

Nasal CATARRH

In all its stages there should be no cure.

Ely's Ointment Balm cleanses, soothes and heals the diseased membrane. It does not produce sneezing. It drives away a cold in the head quickly.

Stream of air is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Drug-gists, or by mail. Trial Size, 10 cents by mail.

Did He Believe?

A skeptical young man con-fronted an old Quaker with the statement that he did not believe in the Bible. The Quaker said: "Dost thou believe in France?"

"Yes; though I have not seen it, I have seen others that have; besides, there is plenty of cor-roborative proof that such a country does exist."

"Then thee will not believe anything thee or other have not seen?"

"No; to be sure I won't."

"Did thee ever see thine own brains?"

"No."

"Ever see anybody that did?"

"No."

"Does thee believe thee has any?"

The young man left.—Se-lected.

A SURE CURE FOR CROUP.

Twenty-Five Years' Constant Use With-out a Failure.

The first indication of croup is hoarse-ness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child be-comes hoarse, or even after the croup appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which has not proved effectual. No other preparation can show such a record, twenty-five years' constant use with-out a failure. For sale by M. L. Marsh & Co.

Holiday Railroad Rates.

On account of the holidays the Southern will sell round trip tickets for one and one third fare. Tickets will be on sale Dec. 22-25, 30-31, and Jan. 1st, continuous passage with limit to Jan. 4th.

It will not be a surprise to any who are at all familiar with good qualities of Chamberlain's Cough Remedy, to know that people everywhere take pleasure in relating their experience in the use of that splendid medicine, and in telling of the benefit they have received from it. Of bad colds it has cured of threatened attacks of pneumonia it has averted and of the children it has saved from attacks of croup and whooping cough. It is a grand, good medicine. For sale by M. L. Marsh & Co.

As a cure for rheumatism Chamber-lain's Pain Balm is gaining a wide reputation. D. B. Johnson of Richmond, Ind., has been troubled with that ailment since 1862. In speaking of it he says: "I never found anything that would relieve me until I used Chamberlain's Pain Balm. It acts like magic with me. My foot was swollen and paining me very much, but one good application of Pain Balm relieved me.—For sale by M. L. Marsh & Co. Druggist.

My son has been troubled for year with chronic diarrhoea. Sometime ago I persuaded him to take some of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using two bottles of the 25-cent size he was cured. I give this testimonial, hoping some one similarly afflicted may read it and be benefited.—Thomas C. Bower, Glouce, O. For sale by M. L. Marsh & Co. Druggist.

A Frightful Blunder

Notice to Tax-Payers.

The tax books have been open since the 1st of September and you have not been in to pay your tax. I have to settle with the town by the 10th of January, 1900, so I am obliged to have your tax at once. I will call on you at once for the amount of your tax and shall expect you to be ready for me.

If not paid when I call, I will proceed to collect same by law. This is plain talk, and it means business.

DE PROFUNDIS.

O I am sick of what I am' of all That I in life can ever hope to be;

Angels of light, be pitiful to me, And build your white wings round me like a wall; Angels, save me from the thought of what has been In days and years I have no pleasure in.

Disabled, stalled in habits' deep worn rut, My labor is a vain and empty strife, A useless tugging at the wheels of life, When the vital tendons all are cut;

I have no plea, no argument to make, Only love can save me for love's sake.

The evil I have done I do de-lore, And give my praise to whom it doth belong, For each good deed that seemeth out of wrong An accidental step and nothing more; Treasure for heavenly invest-ment meant I like a prodigal have spent.

I am not in the favor of men's eyes, Nor am I skilled immortal stuff to weave; No rose of honor wear I on my sleeve, To cheer the gloom, when that my body lies An unrigged hulk to rot upon life's ford— The crew of mutinous senses overboard.

Thy wrath to stay what shall I bring, O God? The lilies Thou hast clothed Thy love repay, But I alas! not even—with thy Saints—dare say, 'Simply to Thy cross I cling!' I am undone, lost utterly, un-less My sins Thou buriest in Thy tenderness.

Cold Steel Or Death.

"There is but one small chance to save your life and that is through an operation," was the awful prospect set before Mrs. I. B. Hunt, of Lino Ridge, Wis., by her doctor after vainly trying to cure her of a frightful case of stom-ach trouble and yellow jaundice. He didn't count on the marvellous power of Electric Bitters to cure Stomach and Liver troubles, but she heard of it, took seven bottles, was wholly cured, avoided surgeon's knife, now weighs more and feels better than ever. It's positively guaranteed to cure Stomach, Liver and Kidney troubles and never disap-oints. Price 50 cent Fetzler's drug store.

Mine Explosion.

A fearful gas explosion occur-red in the Colorado mines in Washington state last Saturday in which probably fifty men were killed.

A Monster Devil Fish.

Destroying its victim, is a type of Constipation. The power of this mur-derous malady is felt on organs and nerves and brain. There's no health till it's overcome. But Dr. King's New Life Pills are a safe and certain cure. Best in the world for Stomach, Liver, Kidneys and Bowels. Only 25 cents at Fetzler's Drug Store.

When a girl can read her title clear to matrimony's share, she bids farewell to every fear and forgets to curl her hair.

THE BEST PRESCRIPTION FOR CHILLS

and fever is a bottle of Groves' Taste-less Chill Tonic. Never fails to cure; Then why experiment with worthless imitations? Price 50 cents. Your money back if it fails to cure.

August Flowers.

"It is a surprising fact," says Prof. Houston, "that my travels in all parts of the world, for the last ten years, I have met more people having used Groves' August Flower than any other remedy, for dyspepsia, deranged liver and stom-ach, and for constipation. I find for tourists and salesmen, or for persons filling office positions, where headaches and general bad feelings from irregular habits exist, that Groves' August Flower is a grand remedy. It does not in-jure the system by forcing a cure as

AN OPEN LETTER TO MOTHERS.

WE ARE ASSERTING IN THE COURTS OUR RIGHT TO THE EXCLUSIVE USE OF THE WORD "CASTORIA," AND "PITCHER'S CASTORIA," AS OUR TRADE MARK.

I, DR. SAMUEL PITCHER, of Hyannis, Massachusetts, was the originator of "CASTORIA," the same that has borne and does now bear the fac-simile signature of *Chas. H. Fletcher* on every wrapper. This is the original "CASTORIA" which has been used in the homes of the Mothers of America for over thirty years.

LOOK CAREFULLY at the wrapper and see that it is the kind you have always bought and has the signature of *Chas. H. Fletcher* on the wrapper. No one has authority from me to use my name except The Centaur Company, of which Chas. H. Fletcher is President, March 24, 1898.

Do Not Be Deceived.

Do not endanger the life of your child by accepting a cheap substitute which some druggist may offer you (because he makes a few more pennies on it), the ingredients of which even he does not know.

"The Kind You Have Always Bought" BEARS THE SIGNATURE OF
