A MOTHER TELLS HOW SHE SAVED DAUGHTERS LIFE.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. I saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering.
 Yours truly, Mrs. Geo. F. Baydick, Liberty, R. I. For Sale by **M. L. Marsh & Co., Druggist.**

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. **Mr. David Taylor, of Wind Ridge, Greene county, Pa.,** is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by **M. L. Marsh & Co., Druggist.**

Utah Does Not Block Dispatches.
 Now it is announced in Manila dispatches that news reports from there have not been subject to any censorship for the last month. Nothing more is required from correspondents than to file a duplicate copy of their reports which are not even read unless some conflict arises. The abolition of the censorship was at the request of Gen. Otis. So now when news comes it can be depended upon that it is not censored by Otis.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. **M. L. Marsh & Co.** will refund your money if you are not satisfied after using it.
