CONCORD, N. C., DEC. 21, 1899.

BY ALL MEANS VACCINATE.

Note Mayor Means' address today. We are sorry that we can not anticipate the action of the town council today in reference to the small-pox situation.

We are not alarmed and we think not an alarmist, but we think the situation justifies the greatest precautions. We have entire confidence that the town council will act with wisdom and deliberation and hope that every citizen will acquiesce in such measures as are deemed necessary for the safety of the town.

We believe, too, that Salisbury is doing well to suppress the outbreak and deserves our deepest sympathy. By all means vaccinate.

The Appalachian National Park Association has been incorporated and is now in definite shape for prosecution. We hope

nothing will hinder the consummation of this grand movement. Doubtless North Carolina can furnish the most available spot of all for the people to enjoy a national park. Its nearness to the centre of population gives it a great advantage over many that might otherwise be rivals.

President McKinley doubtless thought that the opposition to Judge Ewart was about subsided and has for the third time sent in his nomination to the Senate. It is announced that for the third time or probably the same old time Senator Butler will fight it to the last ditch. Mr. Butler, as some one has said, is never on the right side, much less the side of prudence and prospective success.

Christmas Day on a Monday.

Christmas day this year falls on Monday. The following is an ancient poem of unknown authorship:

If Christmas day on Monday be,
A great winter that year you'll see
And full of winds both loud and shrill;
But in summer, truth to tell,
High winds shall there be and strong,
Full of tempests lasting long,
While battles they shall multiply,
And great plenty of beasts shall die.
They shall be strong each one and keen;
He shall be found that stealeth aught;
Though thou be sick, thou diest not.

Blaze at Florence, S. C.
Florence, S. C., had a destructive fire Monday night. The water supply failed after some fighting and the town was at the mercy of the flames till the main business portion went into ashes.
