CONCORD, N. C., Oct. 30.

STOP THIS NUISANCE.

The Standard most strenuously protests against a habit of some of our boys in town in the matter of purloining dogs. It is probably looked upon more as a joke or piece of sharp mischief than of criminal purpose, but it is as disregarding of the rights of others to enjoy the exclusive uses of that which is their own as any species of dishonesty. If dogs are desirable for these boys in hunting season they are equally as desirable for the country people who have the manly independence to raise or buy the dogs they want. The fact that before the law the dogs have no protection as property, except under certain provisions, and therefore the taking of a man's dog cannot be punished as a crime, makes it none the less a moral crime and a shame. Do perpetrators of this piece of disobligingness and absolute wrong to their fellowmen mean to say that they have sufficient depravity to take any and all kinds of property from their fellowmen, and that they are only restrained by the law? To the writer the whole canine tribe is a matter of little concern or value and is a nuisance, but recreative sports are necessary and good and a dog probably serves a purpose for good to his owner quite in contrast with the irritating effects on the minds of owners made by this cruel trespass on their sense of right or their legitimate attachments. For it is well known that a dog by his fidelity to his master and his boundless affection knits himself well into his owner's attachments. There are plenty of men whose dog you dare not interfere with. Do these perpetrators of this wrong admit, that in a cowardly way, they select timid victims from the country and shun many whom they dare not trifle with? Is it a fact too that a traveling man who naturally and properly wants his dog with him can't pass through Concord without danger of having his dog stolen from him? Shall country people be cramped about coming to their own town and county seat lest their dogs that usually follow their teams shall be penned up here in a kennel? We ask parents who should guard and cultivate in the minds of their boys an abiding sense of right in all things between man and man to check this symptom of a pernicious principle. We ask Mayor Means and the town

board to see if, in the interest of the good name and therefore the trade patronage of our city, there cannot be an ordinance framed that will empower our policemen to break up this piece of meanness.

We are under the impression that the charter would justify any ordinance that the board feels is necessary for the good name and the moral or the trade interests of the town. From the most common principles of right this thing should stop at once and we cannot believe that the interests of the town, the rights of the country people and the high sense of moral rectitude of a whole community lie helpless before this freak of depravity and wantonness.

THAT "Prominent Republican," who, according to the Greensboro Record, so severely reflected upon Judge Ewart's court as being run in the interest of Senator Pritchard has raised quite a stir, and is very much called for. His statements bear the face of petulance and uncredibility when uttered. He should make them good or make due amends.

Those who wish to keep a copy of "The Man With the Hoe" which we copied a few days ago will please take their copy and mark the letter "s" instead of the letter "e" in the third stanza and third line making it read "swing of Pleiades."

THE Winston Horse Show, Carnival and Fair closed Saturday and is said to have been a success in every way, especially as to finances, where so many fairs fail. It's a pity we can't have more successful county fairs.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. M. L. Marsh & Co. will refund your money if you are not satisfied after using it. It is everywhere admitted to be the most successful remedy in use for bowel complaints and the only one that never fails. It is pleasant, safe and reliable.

Gloomy for Goebel.

The latest phases of the Kentucky campaign makes it awfully gloomy for Goebel. A Louisville dispatch of the 28th says, ex-Gov. Buckner, Senator Lindsay, Col. Breckenridge and ex-Congressman Owens have declared that they will vote the Republican gubernatorial ticket. The Republican chairman claims the State by a prospective majority of forty to fifty thousand. It is understood that Brown will cheerfully see votes going to Taylor, as he cannot hope to win, and it is even expected that he will so advise.

A Cape Town dispatch of the 21st says Mafeking suffered a four-hour bombardment in which a dog was killed all else was well. The Boers have the satisfaction at least of having knocked some of the bark off.

A THOUSAND TONGUES

Could not express the rapture of Annie E. Springer, of 1125 Howard st., Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her hacking cough that for made years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure "it soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I reel like sounding its praises throughout the Universe." So will every one who tries Dr. King's New Discovery for any trouble of the Throat, Chest or Lungs. Price 50c. and \$1.00. Trial bottles free at Fetzler's Drug Store; every bottle guaranteed.

HARRIS LITHIA WATER

is the strongest Natural Lithia water on the market and has the endorsement of the most noted physicians of the country as to its superiority over all others. Read what the noted Dr. John Hey Williams, of Asheville, has to say for Harris Lithia, springs.

Asheville, N. C., April 24, 1893.

An extended clinical use of Harris Lithia Water prompts me to the statement that I regard it as one of the best if not the best, Lithia Water known to the profession. In the condition of Phosphatic Urine, its action is marvellous. Its use in the Rheumatic and County Diseases afford me more comfort than either the Buffalo or Londonderry Waters.

Very truly yours,
JOHN HEY WILLIAMS, M. D.
We guarantee that one glass of Harris Lithia carbonated water will relieve any case of indigestion in one minute or our agent is authorized to refund you the money, or if taken after each meal will cure the most stubborn case of indigestion. Why suffer when you have the guarantee?

Brave Men Fall

Victims to stomach, liver and kidney troubles as well as women, and all feel the results in loss of appetite, poisons in the blood, backache, nervousness, headache and tired, listless, run-down feeling. But there's no need to feel like that. Listen to J. W. Gardner, Idaville, Ind. He says: "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents, at Fetzler's Drug Store. Every bottle guaranteed.

ALL PERSONS TAKE NOTICE!

ORDINANCE No 4.—That no person shall fire any kind of fireworks of any description within the corporate limits of said town. Any persons violating the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined fifty dollars or imprisoned for 30 days.

On the 24th of Oct. the Board of Commissioners at this meeting discussed the expediency of suspending the above ordinance during the Christmas Holidays.

They decided that there should be no suspension, but that it should remain in full force, and effect.

I, therefore, give notice to all dealers that they may regulate their purchases accordingly, and I further give notice to the public generally, that the ordinance will be strictly executed and persons will be promptly arrested who violate it, whether the firing be upon the streets or upon private property.

J. F. HARRIS,
Chief Police.

HIS LIFE WAS SAVED.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever and ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected soon to die of consumption, when I heard of Dr. King's New Discovery. One bottle gave me relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvellous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular size 50c and \$1. Trial bottles free at Fetzler's Drug Store. Every bottle guaranteed.
