CONCORD, N. C., Oct. 30.

STOP THIS NUISANCE.

The Standard most strenuously protests against a habit of some of our boys in town in the matter of parloining dogs. It is probably looked upon more as a joke or piece of sharp mischief than of criminal purpose, but it is as disgraceful of the rights of others to enjoy the exclusive uses of that which is their own as any species of dishonesty. If dogs are desirable for these boys in hunting season they are equally as desirable for the country people who have the manly independence to raise or buy the dogs they want.

The fact that before the law the dogs have no protection as property, except under certain provisions, and therefore the taking of a man's dog cannot be punished as a crime, makes it none the less a moral crime and a shame. Do perpetrators of this piece of trashy business and absolute wrong to their fellow-men go so far as to say that they have sufficient depravity to take any and all kinds of property from their neighbors, and that they are only restrained by the law?

To the wiles of the whole canine tribe is a matter of little concern or annoyance, but the latest phases of the Kentucky campaign makes it a disgraceful glory for Grobel. A Louisville dispatch of the 29th inst. says: Gov. Backner, senator Lindsay, Col. Brockbridge and ex-Congressman Owens have declared that they will vote the Republican candidate for Governor. The Republican campaign is in the State by a prospective vote of forty to fifty thousand.

It is understood that Brown will cheerfully see votes going to Taylor, as he cannot hope to win, and it is even expected that he will so advise.

A Cape Town dispatch of the 21st says Mafeking suffered a four-hour bombardment in which a dog was killed all else was well. The Boers have the satisfaction at least of having knocked some of the bark off.

board to see if, in the interest of the good name and therefore the trade patronage of our city, there cannot be an ordinance framed that will empower our policemen to break up this piece of meanness.

We are under the impression that the charter would justify any ordinance that the board feels is necessary for the good name and the moral or the trade interests of the town. From the most common principles of right this thing should stop at once and we cannot believe that the interests of the town, the rights of the country people and the high sense of moral principle of a whole community be helpless before this freak of depravity and wantonness.

THAT "Prominent Republican," who, according to the Greensboro Record, so severely reflected upon Judge Ewart's court as being run in the interest of Senator Pritchard has raised quite a stir, and is very much called for. His statements bear the face of petulance and incredulity when uttered. He should make them good or make due amends.

Those who wish to keep a copy of "The Man With the Hoe" which we copied a few days ago will please take their copy and mark the letter "s" instead of the letter "e" in the third stanza and third line making it read "Swing of Pleiades."

THE Winston Horse Show, Carnival and Fair closed Saturday and is said to have been a success in every way, especially as to finances, where so many fairs fail. It's a pity we can't have more successful county fairs.

You assume to know when you buy Chamberlain's Cough, Whooping Cough and Bronchitis Remedy, M. L. Means will be glad to tell you more about it. It is a medicine that is sold all over the world. It is a medicine that is sold in every country. It is a medicine that is sold in every city. It is a medicine that is sold in every town. It is a medicine that is sold in every village. It is a medicine that is sold in every hamlet. It is a medicine that is sold in every place.

ALL PERSONS TAKE NOTICE!

ORDINANCE No. 4—That no person shall fire any kind of fireworks of any description within the corporate limits of said town. Any person violating the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined fifty dollars or imprisoned for 30 days. On the 24th of Oct. the Board of Commissioners at this meeting discussed the expediency of suspending the above ordinance during the Christmas holidays. They decided that there should be no suspension, but that it should remain in full force, and effect.

I therefore, give notice to all dealers that they may regulate their purchases accordingly, and I further give notice to the public generally, that the ordinance shall be strictly executed and no person shall be promptly arrested who violate it, whether the firing be upon the streets or upon private property.

J. F. HARRIS,

My lungs became hardened. I was so weak I couldn't even get up in bed. Nothing helped me. I expected soon to die of an asthma, when I heard of Dr. King's New Discovery. One bottle gave me relief.
