STIFF PIANOS

"SING THEIR OWN PRAISE."
Under No Circumstances Can a Reality
Be Disputed;

And it is a reality that we make strictly
one grade. A large or small size, as
desired, but only one grade. Why buy
an instrument because it is advertised
cheap? Purchase an instrument that
stands high in the estimation of your
friends and the Greatest Musicians all
over the world. A Piano with a pure
tone, delicate touch, etc. In fact a
Piano with every improvement that is
beneficial to the wear; and at one price
within the reach of all, because we
save you the Middleman's Profit, and it
is worth saying, too.

Old instruments taken in exchange.
Terms accommodating. Catalogue for
the asking. Some bargains in square
pianos.

Missing Valise Sent to the Owner.

About a week ago Mr. Wade
Walter, of Concord, N. C., was
at the Southern depot, passing
through the city. He left his
valise in the waiting room and
when he went in to secure it
prior to boarding his train, it
was missing. He could not find
it. Some one had carried it off
through mistake. Officer Jack-
son, of the city police force,
after Mr. Walter's departure
found the valise, but had not
ascertained his address until
a few days ago, when he ex-
pressed the missing valise to
Mr. Walter.—Spartanburg Her-
ald.

Wilams, of Drake's Branch, Va.

Fire From Linseed Oil.

The steamship, Patria, burned
in the North Sea on Thursday.
The remarkable part is that the
fire was from the spontaneous
combustion of linseed oil. We
remember to have read a warning
that a rag, with which linseed
had been applied, dropped into
shavings or other combustible
matter is liable to ignite and pro-
duce a fire.

Seemed Like Prophecy.

Major Logan said to a friend
when he accepted his commission
as major to serve in the Philip-
pines, "If it is my fortune to lose
my life in the war I hope it will
be at the front, leading my
troops." It was fulfilled as
prophecy.

GLORIOUS NEWS

Comes from Dr. A. B. Carville, of
Washington, D. C. He writes: "One bot-
tle of Electric Bitters has cured me,
Brewer of scrofula, which had caused
my great suffering for years. Painful
sores would break out on my head and
face, and the best doctors could give no
help but my cure is complete and my
health is excellent." This shows that
thousands have proved that Electric
Bitters is the best blood purifier known.
It's the supreme remedy for eczema,
tetter, salt-rheum, ulcers, boils and run-
ning sores. It stimulates liver, kidneys
and bowels, expels poisons, help diges-
tion, builds up the strength. Only 25
cents. Sold at Fetzer's Drug Store.

NO RIGHT TO UGLINESS.

The woman who is lay-ly in
face, form and sense. All
ways have friends, but one who
would be attractive must keep
her health. If she is weak, sickly,
and all run down, she will be
nervous and irritable. If she has
constipation or kidney trouble,
impure blood will cause pimples,
blotches, skin eruptions and a
wretched complexion. Electric
Bitters is the best medicine in the
world to regulate stomach, liver
and kidneys and purify the blood.
It gives strong nerves, bright eyes,
smooth, velvet skin, rich com-
plexion. It will make a good-
looking, charming woman of a
run down invalid. Only 50c. at
Fetzer's Drug Store.
