

## WINE OF CARDUI

### WOMEN WHO WORK.

St. Louis, Mo., Aug. 12.

Though only 19 years old, I suffered from pain and trouble for two years. Last spring I got so bad I had to quit work. I had to support myself, and could not afford a high-priced doctor. I got one bottle of Wine of Cardui and that made me feel better. Have now used several bottles and am well. My mother used the Wine for Change of Life and was greatly relieved.

MISS MARGARET WALSH.

### McELREE'S Wine of Cardui

Many girls and women find it necessary to earn their own living in various kinds of employment. Their work is often so hard and confining that the health breaks down. Their delicate constitutions are unfitted for tiresome tasks. Weakness nearly always makes its appearance in the peculiarly delicate womanly organs. Constant standing on the feet, and coming and going at the beck of a superintendent or foreman, induces falling of the womb, leucorrhoea, headache and backache. The pay of women workers is often notoriously small that when sickness comes they have no money to engage skillful physicians. To them Wine of Cardui is truly a blessing. It cures them of their ills at a small cost, and they can act as their own physicians. No doctor can do as much for "female troubles" as Wine of Cardui.

## WINE OF CARDUI

It will not be a surprise to any who are at all familiar with good qualities of Chamberlain's Cough Remedy, to know that people everywhere take pleasure in relating their experience in the use of that splendid medicine and in telling of the benefit they have received from it. Of bad colds it has cured, of threatened attacks of pneumonia it has averted and of the children it has saved from attacks of croup and whooping cough. It is a grand, good medicine. For sale by M. L. Marsh & Co.

### NO RIGHT TO UGLINESS.

The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly, and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and purify the blood. It gives strong nerves, bright eyes, smooth, velvet skin, rich complexion. It will make a good-looking, charming woman of a run down invalid. Only 50c. at Fetzer's Drug Store.

### Nasal CATARRH

In all its stages there should be cleanliness.

**Ely's Cream Balm** cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Druggists or by mail, Trial Size, 10 cents by mail.

### While There is Life There is Hope.

I was afflicted with catarrh; could neither taste nor smell and could hear but little. Ely's Cream Balm cured it.—Marcus G. Shantz, Rahway, N. J.

The Balm reached me safely and the effect is surprising. My son says the first application gave decided relief. Respectfully, Mrs. Franklin Freeman, Dover, N. H.

The Balm does not irritate or cause sneezing. Sold by druggists at 50 cents, or mailed by Ely, Brothers, 56 Warren St., New York.

The Orange, Va., Observer says: In the forenoon of life man has an idea that it would take a mighty big church to hold his friends, if they should all be drawn to the same sanctuary at the same time, but ere the dentist has put in his second set of teeth he has come to the conclusion that one of the short pews near the stove would not be crowded if they should all sit down together to warm their feet.

### When Will the Meteors Fall?

The time is near for the meteoric shower. The calculations are a little varied and uncertain. The Dunn Union says: Prof. J. F. Lanneau, of the department of Physics and Applied Mathematics of Wake Forest college, writes a citizen of Davidson in answer to an inquiry about the falling of the stars:

"There will be a remarkable shower of stars this year, very much like the ordinary 'shooting stars' we see now and then of an evening quickly shooting across the sky with more or less of bright trail, and suddenly disappearing. Only, in the shower, there will be many hundreds of them succeeding each other irregularly for four or five hours, and all seeming to come from the same part of the sky, namely from about the constellation of stars, known as, 'Leo,' or 'The Lion.'

"You may see that constellation of stars of an evening now, say at 8 or 9 o'clock, and may know it by its position and shape. You may see it well up above the Eastern horizon, its prominent stars being in the shape of an old-fashioned grass blade.

"The shower will occur the night of Monday, November 13, or rather before daylight next morning. It may begin at any time after midnight of Monday, the 13th, lasting several hours, perhaps until daybreak. Or it may not occur until Tuesday night, the 14th, after midnight.

"It will be well worth the sitting up two successive nights. It occurs every 33 years. Possibly it may be seen only in Europe, occurring during our day time, as it did in 1866. But keep a look out—it will be worth the trouble."
