

Nasal CATARRH

In all the cases there should be a cure.

Life is a struggle. The disease of the nose is the most common. It causes a constant discharge of mucus, and a constant irritation of the nasal cavity. It is a disease that is often overlooked, but it is a disease that is often the cause of other diseases. It is a disease that is often the cause of a loss of sight, and it is a disease that is often the cause of a loss of hearing. It is a disease that is often the cause of a loss of voice, and it is a disease that is often the cause of a loss of memory. It is a disease that is often the cause of a loss of appetite, and it is a disease that is often the cause of a loss of sleep. It is a disease that is often the cause of a loss of energy, and it is a disease that is often the cause of a loss of vitality. It is a disease that is often the cause of a loss of health, and it is a disease that is often the cause of a loss of life.

Cremona's Nasal Catarrh Remedy is a powerful medicine that is often the cause of a loss of health, and it is a disease that is often the cause of a loss of life.

Cremona's Nasal Catarrh Remedy is a powerful medicine that is often the cause of a loss of health, and it is a disease that is often the cause of a loss of life.

Home Remedies.

For sore throat try a compress of cold water.

For bilious colic try soda and ginger in hot water.

For sick headache rub peppermint oil on the temples.

For nervous headache bathe the back of the neck with hot water.

For cold in the head try snuffing powdered borax up the nostrils.

A hop bag wrung from hot vinegar is a quick relief for earache.

Snuffing tannic acid is one of the best remedies for a serious case of bleeding at the nose. Dissolve the acid in water.

Tincture of arnica is the best application for sprains and bruises and equal parts of tincture of arnica and spirits of camphor make an excellent liniment for rheumatism.

A SURE CURE FOR COUGH.

Twenty Five Years' Constant Use Without a Failure.

The first indication of croup is hoarseness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croup appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record in twenty-five years' constant use as a failure. For sale by M. L. Marsh & Co.

If an artery is cut tie a small cord or a handkerchief tightly between it and the heart.

It will not be a surprise to any who are at all familiar with good qualities of Chamberlain's Cough Remedy, to know that people everywhere take pleasure in relating their experience in the use of that splendid medicine and in telling of the benefit they have received from it, of bad colds it has cured, of threatened attacks of pneumonia it has averted and of the children it has saved from attacks of croup and whooping cough. It is a grand, good medicine. For sale by M. L. Marsh & Co.

For legache and the "growing pains" of which the children complain, wrap the leg in salt water and then in flannel.

As a cure for rheumatism Chamberlain's Pain Balm is gaining a wide reputation. D. B. Johnston of Richmond, Ind., has been troubled with that ailment since 1862. In speaking of it he says: "I never found anything that would relieve me until I used Chamberlain's Pain Balm. It acts like magic with me. My feet were swollen and paining me very much, but one good application of Pain Balm relieved me." For sale by M. L. Marsh & Co. Druggist.

For neuralgia try wet cloths of alcohol and water, or paregoric, or laudanum and water, laid on a hot water bottle and the affected part steamed over it.

My son has been troubled for year with chronic diarrhoea. Sometime ago I persuaded him to take some of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using two bottles of the 25-cent size he was cured. I give this testimonial, hoping some one similarly afflicted may read it and be benefited.—Thomas C. Power, Glencoe, O. For sale by M. L. Marsh & Co. Druggist.

Good Town Even for Doctors.

Over the non-deplume of "Little Brown Creek," we note a writer in the Wadesboro Messenger an Intelligence under the head of "From Poplar Hill to Concord," the writer has the following to say of our city:

"Arriving in Concord we found a stirring, bustling city, that had quadrupled in size and population in the last ten or twelve years. They have about the same number of spindles as Charlotte, and more than twice the number of looms, and the mills are running night and day. We found a great many there from Anson, Staunly and Montgomery counties, and all seemed to be doing well. They pay good prices for work there. Everything in the market is high. After taking in the surroundings I concluded it was a splendid location for the doctors."

[We confess that the last sentence bewilder us somewhat. Our doctors, we believe, are all keeping the wolf a good distance from the door, but there's more in good collections than a multiplicity of business, and a thrifty community is good for doctors as well as all others. We think it fair to presume this was the writer's thought rather than that our city needs doctor's more than other places.]

A Night of Terror

A fearful night was full for the widow of the late General Percival of Mechanics, Me., when the doctor said she could not live till morning," writes Mrs. S. H. Linn in who attended her that fearful night. All thought she must soon die from pneumonia, but she begged for Dr. King's New Discovery, saying it had more than once saved her life, and had cured her of Consumption. After three small doses she slept easily all night, and in further use completely cured her." This marvelous medicine is guaranteed to cure all Throat, Chest and Lung Disease. Only 50c and \$1.00. Trial bottles free at Fetzer's drug store.

Chasing Aguinaldo.

They are after Aguinaldo as hounds after a fox. In a recent little fight in a mountain pass Gen. Gregorio del Pilar, commanding Aguinaldo's body guard, was killed. He is said to have been a brilliant and gallant young officer.

Cold Steel Or Death.

"There is but one small chance to save your life and that is through an operation" was the awful prospect set before Mrs. I. B. Hunt, of Lime Ridge, Wis., by her doctor after vainly trying to cure her of a frightful case of stomach trouble and yellow jaundice. He didn't count on the marvellous power of Electric Bitters to cure Stomach and Liver troubles, but she heard of it, took seven bottles, was wholly cured, avoided surgeon's knife, now weighs more and feels better than ever. It's positively guaranteed to cure Stomach, Liver and Kidney troubles and never disappoints. Price 50c at Fetzer's drug store.

Taylor's Plurality 2383.

Taylor's plurality in Kentucky is now declared to be 2383. There may be some contests over state offices but the great contention over the governorship has ended and with less trouble than was expected.

A Monster Devil Fish.

Destroying its victim, is a type of Consumption. The power of this murderous mahlady is felt on organs and nerves and brain. There's no health left to be had. But Dr. King's New Life Pills are a safe and certain cure. Best in the world for Stomach, Liver, Kidneys and Bowels. Only 25 cents at Fetzer's Drug Store.

August Flowers.

"It is a surprising fact," says Prof. Houston, "that my travels in all parts of the world, for the last ten years, I have met more people having used Green's August Flower than any other remedy, for dyspepsia, deranged liver and stomach, and for constipation. I find for tourists and salesmen, or for persons filling office positions, where headaches and general bad feelings from irregular habits exist, that Green's August Flower is a grand remedy." It does not in any way injure the system, and is a safe and certain cure for all ailments of the digestive system.
