

WINE OF CARDUI

A LITTLE DOES MUCH.

Boone, Iowa, Dec. 14.

No tongue can tell what I have endured in the past ten years with my monthly sickness. While suffering untold agony, a friend called and recommended Wine of Cardui. I sent for a bottle, and Oh! what relief. After the first dose I began to feel better and have had no pain since.

MRS. GRACE LAMPHERE.

WINE OF CARDUI

Wine of Cardui not only cures but it acts AT ONCE. Here is a case of ten years' standing, and yet one single dose made the sufferer feel better, and stopped the pain. The Wine goes straight to the seat of the trouble. It acts directly upon the menstrual and genital organs. Its action is not violent, and it does not force a result. It simply gives Nature that little assistance that the sufferer's system lacks. A single disorder in the feminine organs spreads many disorders all over the body, and when the Wine cures the source, all the other ills vanish as a matter of course. A woman can be her own physician and cure herself at home. Local examinations are largely things of the past—the obnoxious custom is no longer necessary. Wine of Cardui is the only perfectly safe and sure vegetable Wine made to-day for the cure of "female troubles".

A MOTHER TELLS HOW SHE SAVED DAUGHTERS LIFE.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering.

Yours truly, Mrs. Geo. F. Bardick, Liberty, E. I. For Sale by M. L. Marsh & Co., Druggist.

Boers Get the Better of It.

The war in South Africa has taken a turn in favor of the Boers. An engagement occurred Tuesday in which the British troops at Ladysmith lost two whole regiments. The Boer General, Joubert, it seems, laid a well conceived plan to draw the British forces in to a trap. He withdrew before the British troops till Gen. White sent two regiments into a position in which they were quickly surrounded and after fruitless efforts had to surrender.

It seems fairly certain that Ladysmith will be taken if not soon evacuated.

Gen. Buller's troops are arriving and though not intended for the army in these quarters may have to go to the rescue. The Boer spirits are now on top.

Scriptural Application.

A clergyman and one of his elderly parishioners were walking home from church one icy day last winter, when the old gentleman slipped and fell flat on his back. The minister, looking at him a moment, and assured that he was not hurt, said to him:

"James, sinners stand on slippery places."

The old gentleman looked up as if to assure himself of the fact, and said:

"I see they do, but I can't."—Short Stories.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor, of Wind Ridge, Greene county, Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by M. L. Marsh & Co., Druggist.

Done Up By Muskrats.

A Chicago dispatch tells the story of a hunter and his dog being attacked by a herd of muskrats. They assailed and killed the dog while the master slew them by squads when he fired into them, only to find the number not apparently lessened. Had not rescuing parties reached him quickly he would have gone the way of his dog.

Millions Given Away.

It is certainly gratifying to the public to know of one career in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles of this great medicine, and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, Bronchitis, Hoarseness and all diseases of the Throat, Chest and Lungs are surely cured by it. Call at Fetzler's Drug store and get a free trial bottle. Regular size 50c. and \$1. Every bottle guaranteed, or price refunded.

Still Another Trophy.

Another of the Spanish gunboats sunk by Spaniards near Manila to prevent Dewey from doing it, has been raised. Uncle Sam seems to beat Spain at both sinking and raising a navy.
