TELEPHONE NO. 71.

NATIONAL TICKET.

For President
 WILLIAM JENNINGS BRYAN.
 For Vice-President,
 ADLAI E. STEVENSON.
 For Congress from 7th District,
 HON. THEO. F. KLUTZ,
 of Rowan.

CONCORD, N. C., AUG. 20 1900.

A New York dispatch of the 18th says:

"Instead of two, a high government official says there are fourteen anarchists under arrest and detention in the prison at the bureau of immigration. All these will be shipped whence they came immediately. The two go back tomorrow.

All are charged with being in a conspiracy to assassinate President McKinley, and have been taken singly and in pairs from incoming liners within the past ten days."

It's right to send them back if there is room for suspicion, but if actually guilty it were better to send them to the bottom of the sea.

The Journal says:

"One of the best things about Monroe's water works is that dry weather has no effect on it. The water supply is as great as it is in the wettest winter weather."

Monroe has artesian wells, you see. What's the matter with our having them?

A body of Cuban teachers who have been the guests of Howard University sailed for home last Saturday. As there were nearly 1,200 of them, there should be a good degree of wholesome influence coming out of this American trip.

It's a singular fact that there is a difference in the version by press dispatches. Some say there was hard fighting to take Pekin while others say the allies were welcomed into the city without any fighting. Ours is a world of diversity.

Mr. Charles A Towne it is said will take a very active part in the Presidential campaign, addressing himself especially to the task of averting the influence of "Teddy" Roosevelt. It is to be hoped that he will take the spurs from the rough rider.

ATTEND THE UNVEILING.

The unveiling of the statue of the late Senator Vance takes place Wednesday, the 22nd. It is an event that claims more attention than it will probably receive. We should have a good delegation from Concord. We are pained to say that this important matter was overlooked at the late meeting of Camp No. 212 U. C. V. last Tuesday. But all members who can go will have no trouble to be recognized in the reorganization which takes place at 8 o'clock Wednesday night.

We repeat that there should be a good delegation from Cabarrus.

Baltimore is claiming the "original shirt-waist-man." Not much; he belongs to Northfolk, and the fact can be established by the records.—Norfolk Virginian-Pilot.

You are both wrong. He lives in Anson county, North Carolina, and his name is Buck Newton. He is 57 years old and never wore a coat in the summer season in his life. That settles the matter. Next!—Charlotte Observer.

Not so fast please. This honor belongs absolutely to Concord and in the person of Mr. Jno. C. Wadsworth with Mr. Frank L. Smith as an easy second.

We see in an esteemed exchange referring to Mr. Bryan's great speech a sub-head, "People Governed Must Consent." We smile and think how we consented in 1865. There are about 60,000 blue-coated soldiers in the Philippines now telling the dusky natives they must consent.

The Lexington Dispatch says: Mr. C. F. Grubb, of Boone township, has been doing a successful business in hiving bees this year. From twenty-five colonies established in the spring he has taken over 2,000 pounds of honey.

Mr. Bryan will receive formal notification of his nomination from the Populist committee on Thursday afternoon at Topeka, but it won't include Mr. Stevenson. It seems that our Populist friends are rather expert at both fusing and confusing.

Prevented a Tragedy.

Timely information given Mrs. Geo. Long, of New Straitsville, Ohio, saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her, and she writes, this marvelous medicine also cured Mr. Long of a severe attack of pneumonia. Such cures are positive proof of its power to cure all throat, chest and lung troubles. Only 50c and \$1. Guaranteed. Trial bottles free at Fetzer's drug store.

That Throbbing Headache

Would quickly leave you if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for sick and nervous headaches. They make pure blood and build up your health. Only 25c. Money back if not cured. Sold at Fetzer's drug store.

HEARING CLOSED.

Many Say That Real Estate is Valued at Two-Thirds.

Special Master Shepherd has concluded his sitting in Charlotte and will sit next in Asheville on the 28th. Witnesses from thirteen counties were heard. The evidence in many instances showed that the general valuation of real estate is only about two-thirds of salable value, or less, but evidence to the contrary will make it difficult to prove that there is a rule or understanding that property is purposely assessed at less than its real or selling value.

The railroad companies contend that their property is assessed at real market value while other property in the State is hot, and the burden of proof rests on them if we understand it. If they do not make their contention appear to Judge Simonon, then the taxes will be collected on the assessment, levied by the Corporation Commission.
