And there shall be
A courteous close to all our pleasant speech:
When you go out into the hurrying crowd,
To battle with a warrior iron browed.
For all the worldly blessings which you claim,
Wealth, power and fame,
Things which I do not crave and cannot reach
I wonder if your heart will be the same. I wonder if your heart will be the same.
Will beat as even and as tranquilly
Away from me?

If, when you find your separate life once more Twill be as whole and happy as before?

It may be so.

Ambition has broad leaves, which overgrow
The feebler heart plants, blooming small and And yet, I think, When time or change, or both, have snapp

Which holds us ne'er so lightly When you have found out new and pleasa

Perhaps grown great yourself, and taste

Perhaps grown great yourself, and tasted praise,
Despite the rosy ties which bind you then,
You will look back to these tame, quiet days
With dim, strange pain;
And haply in your dreaming think of me
Half mournfully,
Saying, while all surrounding witcheries
Seem dull and vain,
And beauty's smile, and fisttery's ministries
Lose, for the time, their hold on heart and brain. brain, "Ah, me how little she was like to these

Would I could look upon that face again!"

WHO IS THE MODEL WIFE?

views on the model wife and wives that

It is said that "love is blind." I have thought that, in some instances, it was also deaf and dumb. A pretty face, a jolly laugh, a bright eye, dazzling jewl-his very excellent ability. No one of his constituents has written him a letter whatever for any assertion or surmise also deaf and dumb. A pretty face, a jolly laugh, a bright eye, dazzling jewlry, or a rich daddy—one of these has decided many a fellow.

I was talking some time ago with young preacher who had a model wife. first-class "gal" about her than any one he ever saw. Many of the things which attract some men when in search of a wife are but the bangs and friils, which only serve to hide many defects and cover many faults.

A model wife must have character asserts itself, that controls itself, that can secure an audience with any of either do I profess impresses and expresses itself at every luminous in the luminous in the luminous in the kindness of the the heart, in the friends in Washington because both as made in defense of the president patient and friendly hearing. He has for that letter to Mr. Wilson. Mr.

woman who will marry a fool. There is no remedy for that disease. Hunch-backs, deformed limbs, red hair, stringy necks and snaggled teeth and all other deformities of life may be mitigated, is there exactly the same man that he is has been tied to Mr. Hill. He refused to make the canyass either Tuesday

will, but from a coarse woman, in the and find him always cordial, always language of the Episcopal prayer book, "Good Lord deliver us." A fast woman is more despicable than slow horse. Speed may be desirable

in a horse, but give us a slow gait for a of course, above everything else, the heart is to the noble wife what the sun is to the heavens or the moon is to the ference to the fact that during the last large ears on it.

Respectfully,
Respectfully,
T. L. Gannt.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results.

Amount of the permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results.

Respec

tures by the income of her husband She will not run her husband in debt A model wife is a good house-keeper. Dirt, debt and the devil she has given orders "can't enter here."

The woman who thus embodies the This letter, as promised, will give my characteristics of a good wife will possess a character that will be a fortune to any home, a blessing to any man

Hon. John S. Henderson-

the first occasion, to investigate the question and give out any suggestions that I might find of possible add in remediate the suggestions which at present exists.

I would be seen that the country people should be the healthiest and freest the problem during my stay in the city, and I am largely indebted to Mr. Chas.

F. Kennedy, chief inspector of the board of health, for the suggestion I shall now offer.

If an army should invade North Carolina or a strike occur among the rail-road men, resulting in the death of four five thousand people, the fact would or five thousand people, the fact would of the latter and the discussion of the mode of the suggestion I shall now of five thousand people, the fact would of the latter and the discussion of the make a mistake in an ever made is when he makes a mistake in an ever made is when he makes a mistake in an ever made is when he makes a mistake in an ever the information that the above name the health early in the city, and I am largely indebted to Mr. Chas.

Statistics show that such diseases are mistake in the suggestion I shall now offer.

