## NOT MUCH INSANITY.

Edward Flanagan, a prisoner in Atlanta jail and condemned to be hanged for murder, made a bold dash for liberty last Saturday morning as the guard was giving him his breakfast. He had gotten hold of a knife, and jerking up a little child of the sheriff's, held it to his bosom with one hand while he flourished the knife with the other. He had to pass the room of the sheriff and his wife, who, hearing the screams of their child, ran out not standing in awe of the knife under parental solicitude. They held Flanagan who was then driven to his cell at the point of the sheriff's pistol. He has been respited and his execution delayed on account of a plea of insanity. This rather spoils the insanity plea.

## OUR SOLDIERS NOT SAVAGES.

Gen. Fredrick Funston, who is by the way going back to the Philippines on a commission as Brigadier General, said in a lecture recently in Chicago: "Some people returning have spoken of the brutality of our soldiers in the Philippines, I say to them that they are unmitigated liars. Our soldiers never touched the wounded enemy except to drag them out of the fire into the shelter." We have never believed that our soldiers would turn savage so quickly as some would have it. Brave fighters are usually humane, truthful and honorable. Our friend, the Salisbury Sun, quotes what the Standard said about no opportunity to see Admiral Dewey tomorrow. It heads the squib "Poor Concord" and adds "Our little neighbor should move about twenty miles north of its present location." Now as we understand it, Salisbury would do as well to move 22 miles south so far as getting to see Dewey tomorrow goes and infinitely better on other accounts. We commend our stalwart sister, however, to whatever comfort there is in "something just as good."

The Scientific American says that in British Columbia there have been found a natural soap mine and paint mine. The soap mine yields a washing compound containing borax and soda quite equal to the ordinary washing powders. So old mother earth furnishes the dirt to make us, the paint to beautify half the race at least and with it all the soap with which to annihilate us.

## A SERIES OF MEETINGS.

To Begin in the New Methodist Church --Dr. Brooks to Assist--One of the Gang Captured, But Later Escapes--Personal.

Written for The Standard. CHINA GROVE, Oct. 23.—Mrs. H S Sechler has returned home from Buchanan, Va., where she spent two months with her parents.

Mrs. Arthur Hanna, of Baltimore, has arrived here to spend the winter with her mother, Mrs. Sophie Graham.

A series of meetings will commence in the new Methodist church tonight. Dr. Brooks will assist Rev. Edes in these services.

Rev. Lafferty, who is visiting his brother, Dr. J S Lafferty, assisted Rev. John Wakefield in the communion service Sunday at the Presbyterian church.

The Jesse James band of China Grove, while making a raid last Saturday night, in different parts of town, were suddenly surprised at the appearance of Policeman Smith, who captured one of the band. The raider made his escape later and has not been heard from since.

Mr. A L Cagle, of Salisbury, spent Sunday here.

## J. N. Ingram Heard From.

The Daily Express, of San Antonio, Tex., of the 17th has the following to say of a famous native of Cabarrus:

"J N Ingram, a well known contributor to magazines returned yesterday to the city after an absence of fourteen months in Mexico. He visited nineteen Mexican States, and traveled over 11,000 kilometers, visiting the Mitla ruins, Cholula pyramid, the buried city of San Juan—whose origin is lost in prehistoric antiquity—the Tula big tree, the craters of Popocatepetl, Toluca and Orizoba, the Guadalupe Falls and Mecos cataracts, lakes Patzcuaro, Cuitcuitzoo and Chapala, the Durango iron mountain, Oaxaca onyx quarries, gold mines of Gaudalupe, El Oro, Guanajuato and Pachuca, Puebla sulphur wells, Morelia battle grounds, and of Buena Vista and Del Rey, Maxmillian's tomb at Queretaro, Cortez's home at Cuernavaca, Chapultepec castle, the floating gardens and Santa Anna's residence along Vega canal, the sugar region of Cuautla, where the cane goes to seed—the orange trees at Yatapec, the cotton plantations of San Pedro and Torreon the Mangua farms in Hidalgo, the coffee groves at Orizba, the banana fields at Cordoba, the ports of Vera Cruz and Tampico, and other interesting and historic localities. He has collected data and pictures for an illustrated lecture on the Latin republic and for articles to publications in the United States and abroad."

Asheville, N. C., April 24, 1893.

An extended clinical use of Harris Lithia Water prompts me to the statement that I regard it as one of the best if not the best, Lithia Water known to the profession. In the condition of Phosphatic Urine, its action is marvellous. Its use in the Rheumatic and County Diseases afford me more comfort than either the Buffalo or Londonderry Waters.

Very truly yours,  
JOHN HEY WILLIAMS, M. D.

We guarantee that one glass of Harris Lithia carbonated water will relieve any case of indigestion in one minute or our agent is authorized to refund you the money, or if taken after each meal will cure the most stubborn case of indigestion. Why suffer when you have the guarantee?

M L MARSH,  
Agent for Concord.

The Richmond Dispatch gives an account of a holiness meeting in Kent county of that State which was begun on Sunday by the holiness, sanctified preacher abusing those who did not take his way till a Methodist preacher present called him down. A serious affair was narrowly averted. We'd rather risk getting along with a man who does sin than one who does not in his own estimation.

## A LIFE AND DEATH FIGHT.

Mr. W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5.00 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure Throat, Chest and Lung troubles."
