Overtures Expected from Aguinaldo. A Manila dispatch, of the 19th, says:

"Two insurgent majors entered the American lines yesterday under a flag of truce. They visited General MacArthur and offered to release sixteen American prisoners, including Lieutenant Gilmore and his men from the gunboat Yorktown, who were captured at Baler, April 12th. In return they merely asked to send these prisoners through the lines accompanied by Filipinos who desired to confer with General Otis.

"The request was granted and the insurgent officers returned to their lines this morning, after promising that the prisoners would be released in a few days. No mention was made of exchange of prisoners, and the insurgents were evidently desirous of showing their magnanimity. General Otis has consistently followed the policy of releasing Filipino prisoners of war, retaining only their arms."

It is construed as an effort to present overtures again, though Aguinaldo's former pretensions does not inspire the greatest confidence in his sincerity. There is, however, a great difference in season. Then it was approaching the wet season now it is approaching the dry, with an army against him of more than 50,000 troops.

The Game Postponed Until Next Week.

On account of the sickness of several of the members of the two teams the game between the married and single men will not be played tomorrow afternoon.

The game is postponed until next week when the people will yet have a chance, by a ten cents admission, to see our players of ten and twelve years ago lined up against a team of young boys.

In the meantime the married battery, Messrs. Jno. C Wadsworth and Robt. F Coble will get in some good practice. Mr. E G Barnhardt has been selected to hold down the first base. An umpire will be selected also before next week. Mayor Means has been spoken of for the umpire.

The Official Program.

This souvenir program can be had by sending postal note for 25 cents to George T Parker, Treasurer, 258 Broadway, New York.

SEE THE**Yankee Watch****FOR****\$1.00****AT****W.C. Correll's****Strange Incident at a Revival.**

The Asheville Citizen, of the 18th, relates a peculiar incident in a revival meeting among the colored folks of that city. Lucy Young, while at the mourners' bench, was suddenly stricken with insensibility. She was removed, and for some days lay in a semi-conscious condition. They took her back to the church and laid her on a pallet near the pulpit, where at intervals her prayers have a marked effect. She has been in this condition for 14 days and has refused any nourishment, but drinks water freely.

The devout members regard it as an admonition from heaven to "Get Right."
