**Sending Big Rocks to South Carolina—Residences Going Up—Curiosity Shop.**

Faith, N. C., Sept. 15.—The Gaffney Manufacturing Company of Gaffney, S. C., have awarded the contract for their five large heavy granite engine beds, and J T Wyatt is now at work getting them out. Five horses will be required to pull one to the railroad.

Henry Cauble has just completed the finest two-story residence in Faith by remodeling his former one. The porches are covered with tin.

Many people see the curiosities when they go to Faith. Indian arrow-heads can be seen there by the hundreds and Confederate money by the thousands of dollars. There is a corn stalk that beats the world in the way of a curiosity and a music box that runs by springs, a high grandfather clock, another clock with pearl flowers, old coins of different nations and war relics from the different wars.

Three large new residences are now going up in Faith, and more contracted to go up right away.

### Henry Chambers Arrested.

Henry Chambers was arrested this (Monday) morning by Officer Boger for retailing liquor without license. He was brought before Mayor Means and to his surprise had to answer to two charges, one retailing and the other delivering liquor in the town of Concord. In the first charge he was bound over to court in the other he was sentenced to hard labor on the chaingang for fifteen days, the officials say that he has sold more in the town within the last month than any six men.

### Mrs. R. A. Harris Very Ill.

We are sorry to note from the Salisbury Truth-Index that Mrs. R A Harris is extremely ill of peritonitis. Mrs. Harris was married but recently in Asheville. She is well known by many of our citizens having visited friends in Concord. She was Miss Kyle.

### His Severed His Connection.

### His Ear Cut Half Off.

Mr. Jim Folks while out 'possum hunting Saturday night received a very severe wound. A limb fell on his ear and cut it half off, he had to call Dr. J E Smoot in to sow it up.

## WILL MYERS' DEAD.

**Surviving. His Fall Be Yields to Excitement Over a Fight.**

The Salisbury Truth-Index says Will Myers, the man who made the fatal mistake to step out of the bucket at the Union Copper Mine before the trap door was shut and fell 70 feet, is now dead. The circumstances are peculiar. The fall was enough to kill an ordinary man; but he was recovering and was considered out of danger, but a man and woman got into a fight in his room and the excitement in his reduced condition produced congestion of the brain from which he became unconscious and soon died.

### Joe is Dead.

Dr. L M Archey's old dog Joe died Sunday evening at 6:30 o'clock in front of the St. Cloud hotel. Old age seems to have been the cause of his death. As he was near his thirteenth birthday, and one half score years and two are all the days that are allotted to a dog. Every body in Concord knew Joe, and he was the pet of many of the traveling men when they were at the St. Cloud. But he is gone and will be missed by all.

### A Runaway.

While Dr. and Mrs. J R Wilson, of Harrisburg, were on their way to church Sunday the horse they were driving ran away and they were thrown out of the buggy. While receiving some very severe wounds, none were serious. The buggy was broken to pieces and the horse was caught several miles from where the runaway began.

### Mr. Mack Barbee Hurt.

Mr. Mack Barbee, who is a night watchman at Cannon's mill, fell out of the third story window of Mill No. 2 Saturday night. He was attacked with a chill and sat down in the window and says that is the last thing he remembers. Sunday morning he was found by Mr. John Dees on the floor of the engine room unconscious.

### Kills Dogs.

Mr. R A Brown saw three dogs after his sheep Sunday so he got his gun and went after them. The first shot he fired two dogs fell, and the second shot he fired the other dog fell. Mr. Brown can kill dogs as well as make brick.

## MEET MR. SIMMONS.

**Plan of Campaign Considered—Notable Campaign Ahead.**

A Raleigh special of the 15th to the Asheville Citizen says:

"Last evening there was an important conference at Democratic headquarters between Chairman Simmons and Democratic nominees for congressmen and electors.

"There were present the following congressional nominees: John H Small, Claude Kitchin, Charles R Thomas, John D Bellamy, Theodore F Klutz, J C Buxton. Three were absent: J H Pou, on account of sickness, and W W Kitchin and W T Crawford because of previous engagements to make speeches.

"Of the electors there were present D H McLean, Lee S Overman, C L Abernethy, T C Wooten, B C Beckwith and W S Pearson.

"They met at the request of Chairman Simmons and discussed with him the entire plan of the national campaign. It is the first preliminary conference of the kind ever held in the State. Complete preparations were made for conducting a notable campaign, and there is the highest confidence that the entire congressional delegation will be elected."
