

NO RIGHT TO UGLINESS.

The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly, and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and purify the blood. It gives strong nerves, bright eyes, smooth, velvet skin, rich complexion. It will make a good-looking, charming woman of a run down invalid. Only 50c. at Fetzner's Drug Store.

Nasal CATARRH

In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

Cotton Seed Oil Men Organize.

Representatives of a number of cotton seed oil mills in the piedmont section met at the Central Hotel last night and effected an organization for their mutual benefit.

The name selected for the organization is The Piedmont Seed Crushers' Association. Mr. Thomas J. Martin, of Chester, S. C., was elected president, and Dr. J. P. Munroe, of Davidson, secretary.

Messrs. W. A. Smith, of Concord; W. S. Lee, of Monroe; Mr. Martin, the president, and Dr. Munroe, the secretary, were appointed an executive committee.

After attending to some routine business, the meeting adjourned to meet at the call of the president.—Charlotte Observer of the 14th.

Another Kidnapping Case.

Woodbridge, Conn., is wrought up over the kidnapping of little Myra Hanson, the five-year old daughter, of Mr. and Mrs. Charles Hanson. The little girl was playing near the house last Thursday evening. A man and woman were seen to pass the house and later when Myra was called she did not answer. The distress of parents and the indignation of searching neighbors needs no description.

While There is Life There is Hope.

I was afflicted with catarrh; could neither taste nor smell and could hear but little. Ely's Cream Balm cured it.—Marcus G. Shautz, Rahway, N. J.

The Balm reached me safely and the effect is surprising. My son says the first application gave decided relief. Respectfully, Mrs. Franklin Freeman, Dover, N. H.

The Balm does not irritate or cause sneezing. Sold by druggists at 50 cents, or mailed by Ely Brothers, 56 Warren St., New York.

A Pretty Good Shot

Mr. I. D. Stainback, the popular trunk seller, has never posed as an expert shot as far as we know, but he did something last Saturday the best of them can't boast of often. He was out hunting with Mayor Southerland when his dog came to a stand. Approaching near enough to shoot, Mr. Stainback saw a rabbit squatting in the grass, and so remarked to his companion. The latter about the same time discovered a bird. Neither saw what the other did and each insisted that what he was looking at was the object the dog had pointed. The Mayor told Mr. Stainback to step back and get in line with the bird (as yet unseen by the latter) and shoot the rabbit. This he did and the result was he killed both at one shot, although the rabbit was the only thing he saw. Now there is a dispute as to who killed the bird, that is who deserves the credit for it, the man who fired the gun or the man who gave directions. Another case of determining who is the mother of the chicken, the hen that laid the egg or the hen that hatched it.—Henderson Goldleaf.

Sold by druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

Sad News From Manila.

The electric flash at 9:30 today (Tuesday) brought the message from Manila that Major John A. Logan is dead. His body will be brought home.

Whether his death was from sickness, accident or the casualty of battle we are not informed.

Major Logan (if we are not mistaken) is the son of the illustrious statesman of the name, and was quite a young man. His mother, too, is regarded as probably the best example of feminine statesmanship and diplomacy that America has ever produced.

Used By British Soldiers in Africa.

Capt. C. G. Dennison is well known all over Africa as command of the force that captured the famous rebel Galishe. Under date of Nov. 4, 1897, from Vryburg, Bechuanaland, he writes: "Before starting on the last campaign I bought a quantity of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which I used myself when troubled with bowel complaint, and had given to my men, and in every case it proved most beneficial." For sale by M. L. Marsh & Co.

The Suicide Club.

We have organized clubs and associations many and varied but the last one on the roll is a suicide club. It is believed to have an existence in Frankfort, Indiana. A series of suicidal deaths have occurred and some evidence has leaked out. Morphine seems to be the favorite agency.

GLORIOUS NEWS

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows that thousands have proved, that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, help digestion, builds up the strength. Only 50 cents. Sold at Fetzner's Drug Store.
