THE SEATING OF ROBERTS.

Roberts Says His State Is Not Violating the Law—Senator Fry Is in the Vacant Chair—Looking Out a Vice-President.

From our Regular Correspondent.

Washington D. C.

Representative-elect Roberts, of Utah, is here, and it will doubtless be a surprise to the community at large to learn that he has neither horns nor hoofs. Mr. Roberts, on the contrary, is rather a fine looking, and seemingly very intelligent man. He strongly denounces the movement against him as being based on all manner of misrepresentations and falsehoods. He declares that Utah has not violated her compact with the other states simply because some men refuse to turn their wives adrift.

In regard to his seat, it is thought that Roberts will try to make a party affair of it. He will, if he succeeds in so doing, stand a good chance to keep his seat. Many Representatives declare that they will allow themselves to be governed by the views of their constituents, but this doesn't mean much.

Roberts cannot be unseated without a two-thirds vote, and Democrats voting against him will be voting against a free-silver man. Unless the Democrats vote against him, his seat is practically secure.

Tom Reed is gone, but his shadow still hangs over the House. It has about been decided that the "Reed Rules" will be maintained—only not quite so much so. That is, Speaker Henderson will be a trifle more gentle with Congressional lambs. It will be a great session for young Democrats.

The fight for the leadership of the minority goes merrily on. Bankhead, of Alabama, and

HE FOOLED THE SURGEON

All doctors told Benick Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed; but he cured himself with five boxes of Bucklen's Arnica Salve, the surest Pile cure on Earth, and the best Salve in the World. 25 cents a box. Sold at Fetzler's Drug Store.

Bismack's Iron Nerve

Was the result of his splendid health. Indomitable will and tremendous energy are not found where Stomach, Liver, Kidneys and Bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New Life Pills. They develop every power of brain and body. Only 35c at Fetzler's Drug store.

Are Your Scales and Measures Correct?

The law requires that every one must every two years have his scales and measures sealed by the standard weights and measures. Failure to comply with this law lays you liable to a fine of fifty dollars. I now have the stamping and sealing tools. You will find me at my blacksmith shop in lot at rear of Sappanfields store.

Richardson, of Tennessee, both appear to have good chances. Hon. Joe Bailey, of Texas, is not hinting the office this year. Altogether, it will be a very busy Congress that meets this time, and it is not unlikely that some important history may be made.

Contrary to the general belief, no successor need be chosen to Mr. Hobart. Senator Fry, of Maine, is already President pro tempore of the Senate. That body, however, has the power at any time to choose another presiding officer.

Representative Sherman, of New York, has received a letter from Manager Bradford, of the Langlate Deep Gold Mine, which throws some light on American feeling in the Transvaal. Mr. Bradford is a New Yorker and states that the Americans in South Africa will not take up arms on behalf of the Dutch, but, on the contrary, will protect American property from all comers. The letter states that the Boers are prepared to fight to the last, and that nearly every able-bodied man is under arms.

Marylanders in Washington are working up a little boom for Governor-elect John Walter Smith as Vice-President on the Democratic ticket. If he could get it, the Smith-family vote alone ought to elect him.

A SURE CURE FOR CROUP.

Twenty-Five Years' Constant Use Without a Failure.

The first indication of croup is hoarseness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croup appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by M L Marsh & Co.

My son has been troubled for years with chronic diarrhoea. Sometime ago I persuaded him to take some of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using two bottles of the 25-cent size he was cured. I give this testimonial, hoping some one similarly afflicted may read it and be benefitted.—Thomas C. Bower, Glencoe O. For sale by M L Marsh & Co, druggist.

M. L. Marsh & Co. guarantee very bottle of Chamberlain's Cough Remedy and will refund the money to any one who is not satisfied after using two-thirds of the contents. This is the best remedy in the world for la grippe, coughs, colds, croup and whooping cough and is pleasant and safe to take and prevents any tendency of a cold to result in pneumonia.

August Flowers.

"It is a surprising fact," says Prof. Houston, "that my travels in all parts of the world; for the last ten years, I have met more people having used Green's August Flower than any other remedy, for dyspepsia, deranged liver and stomach, and for constipation. I find for tourists and salesmen, or for persons filling office positions, where headaches and general bad feelings from irritable habits exist, that Green's August Flower is a grand remedy. It does not injure the system by frequent use and is excellent for sour stomachs and indigestion." Sample bottles free at Fetzler's drug store. Sold by dealers in all civilized countries.
