God Blessing the Work of Rev. Hoge and Mr. Wolfsohn.

Written for The Standard.

God has specially blessed the labors of the pastor of the Baptist church. With the assistance of such a man as Mr. Wolfsohn the pastor has been able to do great things in the Master's name. The preaching throughout the series of meetings has been done by Rev. Hoge in such a powerful and forcible manner that many have been led to accept Jesus Christ as a Savior.

Crowds have been attracted to services night after night and every one that has attended speaks in the highest praise of the success of the meeting. Before the meeting closes it is expected that a great many more people will be converted.

Some that have professed faith in Christ will possibly join other churches.

It is hoped that a revival spirit will be kindled all over Concord so that many who are now unsaved will be saved.

Special mention must be made of the music. A large choir has lead the singing and never in the history of the church has such congregational singing been heard.

The organ has been presided over by Mr. Benson, organist of the Methodist church, in a way to suit all who have attended the services, especially Mr. Wolfsohn.

Services tonight at 7.30 p. m. Sunday at 11 a. m. and 7.30 p. m. One hundred extra chairs have been put in the church so that all who come might be seated. Sunday will be the last night Mr. Wolfsohn will sing.

Who Will His Lawyer Be?

In the term of court next month here when the trial comes up for the killing of Policeman Kerns, it is very probable Judge Robinson will, for Edwards, protection, appoint two attorneys to defend him. It is the duty of the attorneys appointed to serve and to exert their best efforts for the defence of their client. It is now probable that Tom Carr and Tom Richardson, the two negroes here in our jail, will employ counsel for their defence. Several attorneys have been engaged and it is a subject of wonderment who will be appointed by the State.

The Hemp Brought Into Use.

There was something of a hemp harvest Friday. At Puloski, Va., Noah Finley, a negro, was hanged for highway robbery and attempt to murder. At Mobile, Ala., Henry Gardner, a negro 18 years old, was hanged for assaulting a white girl. At the first drop the rope snapped and he got a hard fall. Twenty minutes later the rope held its burden. At Hamilton, Ga., Hillard Brooks, another negro, was hanged for the murder of Will Bankston of his own race a year ago.

Miss Mary Lore has returned to school at Peace Institute.

The Cause of the Trouble.

On Friday afternoon the town clock was giving us all kinds of time and one knew not the hour. Mr. Jas. Willeford, who keeps up with the times in that capacity, went to see about the trouble. It was found that a piece of wood about a foot long had dropped from the dome above and was wedged between the brick wall and the heavy box which contains several hundred pounds of old iron which acts as the weight. When Mr. Willeford reached the clock there was a considerable amount of slack on the rope, making it very dangerous had the wedge come out, which would no doubt have jerked the clock from its station and have torn things to pieces badly. The matter was adjusted though and we now move on.

With the Churches Tomorrow.

Services at the First Presbyterian church tomorrow morning by Rev. J E Thompson, pastor of Central Methodist church.

The pastor, Rev. C. B. Miller, will hold regular services tomorrow morning and tomorrow night at St. James Lutheran church.

Rev. J. D. Arnold will hold regular services at Forest Hill M. E. church tomorrow morning and night.

The Rector, Rev. J C Davis, will conduct services at All Saints Episcopal church tomorrow morning at 11 o'clock and tomorrow evening at 5 o'clock.

Rev. W. B. Oney will hold services at St. Andrews Lutheran church tomorrow afternoon at 3 o'clock.

To the Members of All Saints Church.

The Rector of this church most earnestly requests all the members of the church to be present at tomorrow (Sunday) morning's service. He will have something of importance both to himself and the parish to communicate. He thinks it well for all the members to know what is going on, and how they are going on, and what is contemplated—things which it were better to say when all are together, rather than individually; then all will bear the same thing in the same words; and we may find it mutually encouraging and helpful. This special request does not exclude anybody else. The Rector will be pleased to see any friends who may come.

In Honor of Mother.

MR. EDITOR:—Friday, the 15th, was an enjoyable day at the home of Mrs. M C Moore in No. 2 township. It was her sixtieth birthday and all the children gathered in to celebrate it with a reunion of the family. Dinner time came and when the table was spread with good things it fell to the lot of the oldest son, R T Moore, to address the circle. It was real happiness to us to see mother enjoy the occasion so much. We hope to repeat the happy occasion many times.

SON.

ROBBED THE GRAVE.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying Electric Bitters; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim. No one should fail to try them. Only 50cts., guaranteed, at Fetzner's Drug Store.

For a Charitable Purpose.

At Caton's hall tonight Horace M Hypsher, of Tennessee, will introduce his new Idea Graphophone productions for the benefit of the Edisto Industrial school, of Edisto Island, S. C. This entertainment is purely moral, scientific and amusing. Celebrated bands and orchestras, latest songs (in the actual voice of the singer), quartettes, instrumental solos and duets are heard in this unique entertainment, also the plantation melodies, prayers, sayings and sermons of the negroes as they are heard in the black belt of Georgia and South Carolina. The Rev. J J Johnson, president of the school, will give an interesting description of the school, island and surrounding country. Everybody is earnestly asked to come out and assist in the worthy cause.

This entertainment has been endorsed by numbers from other places and also by Mayor Means, of this place.

As at every place, special provision will be made for the white people.

Admission 10 cents.

Dies From Enjuries.

Mr. Jefferson Bost, who lived in Crab Orchard township of Mecklenburg county, died Friday morning. On the day before he was badly gored by a bull. He was born in Cabarrus county. He was 37 years of age and leaves only a wife.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor, of Wind Ridge, Greene county, Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by M. L. Marsh & Co., Druggist