If an army should invade North Carolina or a strike occur among the rail-road men, resulting in the death of four road men, resulting in the death of four sewerage pipes it is very difficult to dispose of waste matter so as to avoid compose of waste matter and reserving to the biggest mistake in an ever the information that the above name varieties that I am uncertain as to which the habove name as a "doubting Thomas," Our readers have been prepared for the information that the above name tha believe that it is owing to lucky chance more than good management or wise selection that there are not more unhappy marriages.

It is said that "love is blind." I have leave that in his public action he has faithfully reflected the sentiments of his people. But going beyond that, it is to the Democratic nomination for the office I now hold. My Democracy has

to which he did not receive, if the importance of the case called for it, a prompt and friendly reply. No one of them has committed to his hands an interest which he did not care for with the utmost fidelity. A tireless worker, he has esteemed no labor too great if undertaken for any one of his people, and in his eyes the humblest of them has been entitled to equal consideration with the greatest. He has not only the has been put down by the country as a will and the energy to do for his dis-trict, but the tact and the ability. His personal standing with his colleagues in Hill voted against the tariff bill; Murthe House, with the President and the heads of departments, is first-class. He the result of filth. If putrid matter is clied to accept the challenged party. Bowman had the choice of weapons. He selected a half-bushel of large Irish potatoes, and stipulated that his opponent must stand fifteen paces distant, and then only one potato at a time should be taken from the measure.

The desperado was furious, but Bowman injusted upon his rights as the man injusted upon his rights as the man injusted upon his rights as the callenged party. Bowman had the result of filth. If putrid matter is to have been very numnous in the kindness of the the heart, in the gentleness of the will, in the gentleness of the half of the movement. As the challenged party, Bowman had the choice of weapons. He selected a half-bushel of large Irish potatoes, and stipulated that his opponent must stand fifteen paces distant, and then only one potato at a time should be taken from the measure.

The desperado was furious, but Bowman injusted upon his rights as the man injusted upon his rights as the man injusted upon his rights as the complished my object.

Well water in cities is universally condamn the fail in any make a very pure wife, but with a well-rounded character a woman will not fail in any police.

I trust that the importance of the kindness of the the heart, in the gentleness of the heart, in the gentleness of the half, in the gentleness of t

deformities of life may be mitigated, helped or cured, but foolishness no man can cure, and it will manifest itself in all of its incongruous shapes in the children to the third and fourth generation.

Refinement is another element in the model wife. Let a man be coarse if he model wife. Let a man be coarse if he model wife. Let a man be coarse if he model wife. Let a man be coarse if he model wife a coarse woman, in the model wife and fourth generation.

Senator Hill. He refused to Mr. Hill. He refused to go into the canvass either Tuesday or Wednesday. Indeed, he joined Senator Hill, and the two bolters went out to see a baseball game.

Good Crops Everywhere.

eager to show them every courtesy.

Reference has been made to his the Charlotte News that he never saw standing among his colleagues. He is personally popular with them, his judg- bushels of oats and kept a good deal in ment is trusted and his solid ability as the shock. He says, too, that he thinks lawyer and legislator is highly respectis to the heavens or the moon is to the tide. It is the great warning, lightning, potent force, which makes a man's home beautiful and lovely. Such a heart pours its sympathy through every avenue of a strong mind like the gush of a river and will make a woman a queen as a wife and a thing of joy and beauty and carefullness which are avidenced by the fact that during the last two Congresses he has been the chair-man of the very important committee on postoffices and post-roads—a position the responsible and onerous duties of which he has discharged with an ability and carefullness which are avidenced by the fact that in each of as a wife and a thing of joy and beauty evidenced by the fact that in each of

dead han's tail or keep company with the dead, as to marry a woman who despised children, but who was foolishly fond of poodle dogs, parrots and canary birds.

The Rev. Dr. Talmage was in Honolula on June 8 and the Hawaiian Gazette of that date credits him with this saw a mother sitting nursing a poodle dog, while two bright sweet children, statement:

dead han's tail or keep company with the dead, as to marry a woman who despised children, but who was foolishly fond of poodle dogs, parrots and canary birds.

This influence is the result of the solid ability of the man, his tact, his unflagging industry and his long service in Congress which has given him such familiarity with public affairs that he has the facts about any matter of public business in Washington at his tential.
