RESOLUTIONS OF RESPECT

To the Memory of Mrs. Elizabeth Phifer Gibson by the Ladies' Benevolent Society of the First Presbyterian Church.

Whereas, Mrs. Elizabeth Phifer Gibson, who had been a member of this society since its organization in 1845, was taken from the labors of earth on November 9, 1899, to her reward in Heaven; we therefore

Resolve, first, That we humbly acknowledge the goodness of our Heavenly Father in giving her length of days and in calling her at the close of a long and useful life "To depart and be with Christ, which is far better;"

Resolve, second, That we commend her faithful adherence to this society and her interest in its work as an example of constancy worthy the imitation of every member.

Resolve, third, That we sympathize with her relatives in their bereavement and that a page in the secretary's book of minutes be devoted to her memory and inscribed with this tribute of respect.

MRS. ESTHER MOSS GIBSON,
MRS. CATHARINE J. GOODSON,
MRS. R. S. HARRIS,
Committee.

A Freight Train Collision.

There was a collision of two freight trains Monday near Welford, S. C. No serious damage was done. Engineer Orr, Fireman Austelle, and Conductor Nash were hurt but not fatally. It was a case where a freight train stopped and did not flag to the rear and was hit.

Sells One of His Lots.

Mr. W. A. Wilkinson has sold one of his lots purchased some time ago from Capt. Chas. McDonald to Mrs. Mary Sugg, of Forest Hill, situated on St. Charles street. The consideration was \$325.

Caught in Morocco.

A fine piece of detective work was done by the Pinkerton detectives in tracing Thomas K. Hunter, the imbezelling auditor of the Atlanta and West Point railroad who suddenly disappeared several weeks ago after getting away with more than \$50,000 of the company's money. He was nabbed in Morocco, on the North west coast of Africa. He will be brought back for trial soon.

Patronize Home Dealers.

The Asheville Citizen says the people of a community called Homing are looking for a man calling himself Edwards who came through the country to get pictures to enlarge. He required \$2.50 or \$3.00 from each in advance and now the pictures are gone and their money too. When will the people cease being beaten by this class of rascals? The remedy is in patronizing home dealers who advertise for just such patronage.

Mr. Frank L. Robbins arrived at Salisbury Sunday night from Goldsboro to take charge of the Kesler cotton mill.

VOTE TAKEN.

The House Currency Bill Carries by 190 to 150—Almost a Solid Party Vote.

The House currency bill which was discussed all last week was passed on Monday by a vote of 190 to 150. Every Republican voted in the affirmative, and all the Democrats voted in the negative save eleven who voted for the bill and a few that were paired against it, and one Mr. Smith, of Missouri, who did not go on record.

Our Boys Probably in It.

We notice that Gen. Lawton is on a move with the Eleventh Cavalry under Col. Lockett and battalions of the Twenty-ninth and the Twenty-seventh infantry under Lieut. Col. Sergeant to capture San Manteo, where Geronimo has 300 insurgents. This indicates that our Concord boys, Lieut. Hill and Messrs. Jay Sims and Fletcher Foil, may be getting some of the experience of Filipino warfare.

Opening of the Normal Delayed.

The State Normal will not open on the 2nd of January as it was hoped. The reasons are briefly that it is impossible to get the extensive and thorough work of disinfection completed in time.

The fullest measure of modern scientific disinfection and sanitation will be employed to avert another scourge of fever.

San Francisco Minstrels.

"The San Francisco minstrels, which were at Liscomb's opera house on Saturday night, gave one of the best minstrel shows ever presented in this city. The jokes and songs were entirely new and catchy. There was a large house, and every one who witnessed the show was highly pleased with the many attractions."

Does Insurance Pay?

Read the following:
Mr. Jno. A. Sims, Agent,
Concord, N. C.

Dear Sir:—This is to acknowledge receipts of \$32.86, in full payment of weekly indemnity due me for accident under policy No. 55,135. This makes a total of \$42.86 that I have received from your company, the "Aetna," for accidents during the last four months, while the total cost to me has been but \$10.00.

The above amounts paying me in full for time lost during my injury, while at the same time, my life has been insured for \$3,000 under the same policy.

Thanking you, and through you, your company for prompt payment of both my claims, I remain,

Yours truly,
M. D. SCHUBERT,
Machinist and Engineer,

Lieut. Brumby Dead.

The gallant Thomas M. Brumby whose serious illness has been noted died Sunday evening. He was Admiral Dewey's flag Lieutenant in the battle of Manila and the attachment between him and the Admiral was very marked. It will be remembered that his native state, Georgia, bestowed a sword and many demonstrations to his honor.

Taking Up the Maine Victims.

Havana, Dec. 18.—The work of disinterring the remains of the Maine victims began this morning under the supervision of Father Chadwick and Surgeon Marcour. Great care was taken to disinfect the earth and caskets as the bodies were removed. The battleship Texas is here to take the bodies to the United States. It is probable that the work will be completed Thursday.
