GEMS IN VERSE

Country Life.

And laurels miss the soldier's brow.

Me whom the city holds, whose feet

Its ways are never my ways. My cradle was bride the sea.

And there I hope my grave will be.

The vane is seaward blowing. Thy slip of garden stretches down

The ships that go about the world Dearer that little country house, Inland, with pines beside it;

To where the tide is flowing. Below they lie, their sails all furled—

A well with reeds to hide it;

No flowers, or only such as rise

Dear country home! Can I forget The least of thy sweet trifles?

The window vines that clamber yet, Whose blooms the bee still rifles?

Happy the man who tills his field,

a life more rational and free?

Content with rustic labor.

Earth does to him her fullness yield,

Dear country life of child and man!

That with the earliest race began And hast outlived the longest. Their cities perished long ago; Who the first farmers were we know.

Perhaps our babels, too, will fall.

If so, no lamentations, For Mother Earth will shelter all And feed the unborn nations.

Yes, and the swords that menace now

A FRIHGTFUL EXAMPLE,

still, will have lost public respect, and, what is worst of all, will have lost self-

forerunner of the other.

TIMES.

.... - R. H. Stoddard.

For both the best and strongest,

Hap what may to his neighbor.

Well days, sound nights-oh, can there be

The roadside blackberries growing rips, And in the woods the Indian pipe?

Have worn its stony highways,

Old homestead! In that old, gray town

Some peach trees, with unfruitful boughs

Self sown, poor things, which all despise.

"BE JUST AND FEAR NOT."

THE PRESTORNE

the remifications of the big strike, the wide-spread war between capitol and labor, the miserable contention over the tariff bill and the red-hot strike of candidates for office, our weak minds are kept on a continual strain. Every trade or occupation has got a union now, even to the barbers and the newsboys, and if these unions don't strike or boycott occasionally the boys get lukewarm and quit paying their dues and that and quit paying their dues and that and quit paying their dues and that course looks inst like it did, only better."

met the approbation and won the unstinted praise of all the law respecting people of the country. His whole course is tinted praise of all the law respecting people of the country. His whole course is tinted praise of all the law respecting people of the country. His whole course is tinted praise of all the law respecting people of the country. His whole course is tinted praise of all the law respecting people of the country. His whole course is tinted praise of all the law respecting people of the country. His whole course is tinted praise of all the law respecting people of the country. His whole course is the fer people of the country. His whole course is the spirit animating it. It has shown no growth; its boasted accessions have not and saying this we have in mind his brief reply to the long protest of the Annarchist Governor of Illinois against his sending federal troops into that State to quell the riot then in progress. It has gotten its growth, and all that awaits it now are decline and extinction. It will go rapidly the way of all third parties; the way of all third parties; the way of all third parties.

dent is an honest and sincere man. ways lead down for it, we feel at more

istic of the man than his reply to Col. it because they could not run it; others ployment at living wages. I heard a One morning there got off the coach farmer say yesterday that they could from the west a tall, middle aged man,

permanently successful. A striking illustration of this truth is seen in the sixth congressional district of this State.

Four years ago Capt. S. B. Alexander was a relief when Mrs. Arp told me this the strongest man in North Carolina. This is saying a good deal, but we do not go beyond this mark in saying it. He was an "Alliance Democratic." The Alliance worshipped him.

Who Does the Kicking.

It was an amusing accident, and the whole thing has more truth in it than A Third party man and a Democrat were talking. As usual, the Populist there before a Populist party was ever in Henry Muir's woods, near Muir, was denouncing the Democrats on gen-eral principles. "Why," says the Pop-special privileges to none." this county, to hear W. C. Owens speak yesterday afternoon. He said that if ulist, "you see cotton going down all the time. Why don't you vote with us ? We believe we can remedy all this.' 'Well," says the Democrat, "I would

like to know who is doing the kicking." "Everybody," says the Populist, "and

nost especially the farmers."
"I don't know much about that, replied the Democrat, "my observation has been that those who have the cotton. it is true, really wish they could get more, and I don't blame them for that, but those who are doing the kicking Carolina, had heard the statement, and most, are generally the men who have knowing of a dog that had in the past-
