

A MOTHER TELLS HOW SHE SAVED DAUGHTERS LIFE.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering. Yours truly, Mrs. Geo. F. Burdick, Liberty, K. I. For Sale by M. L. Best of All the Trophies.
Rather the most endearing of all the trophies of the war with Spain goes to Rear Admiral Schley. It is a silver dinner set and loving cup made purely from the silver that went down with the Christobal Colon.
In the safe of that vessel was found silver coin, chiefly Spanish. It had only bullion value of course.
It was worth about \$3,800 and was bought by Ex-Postmaster General Gary, Banker Hamilton, of Philadelphia, and Banker Ffoulke, of Washington. Others were allowed to participate in the expenses which for the silver the making and the embellishment amounts to about \$6,000. The designs on the ware and the cup will be the most vivid reminders of the scenes of that memorable battle and the admiral prizes it most highly of all the marks of honor bestowed on him.

Brave Men Fall
Victims to stomach, liver and kidney troubles as well as women, and all feel the results in loss of appetite, poisons in the blood, backache, nervousness, headache and tired, listless, run-down feeling. But there's no need to feel like that. Listen to J. W. Gardner, Idaville, Ind. He says: "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents, at Fetzler's Drug Store. Every bottle guaranteed.

South African Trouble.
The South African situation is full of interest. Gen. Yule has effected a junction with Gen. White. The latter had another conflict with the Boers on the 25th, with some casualties.
Gen. Symons died of his wound received on the 20th.
Another call has been made by the queen for 5,000 troops to sail for the seat of war early next month.
The great question seems to be, can the British ward off calamity till the commander and his army arrive?

An Eye to Business:
"Yes," said the old man, addressing the young visitor, "I'm proud of my girls and would like to see them comfortably married, and as I have made a little money they shall not go to their husbands penniless. There's Mary, 25 years old, and a real good girl. I shall give her five thousand dollars when she marries. Then comes Bet, who won't see 35 again. I shall give her ten thousand dollars; and the man who takes Eliza, who is 40, will get fifteen thousand with her." The young man reflected a moment or so, and inquired: "You haven't one about fifty, have you?"—Our Church Paper.

Kings and Kings.
One of the London stationery journals constructed this ingenious play upon words: The most powerful king on earth is wor-king; the meanest king, shir-king; the most popular king, smo-king; and the leanest one, thin-king; and the slyest one, win-king; and the most garrulous one, tal-king; and the thirstiest one, drin-king. And then there is the hac-king, whose trade's a perfect mine: the dark-skinned monarch, blac-king, who cuts the greatest shine: not to speak of ran-king, whose title's out of question; or famous ruler ban-king, of good finance digestion.—American Stationer.

Typhoon Made a Tidal Wave.
The typhoon, that it was feared had destroyed the transport Senator with our soldiers, produced a tidal wave on the coasts of Japan that destroyed hundreds of houses, and produced much distress, though the loss of life is not reported as very great.

Durham Has Another Fire.
Durham had another fire Wednesday morning. No building was lost, but much damage (estimated at \$1,000) was done to the books, carpets, etc., in the law office of Fuller, Winston and Fuller, where the fire originated, and the harness store of B C Woodall. The origin of the fire is surmised to have been a match and a rat.
