ROAD QUESTIONS.

The Monthly Meeting of the County Commissioners—Jurors Drawn for the Next Term of Court—Other Business.

The county commissioners, Messrs. Jno. P Allison, M. F Nesbit and Jno. S Turner, held their regular monthly meeting Monday.

It was decided that Superintendent Benfield have a new tent for the shelter of his men on the chain gang.

D H McEachern was paid \$16.40 for building a bridge on new Statesville road at Caleb Goodman's.

A petition was presented by a number of people in that part of the county petitioning the commissioners to change the public road from Concord to Rocky River church as follows: Going from Rocky River church to Concord leaving the present road at a well near said church on J M W Alexander's land running through said Alexander's land, Emma Carter land, crossing Rocky River near mouth of Back creek through the lands of C A Black, W H Heglar, the Boiles children, Mrs. M M Bost, F A Archibald, L M Morrison, Joe A White, V C Parish, Mrs. Cyrus Johnston, and Walter Parish and into the Pharr's mill road near F S Pharr's.

This is the much talked of straight-cut road that has been argued for some time. The Board ordered a publication of the petition.

Another petition signed by quite a good number was presented asking that the road be straightened from the Burt Furr home place to Robt. Blackwelder's, also to straighten the road from the front of D M Isenhour's home to bend in road in Jas. Fisher's field to avoid the bend by Trinity church. After consideration the Board ordered that the sheriff summon the following jury, Caleb Goodman, E F Faggart, L M Morrison, Wm. Propst, and E K Misenheimer, to lay out said changes in the road and assess all damages to property owners. There was also a petition presented asking that this change be not made, hence the Board appoints this jury before taking any action in order to find out the damages that there will be.

Several more additions were made to the county home this month.

The following jury was drawn for the April term of court: Levi Hahn, C A Cook, E Tucker, D W Walker, T H Cook, H W Ludwig, Joe Messner, W M Faggart, W A Sides, Fayette Patterson, Geo. T Barringer, J W Walker, D H Corzine, J E Rogers, Luther M Barringer, D W Honeycutt, H J Ritchie, A H Penninger, Martin Lesler, C Ritchie, H C Raimer, J D Cress, G Ed Kestler, G W Earnhardt, H I Woodhouse, W W Andrew, Zeb A Morris, R S Boger, G E Ritchie, D R Ellis, Geo. H Lentz, Jno. D Barringer, M L Buchanan, E P Deal, R F Biles, Dan W Tucker.

ATTEMPTED TO ESCAPE.

A White Man Flees From the Officer. But the Sight of a Pistol Brings Him to a Standstill—Charged With Disposing of Mortgaged Property.

On Monday afternoon Deputy Sheriff Robinson was out on the eastern edge of town looking for a young white man, Bickle Scott, who is charged with disposing of mortgaged property. When the fellow saw the officer he attempted to hide behind the barn. When the officer came in plain view of him Scott took to his heels and would have been in a good way for escape had not Mr. Robinson been on horseback. A pistol was leveled on the runner and the command given to halt, which was all that was necessary, for the fellow stopped.

He was tried before a magistrate and in default of a bondsman he was sent to jail to await court.

The Misses Sims Entertain.

Quite a good number of young folks were at the home of the Misses Sims Monday evening to take part in the evening's enjoyment given in honor of their cousins, Misses Lila Stafford and Annie Thomason. In the early part of the evening's program light refreshments were served. Before dispersing for the night the couples were again ushered to the dining hall to partake of hot drinks.

Mr. T H Bradley, the young man who came here several weeks ago and worked in the Western Union telegraph office, left Monday night for Charlotte, where a position was tendered him in the main office of the Postal Telegraph Co. REMARKABLE CURES OF RHEUMATISM.

From the Vindicator, Rutherfordton, N. C. The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder, from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing instant benefit and entire relief in a very short time. Second, in rheumatism in the right joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing with the ointment on retiring at night, and getting up free from pain. Sold at Marsh's drug store.

Mr. J L Kendall and little son have returned home after spending several days at Morganton.

Miss Mary Young's Birthday Party.

A delightful treat for the younger folks was the birthday party given Monday night by Mrs. Jno. P Allison to her niece, Miss Mary Young. The evening was spent in games, a complete program of which had been arranged. The young men blindfolded picked their choice of a room full of girls. One of the most amusing features of the whole evening was the exhibit of the invited ones when they first faced a camera. Prizes were awarded to the ones who guessed the most of the photographs. Miss Cassie Watson gained the prize, which was a nice picture, and Martin Luther Cannon succeeded in getting the booby prize—a small stick of candy. A grand supper was served.

Her Condition Hopeful.

Congressman Klutz's little daughter, who has appendicitis, has had to undergo a second operation, but her condition is considered favorable to recovery.

Charged With Retailing Whiskey.

Policeman Johnson captured a negro named Adam Scott at the depot Monday night before the fellow could bid Concord a last farewell. All arrangements had been made by the negro to leave. He was arrested on a warrant charging him with retailing whiskey. He is in jail awaiting court.

Desperate Love Affair.

Pitt county had a very unusual tragedy last Sunday night. One Jesse James wanted to marry the daughter of Mr. Ed Lewis. The parents objected and James went armed and accompanied by his brother Sam James to take the bride by force. A conflict ensued in which arms were freely used. When the smoke lifted from the scene Sam James was found mortally wounded (he died since) and Jesse and Mr. Lewis were wounded. Mr. Lewis received two shots, neither is regarded very serious, however.

The Jameses are said to be desperate characters.

It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drugs." Sold at Marsh's drug store.

Walter Linton Has a Narrow Escape.

Mr. Walter R Linton had a narrow escape Saturday from serious injury.

He was on top of a box-car going from the Gold Hill depot to the Union Copper Mine. A telephone wire which he failed to notice was hanging very low, and as his car came under it, he was struck squarely in the face. But for Capt. Victor Woodrum he might have been thrown under the cars. As it is Mr. Linton has a very ugly scar on his lip.—Salisbury Truth-Index.
