A Hoggish Mistake.

The hogs up in Bill Smith's "Hog Elk" section of the universe are so fond of and used to swallowing snakes, that the other day up there, one large hog attempted to swallow a large log chain, believing it to be a snake. It was getting along well and had half the chain swallowed when it was discovered, and by heroic efforts on the part of several citizens the chain was at last rescued.—Wilkesboro Chronicle.

[Why wouldn't iron digest as well as a snake's skin. Some people don't know the qualities of a hog, anyhow.]

For over Fifty Years

Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Sold by druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

Too Much of a Double Cut Off.

Jim Brown is a negro who came into Charlotte Wednesday on an excursion. He poked his head through a window with a broken glass. On taking it in he cut the temporal artery and bled profusely. His helpmate (they're always on hand amid our woes) conceived the idea of stopping the flow of blood by tying a handkerchief very tight around Jim's neck hoping to cut off the flow of blood, not just thinking she would necessarily cut off Jim's wind at the same time. She soon had her man in bad shape.

A FRIGHTFUL BLUNDER

Will often cause a horrible Burn, Scald, Cut or Bruise. Bucklen's Arnica Salve, the best in the world, will kill the pain and promptly heal it. Cures Old Sores, Fever Sores, Ulcers, Bells, Felons, Corns, all Skin Eruptions, Best Eye cure on earth. Only 25-cents a box. Cure guaranteed. Sold at Fetzler's Store.

Good Output of Gold.

The News says the Charlotte assay office made its semi-monthly shipment of gold on the 18th to the Philadelphia mint. The value of the gold was \$20,766.38. One bar was worth \$17,000 and was the product of a single mine for one month's output. The News does not know what mine this was but understands it to be the Haile mine.

The soothing and healing properties of Chamberlain's Cough Remedy, its pleasant taste and prompt and permanent cures have made it a great favorite with the people everywhere. For sale by M. L. Marsh & Co., Druggists.

What the Quarrell is About.

From the Baltimore Sun light comes streaming down on that formerly mysterious quarrel between the Brittitish and the Boers or the nation of Great Britain and the Dutch African republic of Transvaal. The territories join and many of the English have long been settled citizens of the republic and are said to outnumber the Boers and pay three-fourths of the taxes. Yet they have no voice in the government and suffer for lack of it. The contention then is that they should be allowed a voice in the government which seems consistent with a republican form of government.

The contention has gone about to its limit and each side is preparing for war as a last arbitrament. The Boers as worriers are equal to the English but there seems to be but one ultimate result if war to the utmost is to come. The resources are quite unequal as well as the number of soldiers on whom to draw.

In this, too, the reading public is looking with solicitude and hope that a way of settlement may yet be found through peaceful channels.

Dewey's Chinamen Not In It.

Under existing laws it is found impractical to concede to Admiral Dewey's request to make his Chinamen, that acted so gallantly in the Manila fight, citizens of the United States so that they could be enlisted in the army. They can't even come ashore and participate in the Dewey celebration.

NO CURE, NO PAY.

That is the way all druggists sell Grove's Tasteless Chill Tonic for chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults refer to it as bitter, nauseating Tonic. Price, 50c.

Farquar Succeeds Sampson.

Rear Admiral Norman H Farquar has been assigned to take command of the North Atlantic squadron in place of Admiral Sampson who has been retired from sea service. Admiral Sampson will have shore duties in command of the Boston Navy Yard.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. M. L. Marsh & Co. will refund your money if you are not satisfied after using it. It is everywhere admitted to be the most successful remedy in use for bowel complaints and the only one that never fails. It is pleasant, safe and reliable.

Bids Wanted For Lumber.

Cabarrus wants about 11,000 feet of oak and pine lumber for bridge over Rocky River.

J. P. Allison, chairman of County Commissioners, will receive bids for it.

The Belmont Student Dead.

Martin O Conner died at Belmont college Wednesday morning of lockjaw. He was from Portsmouth, Va., and was 16 years old. His body was taken home.

Announcement.

To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for catarrhal troubles, the proprietors prepare Cream Balm in liquid form, which will be known as Ely's liquid Cream Balm. Price including the spraying tube is 75 cents. Druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation. Cream Balm is quickly absorbed by the membrane and does not dry up the secretions, but changes them to a natural and healthy character
