Auspicious Beginning.

The protracted meeting at Cannonville Presbyterian church began very auspiciously last night. Rev. Mr. Lacy preached an excellent and stirring sermon on "What will you do with Jesus, which is called Christ?" The interest was good all over the large congregation, and all seemed to enjoy the whole service. Preaching this afternoon at 5 o'clock and tonight at 8 o'clock. Everybody is cordially invited to come.

To Hold Services at the County Home.

Some time ago the fact was noted that only occasionally are religious services held at the county home. The Epworth League of the Methodist church here has decided to hold services there one Sunday in each month. Several of the members accompanied Rev. J D Arnold there Sunday afternoon.

Jurors to Federal Court.

The jurors for the Federal court, which convenes on the second Monday in December, from this county, are as follows:

James Welsh, John Lady, J C Sossaman, D D Barrier, M L Blume, S W White, Charles C McDonald and S S McWhirter.

Watch Parties In Order.

As it is uncertain when the meteors will fall the couples will take advantage of the doubt and watch for them until the small hours. Numbers of parties have been organized so the meteors can't fall over Concord's head unseen.

Hurricane in Jamaica.

Dispatches indicate that Jamaica again suffered severely from a hurricane last Thursday. The banana regions suffered very much.

A Former Cabarrus Man Dies In Illinois.

From the Nokomia Ill. Gazette we see that Mr. Matthias Sides, of that place, died on the 27th of last month at the age of 78 years. Mr. Sides leaves behind a wife and eleven children. Mr. Sides is a former Cabarrus man and has numbers of relatives in this county. He is a brother of Mrs. Billy Cook, of this place. He left this county about fifty years ago and when he died was the oldest settler in that county of Illinois. In the account of his death the paper states that he was a copartner in the first grist mill in that county. His copartner left the county mysteriously and Mr. Sides had to sustain all of the debts on the enterprise, leaving him almost destitute.

Two Drunken Fellows Handled.

On Saturday night a man got off of the train so badly intoxicated that he had to be hauled to jail in a conveyance. He paid his cost and was released Sunday after lying in jail Saturday night and sobering up. A man from the country was also jailed Saturday night for being drunk. His friends paid his expenses and he was also released Sunday.

U. D. C.'s Undertaking.

The United Daughters of the Confederacy in session in Richmond last week voted to buy Beauvoir, the Jefferson Davis homestead in Mississippi and make of it a Confederate Soldiers' Home. Later in the day they reconsidered the action and will not buy. They appropriated \$500 from their treasury to the Jefferson Davis monument fund and have undertaken its completion. Mrs. Davis sent them a letter of grateful appreciation of this great undertaking.

THOM-GILLON WEDDING.

Two of China Grove's Most Popular People Wed—A Change in the System of Night Work—Baptismal Exercises. Written for The Standard.

GLASS, Nov. 13.—The Patterson Cotton Mill Company has adopted a new system of working the night operatives. Instead of working from Monday night until twelve o'clock Saturday night they work from Monday night until six o'clock Saturday morning, for which they receive pay for six nights. They all seem very much pleased with the change.

The Baptist meeting which has been held here by Rev. Stallings and Rev. Hoge, closed yesterday by the immersion of three. The immersion took place in Sechler's old mill-pond about one mile from town.

Mr. D B Patterson, a student of the China Grove High School, left this morning for Mt. Airy.

Mr. Baxter Gillon, of Concord, and Miss Beulah Thom, daughter of Mr. and Mrs. J A Thom, were married Sunday evening in Salisbury by Dr. Rumble. This was quite a surprise to all. Miss Thom is one of our most refined and beautiful young ladies. Mr. Gillon is a popular young man here, with a bright future before him. We extend our most hearty congratulations to the beautiful couple.

Mr. Kimmons Saves Us.

Last week Mr. Mack Kimmons, of No. 2 township, saw in his Weekly Standard that Mecklenburg had furnished us an enormous sized turnip, and feeling a pride in old Cabarrus he made an effort to save us from being outdone by our sister county, and succeeded. In our office is his large turnip which measures 27 inches in circumference which beats the former one. Three of the turnips he brought us measured a total of 75 inches in circumference.

Walter-Cook Marriage.

At 4 o'clock Sunday afternoon at the Lutheran parsonage, Rev. C B Miller tied the connubial knot for Mr. Edgar Walter and Miss Fannie Cook. The bride is the daughter of Mr. Frank Cook, of Forest Hill. The groom is a compositor and for many years has been employed in this office. May a life, filled with joy and bliss, be their lot.

Another Position Tendered Him.

Mr. S R Gulley, the gentleman who last week began work in the freight department at the depot, has gone to Durham where he was offered a position. He is working for the Norfolk & Western road.

The Vice-President Railing.

Vice-President Hobart has improved somewhat, being able to sit up some in an easy chair and also to eat fairly well.

NO CURE, NO PAY.

That is the way all druggists sell Grove's Tasteless Chill Tonic for chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults refer to it as bitter, nauseating Tonic. Price, 50c.
