

**A MOTHER TELLS HOW SHE SAVED DAUGHTERS LIFE.**

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering. Yours truly, Mrs. G. F. Burdick, Liberty, R. I. For Sale by M. L. Marsh & Co., Druggist.

**Republican State Committee.**

The Republican State executive committee was in session at Hotel Iredell last night. When it was discovered that just 13 members were present, there was consternation, and a proxy was quickly worked in, to get rid of the unlucky number.

The committee issued an address to the people of the State attacking the present election law and the proposed amendment to the constitution, and signifying their intention of fighting the latter at the polls, and in the courts, should it not be defeated at the polls.

A resolution was passed thanking Hon. Richmond Pearson for his letter on the amendment, which was recently published in the papers of the State.

The most important action of the committee was the passing of a resolution authorizing and empowering the chairman to employ counsel to bring suit for the purpose of testing the constitutionality of the election law passed by the last General Assembly.—Statesville Reporter.

**HIS LIFE WAS SAVED.**

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected soon to die of consumption, when I heard of Dr. King's New Discovery. One bottle gave me relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvellous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular size 50c and \$1. Trial bottles free at Fetzler's Drug Store. Every bottle guaranteed.

**Automobile Ride at 108.**

The Philadelphia Record says Mrs. Sarah Terry of that city was 108 years old on the 26th of September and on that day took a ride on the automobile. She was born in 1791 and therefore has seen travel progress from the old stage coach to the locomotive train, the bicycle and now the automobile. Mrs. Terry was well educated and has seen much of the world, hence her lack of the timidity that usually deters very aged people from such ventures.

**Things a Mother Should Not Do.**

She should not forget that if she treats her boy as a gentleman she will do much toward making him a gentleman.

She should not treat her boy to perpetual frowns, scoldings and faultfindings. "Sugar attracts more flies than vinegar." Love wins her boy to a noble manhood.

She should never be so busy or hard-pressed for time that she cannot listen to him. If he live to be a man he will all too soon leave her. She should make the best of him while she has him.

She should encourage outdoor exercise or sports, and she should not forget to train him with proper regard for his personal appearance.

She should never allow him to form such habits as coming to the table in his shirt sleeves, neglecting his nails or teeth, or carrying soiled handkerchiefs about with him.

She should never nag him, or forget that he is a creature of reason, not an animal that requires to be driven.

She should not fail to instill in him a distaste for all that is vulgar.—Household.

**NO RIGHT TO UGLINESS.**

The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly, and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and purify the blood. It gives strong nerves, bright eyes, smooth, velvet skin, rich complexion. It will make a good-looking, charming woman of a run down invalid. Only 50c. at Fetzler's Drug Store.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor, of Wind Ridge, Greene county, Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by M. L. Marsh & Co., Druggist
