## ANOTHER SESSION.

Our County Commissioners Unable to Decide the Bridge Question and Will Hold Another Meeting Friday.

For several months the people out in the Rocky River neighborhood of the county have been interested in the work of the county commissioners and would have their representatives here on the first Monday. Months ago it was in regard to the proposed new road out there, and now it is the bridge question.

All of Monday afternoon was consumed by the different arguments put forth for and against the placing of the new iron bridge across the river at Black's mill as had first been decided, else put half of it across the river at Pharr's mill and the other part of it across the river where the proposed new road would cross the river. There is strong contention on both sides, and it would be fortunate indeed if the parties could amicably agree to some movement rather than have some say that if it is not decided in their favor "they will fight it until the last."

Mr. C C Morrison, who is a specialist on this kind of work, visited the places on the river Monday morning and made his report as to the different positions that afternoon. He is not partial to any position but only gives them the facts of the case.

Deeming it necessary to have some more data on the question before deciding finally, the commissioners adjourned to meet Friday again to hear the matter.

## Louise Miller Jailed.

Louise Miller, one of the negroes who last Saturday one week ago stole some things from the Cannon & Fetzer Co. store and has since been hiding from the officers, has been found and now lies in jail awaiting a sentence at the next term of court. He was caught Monday night in No. 3 township by Mr. Watt Smith, to whom the warrant was sent that day. Mr. Smith tied his negro on a mule and brought him here yet that night, getting here about 4 o'clock in the morning.

## To Have an Additional Mission Worker.

At a meeting of the officers of the First Presbyterian church Monday night it was decided that an additional mission worker be added here in the field. This is the field now in charge of Rev. Cochran Preston. It is not definitely decided as to who the additional minister will be but the step means that the Cannonville and Forest Hill Presbyterian churches will each have services morning and night.

## Fireman and Brakeman Killed.

Sunday night a freight train ran into a land slide between Terrolle's and Black Mountain on the Western road. The engine was turned over and Adam Jeffries, fireman, and Porter Nichols, brakeman, both colored, were caught underneath and crushed to death.

—Dr. J S Lafferty, of China Grove, is here this afternoon.

## REAL ESTATE DEAL.

Mr. F. M. Morris Purchases the R. S. Harris Property on Spring Street—Mr. Harris Purchases Property From P. B. Fetzer.

A real estate deal has been made whereby Mr. P. M. Morris has purchased the house and lot on Spring street where Mr. R. S. Harris and family have been living for many years. Mr. R. S. Harris, after disposing of his property, has purchased from Mr. P. B. Fetzer the house and lot next to Dr. N. D. Fetzer's where Mr. Zeb Morris recently lived. Mr. Harris and family will not move at once into their new home as it is at present occupied by Messrs. G. R. P. Miller and Jno. J. Cook.

## Our Cotton Now Scarce.

Numbers probably think that Concord is lacking on account of her cotton market not being as high as in some other towns, but if they will stop to remember that this was one of the very best of markets when the farmers had cotton to sell and when, as is often the case, they must sell at some price in order to meet their bills. There is but little cotton in our county unsold.

## To Enhance Its Value.

Messrs. Brown Bros. are these days, when the weather permits, adding to the value of their property on South Main street almost opposite Mr. R. A. Brown's residence where a blacksmith shop stood. The ground is very low but they are filling it up, making it suitable for building purposes.

## His Bond Reduced.

The case of the State vs. Louis Smith, assault with deadly weapon on Mary Branick, a negro woman, has been tried before Esq. W. J. Hill. He was required to give a \$200 bond for his appearance at the next term of Superior court. The negro woman's condition is about the same.

## It Will Not Be Moved.

The correspondent to the Observer erred, it seems, Sunday in saying that the Newman hospital would be moved from Salisbury to Charlottesville, Va. He intend to build a fine one at the latter place but his present one will remain in Salisbury.

## Mr. M. S. Willard Here Today.

Mr. M. S. Willard, of Wilmington, who is a member of our present Legislature, was here this morning for a few hours. Mr. Willard is a prominent insurance man and a good Democrat.

## Stockholders Day.

This is the appointed day for the meeting of the stockholders of the Cannon Manufacturing Co., the Patterson Manufacturing Co., and the Coleman Manufacturing Co. They meet this afternoon about 3 or 4 o'clock.

## Postmaster With Smallpox.

A late dispatch says the assistant postmaster at Reidsville has smallpox. If so the mails will have to be fumigated there.

## BOILER EXPLOSION.

Durham Shaken Up Sunday Evening—Miraculous Escape—Several May Die.

One of the two boilers of the Durham electric light plant exploded Sunday evening with fearful force and effect. As if by miracle no one was killed, but the injuries of two or three men are likely to prove fatal.

The building was demolished, the engine mashed into a mass, the twin boiler was lifted and set about ten feet away, heavy machinery was crushed, bricks and various fragments were hurled fearfully about, driving through the walls of houses and breaking glass from windows. The shock damaged plate glass 400 or 500 yards away.

Of the inmates of the building Superintendent Brown was not seriously hurt; J. J. Lumly was scalded and hurt by brick—his condition is serious; Clyde Dickenson was thrown some distance and was covered with debris—his injuries are not considered fatal; Bill Burnett, colored, was bruised but it is thought he will soon recover; Alex. Lyon, also colored, was thrown some 30 feet. He is seriously if not fatally hurt.

The property is a total loss amounting to about \$25,000, on which there was \$16,000 insurance.

The plant was the property of Gen. J. S. Carr.

## Attention Veterans.

The time is here for us to collect the ten cents per capita dues to be sent up to Confederate veteran headquarters. These funds must be forwarded and reach their destination by the first of April. They should be in my hands by March 15th. Please do not delay to hand the undersigned your dime at once that Camp 212 may continue its good standing in the organization.

Please do not drop into the error that it is not worth while to pay unless you intend to attend the re-union. We gladly pay this small sum every year to enable the Confederate Veterans' Association to continue its existence and its usefulness.

JNO. D. BARRIER,  
Treasurer Camp 212 U. C. V.

## A Night of Terror.

"Awful anxiety was felt for the widow of the brave General Burnham of Marchias, Me., when the doctors said she would die from pneumonia before morning," writes Mrs. S. H. Lincoln, who attended her that fearful night, but she begged for Dr. King's New Discovery, which had more than once saved her life, and cured her of consumption. After taking she slept all night. Further use entirely cured her. This marvellous medicine is guaranteed to cure all throat, chest and lung disease. Only 50c and \$1.00. Trial bottles free at Fetzer's drug store.

## Stood Death Off.

E. B. Munday, a lawyer of Henrietta, Tex., once fooled a grave-digger. He says: My brother was very low with malarial and jaundice. I persuaded him to try Electric Bitters, and he was soon much better, but continued their use until he was wholly cured. I am sure Electric Bitters saved his life. This remedy expels malaria, kills the disease germs and purifies the blood, aids digestion, regulates liver, kidney and bowels, cures constipation, dyspepsia, nervous diseases, kidney troubles, female complaints; gives perfect health. Only 50c at Fetzer's drug store.

## FILIPINOS GIVE IT UP.

Their Leader Dies of Fever in the Mountains.

A Manila dispatch of the 12th says the Filipino General Pinar Pio Del Pilar died recently in Morong mountains and that a consultation among the leaders resulted in acknowledging that it would be useless to offer further resistance to the Americans. Their forces therefore disbanded except small gangs in the hills.

Mr. H. M. Weir has rented Mr. H. M. Barrow's residence on the avenue leading from Main to Church street at rear of Mr. Barrow's home.
