## DEATH OF REV. J. B. FOX.

End Came Tuesday Morning—Was About 40 Years of Age—Leaves Wife and One Child.

We announced Wednesday the serious illness of Dr. J. B. Fox, not knowing that at that moment he had already passed away in death. The end came at 9 o'clock Tuesday morning.

The deceased was a son of Dr. A. J. Fox who in his day was well-known here, having married a sister of Messrs. A. J. and M. L. Bost.

Dr. Fox was only in the prime of life—about forty.

As a youth he was unusually brilliant and held high rank in the Lutheran ministry South in mature life.

He leaves a wife and one child.

To human appearance the church could ill spare Dr. Fox.

## Huntersville Has a Shooting Scrape.

Quite a wild shooting affray occurred at Huntersville Wednesday between Lee Brown, Miles Clark and Silas Johnston, says the Huntersville correspondent to the Charlotte Observer. It seems that Silas Johnston had had a difficulty with Lee Brown and Miles Clark some days ago and Wednesday as he passed in front of Lee Brown's house, Brown opened fire on him with a shot gun, and as he ran by Clark's house Clark emptied his gun in him. Dr. J. E. S. Davidson was summoned at once, and through his great skill managed to get eighteen shot out of Johnston. Dr. Davidson reports that the man is badly used up. He was shot in the head, both arms, body and left leg.

## They Play Saturday.

Unless the weather interferes Mt. Pleasant's team will be here Saturday afternoon to battle with the Concord High School boys. This will be the first game of the season at the baseball park. The fee of fifteen cents will be charged. The C. H. S.'s were defeated in their game at Mt. Pleasant and are determined to change the tide this time.

## Harry Swink Married.

Harry Swink, of this place, who lives on Church street, went to Charlotte Wednesday on a happy mission. He was on his way to Berryhill township near there where he went to wed his lady, Miss Laura J. Walker, to whom he has been paying some attention for quite a while. They were married in the afternoon at the bride's home.

## A Marriage in Colored Society.

Numbers of white people were invited and attended a marriage of two of the colored people Wednesday night. The marriage took place in Price Memorial Temple. The parties married were Joe Smoot and the widow of Horace Hammons.

—Messrs. E. C. Miller and T. T. Lucas, of Charlotte, are here today.

## LENTZ-SKINNER WEDDING.

A Quiet Home Wedding by Rev. Cochran Preston at the Bride's Home on Bell Avenue.

Numbers will no doubt be surprised to learn of a marriage which took place on Bell avenue Wednesday night about 8:30 o'clock, performed by Rev. Cochran Preston.

The contracting parties were Hardy Lentz, who is well known by our people and who is an employ in the furniture store of Craven Bros., and Miss Mary Skinner, one of Concord's most beautiful young ladies. Only the near relatives and a few intimate friends were present.

The newly married couple will live at present at Mr. A. E. Lentz's near the graded school until Mr. Lentz build a residence on his lot on Georgia avenue. May the path of their life be bordered with happiness and prosperity.

## Seriously Wounded by a Pitch Fork.

Vance Bradshaw, one of Rowan's best citizens, met with a serious accident which may cost him his life. He was on top of a large load of hay and fell off, falling upon the handle of a pitchfork which was standing upright. The injury is serious, the handle having struck him in the stomach.

## Insanity the Plea For Tom Jones.

Insanity will be the plea for Tom Jones who murdered five in Wake county last week. Witnesses will be introduced to show that he was "not right" from boyhood. There is no denial that he did the killing.

## At the Baptist Church Monday Night.

Rev. Dr. Len. G. Broughton, who is to deliver his lecture, "Christian Citizenship and Pending Problems" at the Baptist church in this city on April 2nd, is, without doubt, one of the most widely discussed, intensely hated and ardently loved men in all of our Southland. During the past few years he has gone from Texas to Maine in evangelist work, and everywhere he has gone there has followed a wave of sensational enthusiasm, such as rarely characterize any other man. Tickets at Concord Drug Company.

The following invitations have been sent by the K. of P.'s to each lodge member:

## GEN. JOUBERT DEAD.

The Great Boer Commander Falls a Victim of Disease.

The great Boer commander, Gen. Joubert, died in Pretoria last Tuesday night. He was afflicted with a stomach trouble. It throws a pall of gloom over that doomed capital.

Even the English press bestow liberal encomiums on him as a man strictly honorable and commanding profound respect.

## The Boston Star Company.

The Boston Star Company appeared for awhile Wednesday night.

The house was discouragingly small but would have been smaller if those present had not hoped for more than they got. There were a few performances of merit but as a whole it ranked well as a flat failure.

Mr. Schloss was ailing, as we believe he sometimes is when the audience is small.

We very much regret that those who did attend and doubtless wished to aid the cause of the U. D. C., felt poorly repaid. It is decidedly regretted by the Daughters that the effort made in good faith and fair hope should prove so unsatisfactory.

We feel that if the Boston Concert Company wants to sustain a reputation it should remember that those who patronize it are entitled to the full program, rendered in the best of style, just as much as if the house were full.

We hope sympathy will be freely bestowed on these ladies who had the misfortune to engage with a company that should disband or greatly improve.

## Mr. Jas. Young Transferred.

Mr. Jas. Young, who for a long time has been clerking in the Odell store, has been transferred into the time-keeping office recently added to the store. We are glad to know that Mr. Young has been promoted to this position. He is a clever, accommodating and capable young man.

## What's Your Face worth.

Sometimes a fortune, but never, if you have a sallow complexion, a jaundiced look, moths, patches and blotches on the skin—all signs of liver trouble. But Dr. King's New Life Pills give clear skin, rosy cheeks, rich complexion. Only 25c. at Fetzer's drug store.

## Pritchard and Doughton Discuss.

Senator Pritchard deigned to divide time with Hon. R. A. Doughton at Sparta last Monday. He is said to have made a clever speech but his antagonist was equal to the emergency showing that the amendment will accomplish what it was intended for rid us of a big batch of voters that are a menace to any free government.

## A GOOD COUGH MEDICINE FOR CHILDREN

"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well-known and popular baker, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children, as it contained no opium or other harmful drugs. Sold at Marsh's drug store."

## No Smallpox There.

It is said that Jonesboro is the best vaccinated town in the State. There is no smallpox there now, nor are there any cases within four miles of the town. Every man, woman and child of both races has been inoculated and smallpox could hardly make an entrance.—Morning Post.

## A Fiendish Attack.

An attack was lately made on C. F. Collier of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, nor sit in a chair except propped by cushions. No remedy helped him until he tried Electric Bitters which effected such a wonderful change that he writes he feels like a new man. This marvelous medicine cures backache and kidney trouble, and purifies the blood and builds up your health. Only 50c. per bottle at Fetzer's drug store.
