

Nasal CATARRH

In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and cures the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Druggists or by mail, Trial Size, 10 cents by mail. ELY BROTHERS, 56 Warren Street, New York.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor, of Wind Ridge, Greene county, Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by M. L. Marsh & Co., Druggist

Return of a Confederate Battle Flag
Dallas, Tex., Oct. 4.—Gov. James Mount, of Indiana, and his entire staff, accompanied by many prominent members of the G. A. R., have arrived in Dallas. Acting in accordance with a resolution passed by the Legislature of his State, the Chief Executive of Indiana will tomorrow return to Governor Sayers, of Texas, representing the survivors of Terry's Texas Rangers, the battle flag which was captured from the Rangers by an Indiana regiment during the war between the States.

The ceremony of returning the flag, which will be most elaborate, will occur in the auditorium, or on the State Fair grounds, in this city. Indications are that it will be witnessed by at least 15,000 persons.

Within the last nine years 16,000 horses have been mustered out of service by the Metropolitan Traction and Third Avenue companies, and in their places electricity has been substituted as a motive power. There remain today 5,100 horses in harness on the street car lines of the city, and that number will be diminished by several hundred before the year is out. Five years hence, the officials of the Metropolitan road say, the horse will be a thing of the past as motive power on the streets of New York.—New York Post.

Drying preparations simply develop dry catarrh: they dry up the secretions which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. All druggists sell it at 50c. or it will be mailed by Ely Brothers, 56 Warren St., N. Y.

From Cairo news comes that the river Nile is at the lowest point of which there is any record, or since the drouth in Joseph's time. This means a severe injury to the Egyptian cotton crop, which should also have some effect upon the price of American cotton.—Morning Post.

NO CURE, NO PAY.

That is the way all druggists sell Grove's Tasteless Chill Tonic for chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults refer to it as bitter, nauseating Tonic. Price, 50c.

A splendid bust of Edgar Allen Poe by Zolnay will be unveiled on Saturday, the 7th inst, the fifteenth anniversary of the poet's death, at Charlottesville, Va. The unveiling will take place with fitting ceremonies.—Times-Visitor.
