington, he has been staying at Morganton. Mr. Chambers is a bright young man. He is a great baseball player and belongs to the deaf and dumb baseball and football teams at the college in Washington. He has been on the diamond with Lattimer, Kenna and other good players. Their teams are fine and every member of it is a skillful player.

Mr. Riley Walter Sells Out.

Mr. Riley Walter, who for some time has been conducting a grocery store and who also served ice drinks at his stand in Mr. J A C Blackwelder's store building, has sold his entire business to Mr. Horace Blackwelder, son of Mr. J A C Blackwelder.

Their Little Child Dead.

On Tuesday the 18-months old child of Mr. and Mrs. Will Sherill, who live on Fetzer avenue, died. The remains were taken to Mill Bridge for burial.

ROBBED THE GRAVE.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying Electric Bitters, and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50cts. guranteed, at Fetzer's DrugStore.

DREYFUS SAID TO BE PARDONED.

From the Charlotte News this afternoon we learn that a special dispatch to the New York Journal from Paris was received stating that Dreyfus had been pardoned.

Another dispatch states that Rothschilds at London has received notice that a pardon had been granted Dreyfus.

A SUDDEN DEATH.

The Wife of Mr. Geo. Gilliland Dies In a Few Moments--Heart Trouble the Cause of Her Death.

Tuesday evening about 6.30 o'clock the wife of Mr. Geo. Gilliland, who lives on North Church street, took her last breath. Her death came suddenly.

Though her health had not been good she had been sick only a few days. Her heart was affected.

Mrs. Gilliland was a daughter of Mr. Elijah Holdbrooks, of Cannonville, and married Mr. Gilliland a few years ago. She leaves a grief-stricken husband but no children. The remains were interred today (Wednesday) after the preaching of the funeral at Poplar Tent church. The funeral was preached by Rev. W C Alexander.

Mr. Wagoner Brought Back to Jail.

Some of our readers will remember that several months ago before the July term of court a white man was arrested for selling whiskey one night up at the Buffalo mills. He obtained a bondsman until the term of court but the man, whose name is J W Wagoner, failed to answer at court. He claims that he was sick at the time in South Carolina. By request of his bondsman he was arrested and Sheriff Wallace of Charlotte brought him here Tuesday night. He is now in jail awaiting court. He is in bad health and has a certificate testifying as to his disease.

Mr. Johnson Elected Policeman.

At the meeting of the town commissioners Tuesday night the vacancy on the police force was filled, which vacancy was caused by the resignation of Mr. Eli Goldston. Mr. R Will Johnson, who for quite a long while has been our nightwatchman, was elected as a regular policeman. Mr. Mabery is yet serving until Mr. Johnson takes charge.

Mrs. Isaac Johnson Dead.

On last Sunday the wife of Mr. Isaac Johnson, of No. 3 township, died. She was about 55 years of age and leaves a husband. The remains were interred Monday after the conducting of the funeral at Shiloh church.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor, of Wind Ridge, Greene county, Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by M. L. Marsh & Co., Druggist
