## HORRIBLE ACCIDENT.

**SUPT. ROSE'S SON  
WOUND UP ON  
SHAFT.**  
**One Leg Entirely Severed  
From Body—A Gruesome Sight.**

Superintendent A J Rose's little 10-year-old son met with a most horrible accident at Bala mill this afternoon. There is an old grist mill that is run by an iron shafting. It seems that the little fellow was playing with or too near it and when found was a gruesome sight.

One leg was entirely severed from the body and the other was horribly mangled. It is not known at what time the accident happened.

As the message was phoned to us just as we were going to press the poor little fellow was yet suffering but doubtless death did or will soon bring the only relief.

**The Executive Committee Meets Tomorrow.**

The County Democratic Executive Committee will meet tomorrow at the court house according to the call of Chairman A B Young for the purpose of deciding upon a date to call the township primaries.

**Secretary and Treasurer Elected.**

At the meeting last Thursday of the directors of the Windemere Knitting Mills, Mr. J C Leslie was elected secretary and treasurer, relieving Mr. J W Cannon, president, who had been serving in a dual capacity. The company will move into its new building soon, and will begin work on a more extensive scale.—Stanly Enterprise.

**Mrs. Honeycutt Dies Suddenly.**

We notice in the Salisbury Truth-Index that the mother of Mr. Ephriam Honeycutt, of No. 7 township, was found dead in bed on Wednesday morning, the 28th. She was accustomed to rising early and finding her yet in bed he called her but she was dead. Heart disease is supposed to be the cause of her death.

**Amendment to Be Discussed.**

The debating society at Forest Hill will discuss the constitutional amendment next Tuesday night in Furr's hall, beginning at 8 o'clock.

Messrs. J A Furr and Will Morgan will defend the affirmative and Messrs. H H Hinson, M O Bridge and Junius Shinn the negative.

A fee of ten cents will be charged, the proceeds from which will be appropriated to paying for a library for the society.

**LADYSMITH RELIEVED.**

**Gen. Dundonald Enters Unopposed—Half Pound of Meal and Some Horse—England Wild With Joy.**

Ladysmith is relieved. Gen. Buller sent Gen. Dundonald with a reconnoitering force on Wednesday night to ascertain the situation. He reported that he could enter Ladysmith and was ordered to do so. He found Gen. White ready to sally forth and meet him if he should meet much opposition but there was none. The city was on tiptoe of expectancy as a message had been received that relief could be expected within 24 hours.

The soldiers had been living on a half pound of meal per day supplemented with horse or mule meat. They are much reduced and will have to be fed up before they can do much fighting of following the Boers who are withdrawing.

The effect of the news in England is said to be joy almost to the degree of madness. Bells rang, shouts filled the air, congratulations were exchanged, conventionalities were thrown off, making friends and acquaintance out of everybody and a day off from business, schools etc., was taken in the bursts of patriotic demonstrations. The people were literally wild.

**A Bone Lodged in His Throat.**

Dr. H F Long got a bird bone in his throat Sunday and it pains him very much at times. He went to Charlotte Tuesday evening to have it taken out, but it was decided best to let it take its course for a time before attempting an operation to remove it. Dr. Long returned home Thursday. His friends hope nothing serious will result.—Statesville Mascot.

[Dr. Long is the smallpox expert who visited the Morris family here when they had the disease.]

**To Put in a New Switchboard.**

At a meeting recently of the Concord Telephone Co., it was decided to purchase a new switchboard for the central office. Every place on the switchboard is taken up now with a phone and there are several applicants waiting for phones but cannot get them. The new switchboard will be in two sections accommodating one hundred drops to each one, while the present one only accommodates one hundred and forty.

**Mt. Pleasant Parties Wed.**

Register Johnson issued marriage licenses Thursday to Mr. Jas. Johnson and Miss Ella James. Both of these parties live at Mt. Pleasant. The to-be bride is a sister of Superintendent James, of the Kindley cotton mill there.

The carpenters have been remodeling the interior of the store of H L Parks & Co.

—Mumford Ritchie returned home last night from Richfield.

**The Mysterious Rounds of a Lady's Watch.**

Almost two years ago a nice silver watch belonging to Miss Pearl Brown, which was highly prized on account of its having been a birthday present, mysteriously disappeared. Strange, though, the lady did not miss her watch until she returned from a visit of several weeks. Shortly after she left a watch was found on the street near Mr. Joel Reed's residence by Mr. Hall, who was then carrying the mail for the Odell Manufacturing Co. The watch was advertised for some time but no one answered the ad. This was very likely on account of the fact that the watch had not yet been missed. But after the mail carrier had kept the watch several months he traded it off. It was traded two more times and landed at Correll's jewelry store Thursday for repairs. Mr. Correll recognized the watch and the rounds of the valuable time-piece have been retraced. Miss Brown will get her watch again after the proper adjustment of the matter. There is a letter "P" engraved on the back of the watch.

**Mr. Jno A McDonald Dead.**

It will be remembered that only a few months ago Mr. Jno. A McDonald came to Charlotte and this place from his home in Arkansas to visit his brothers in Charlotte and here. He returned to Arkansas only a short while ago and on Wednesday a telegram was received that he died that day. Mr. McDonald left here quite a long while ago. He leaves a wife and two children. He is a brother of Capt. Chas. McDonald of this place.

Mr. McDonald was once the clerk of the court of this county during a republican administration just after the war and Mr. Jas. C Gibson's predecessor. At the time of his death he was the county surveyor of Ashley county in Arkansas.

**A Meeting of the Congregation Called.**

The officers of the First Presbyterian church met at Mr. D F Cannon's Thursday night to talk over the matter of calling a pastor, remodeling the church and parsonage. The delegation of ladies as representatives of their part of the church flock, were present also. No decisive action in any way was taken but it was decided that a congregational meeting be held on Sunday, March 18th.

**He Fooled the Surgeons.**

All doctors told Renick Hamilton of West Jefferson, Ohio, after suffering eighteen months from rectal fistula, he would die unless a costly operation was performed; but he cured himself with Bucklen's Arnica Salve, the best in the world. Concord has reached the place that but few men here patronize only the white barbers, and there are in this place six barber shops with white operatives. There are nine or ten persons in our town skilled in the art of smoothing one's face and trimming the hair.
