## THE WIDOW COMPENSATED.

The Jr. O. U. A. M. Making Their Settlement Since the Death of Their Member—Church News.

Written for The Standard.

Glass, Oct. 23.—The pretty weather still continues and the farmers are very busy sowing wheat and pulling corn.

Mr. G W Winecoff, who is attending school at Huntersville, spent Saturday and Sunday with his father, Mr. S W Winecoff.

Miss Ruth Caldwell from Concord and a young man from Harrisburg are visiting at F W Glass'.

Mr. Will Horner, of Salisbury, was here yesterday in the interest of the Junior Order of American Mechanics. He made the arrangement for Mr. Douglas Patterson's widow to draw two hundred and fifty dollars. Besides this they paid her five dollars per week during Mr. Patterson's illness.

Some young men and boys have been shooting birds in this section. We would advise them to stop this until the 15th of November. We hope a hint to the wise will be sufficient.

O'possums are right plenty here this season. Robt. Pethel has caught forty-two.

The Center Grove people will hold their annual Children's Day Sunday. A pleasant time is expected.

Rev. J F Pharr is visiting his father in Georgia, so there will be no preaching at Bethpage until the fourth Sunday in November.

## Protracted Meeting at Central Church.

A protracted meeting is in progress at Central Methodist church and will continue during this week. The other Methodist ministers here will assist the pastor, Rev. J E Thompson. The services will begin at 7.30 each evening.

Rev. T W Smith will conduct the services tonight.

## Their Mode of Playing.

Two negroes were arraigned before Mayor Means Monday night for fighting. The negroes used as their weapons a wagon whip and brick-bats but on trial they both claimed that they were not mad and that this was their way of playing with each other. The case was dismissed.

## Returns to Railroad Work.

Young Caldwell, who for some time has been staying at Mr. Fred Glass' at Glass, left Monday night for Virginia where he will again resume work as a telegraph operator. His first place to work is near Berkeville, Va.

## Killed in a Card-Playing Fight.

Sunday Wm. Floyd and Henry Aldridge, both white were playing cards near Silver postoffice, southwest of this place, when they quarreled and fought. Floyd was stabbed by Aldridge and died from the effects. Aldridge escaped. Floyd was just off the chain gang of Union county.

## AN EXCELLENT SCHOOL.

Georgeville Academy Has a Good Attendance and a Brighter Future—Arranging a Public Debate—Honeymoons Not Far Away.

Written for The Standard.

GEORGEVILLE, Oct. 23.—Farming in this section has not been as much of a failure as people thought. There will probably be a half crop of cotton, and the farmers will have an average crop of corn.

Mr. Hugh McWhirter will soon move in the house near the academy made vacant by Mr. Will Widenhouse, who moved to Concord.

We have only a few hundred inhabitants, but we judge from Madame Rumor's report there will be a general increase before long. The Madame informs us that there will be before Christmas twelve couples setting sail on the dark and mysterious sea of matrimony. We old folks wish them a happy voyage.

The young gentlemen of the Grady literary society are going to give a public debate one Friday night soon. The question for debate is, "Resolved, That we should have woman's suffrage." The speakers are A L Aycock, J P Cox and A M Shinn on the affirmative; W H Turner, B A Brown and W B Shinn on the negative.

Under the voice and prudent management of Prof. Albright, Georgeville now has one of the foremost schools of the county, and we anticipate a larger attendance in the future.

## They Attended the Fair.

Besides the number that had already returned home from the State Fair, a large crowd reached here Monday night, after taking in the Fair and visiting their relatives there. The following composed the party: Dr. and Mrs. W H Lilly, Mrs. J D Arnold, Misses Lucy Lore, Lizzie Montgomery, Annie Furgeson, Alice Sims, Katherine and Elsie Morrison, and Stuart Morrison.

## Thus They Were Married.

An exchange prints the following marriage ceremony which was said by a Tennessee Squire a short time ago: "Wilt thou take her for thy pard; for better or for worse; to have, to hold, to fondly guard till hauled off in a hearse? Wilt thou let her have her way, consult her many wishes; make the fire every day and help her wash the dishes? Wilt thou comfort and support her father and mother, Aunt Jemima and Uncle John, three sisters and a brother?" And his face grew pale and blank; it was too late to jilt; as through the floor he sank he said: "I wilt."

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor, of Wind Ridge, Greene county, Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by M. L. Marsh & Co., Druggist

## WAR IN SOUTH AFRICA.

Bad on the Boers--Rumors of Surrender.

The war thus far in South Africa is very depressing to the Boer cause. British victories seem the rule. The Boers have fought valiantly, but suffered defeat with greater losses than the enemy. Gen. Buller is not yet on the ground, and the blows that the Boers expected to strike before his arrival seem to have rebounded on them. It is expected that they will now take position in their passes and natural strongholds. Dispatches even say that President Kruger favors unconditional surrender. These dispatches lack confirmation, however.

The casualties in the fight on 21st, at Elandslaagte, are, for the British, five officers killed, including one colonel and thirty wounded, non commissioned officers and men, 27 killed and 175 wounded. The Boer loss is not so well known, but is estimated decidedly greater including two generals killed and several ranking officers captured.

## Mrs. Allen Purchases a Lot.

Mrs. Laura Allen, of Winston, who is here at the bedside of her mother, Mrs. Ann Fink, has purchased from her mother the lot on the corner at the intersection of Georgia avenue and Academy street near Mr. P B Fetzer's.

President McIver furnishes the following interesting statistics: Of the first 426 students enrolled at the State Normal and Industrial College 142 are members of the Methodist Episcopal church; 122 of the Presbyterian church; 39 of the Episcopal church; 14 of the Christian church; 11 of the Protestant Methodist church; 5 of the Lutheran church; 1 is a member of the Friends church; 1 of the German Reformed church; 1 of the Advent church; 1 of the Jewish church; 391—total church membership. Of the 35 non-church members, 2 prefer the Friends church; 6 the Presbyterian; 11 the Baptist, and 16 the Methodist. — Greensboro Patriot.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. M. L. Marsh & Co. will refund your money if you are not satisfied after using it. It is everywhere admitted to be the most successful remedy for bowels, colic, cholera, dysentery, and the only one that never fails. It is pleasant, safe and reliable.

—Messrs. Will Gibson and Gaston Means and his friend, Mr. Schull, returned to Chapel Hill this morning.

## A LIFE AND DEATH FIGHT.

Mr. W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5.00 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure Throat, Chest and Lung troubles." Regular size 50c and \$1.00. Trial bottles free at Fetzer's Drug Store.
